Video calls to French and Spanish schools in lessons

Letter from the Headmaster

It was good to meet so many parents at our recent round of welcome breakfasts. The year is now well and truly in swing and the summer already seems a distant memory, and not just because of the change in weather. A constant refrain from teachers has been how quickly and how well our students, including our new students, have settled back into school and their studies.

This year I plan on having a higher profile for our House system and encouraging more inter-house competition away from Sports Day. A House netball tournament and a House Sing-Off are already being planned for this term.

Also, we are planning to hold a whole school event each half term, an assembly of some type, through the year to which parents are warmly invited. Our first will be on the morning of 11th October in Regent's Hall – more details soon.

This week has seen the formal launch with students, and via them with you, of our STRIVE programme in Years 7 – 9. Each student has a copy of the relevant booklet from their assembly this week and electronic versions are on our website. I find this enormously exciting. In the six schools I have worked I have seen nothing as creative, inventive and engaging as this programme. Portland Place teachers have put together to encourage our students to pursue and develop their interests. I am already looking forward to the STRIVE showcase at the end of the year, seeing the wonderful projects developed by students. My huge thanks to Charlotte Butler, Head of Humanities, for leading this and to all the teachers for their contributions to it.

Our key message as a school is “*Be Inspired*” and we build that on five core values: **Create**; **Discover**; **Engage**; **Inspire**; **Nurture**. I believe that STRIVE exemplifies all these values and I encourage all students to become involved at some point. And parents too! I hope we can also *inspire* you to *engage* and *discover*, or rediscover, a passion through this.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'David Bradbury'. The signature is fluid and cursive, with a long horizontal stroke at the end.

David Bradbury
Headmaster

CodeCamp

We are very excited to be hosting Code Camp at Portland Place School during the October half term!

Code Camp will be at Portland Place School from 17th-19th October and for 3 fun filled days the children will be coding and creating apps, problem solving and improving their computational thinking in a fun and engaging way, ready to take on the digital world of the future!

Code Camp began in Australia 5 years ago and since then have educated and inspired more than 40,000 children to code, build apps and websites over 3 days of incredible excitement, fun and engagement. Every child will create their own app to take away with them at the end of the program!

Code Camp have been sponsored by HP, and won numerous awards as they've grown to inspire the next generation of tech superstars.

Check out the Code Camp [reviews](#) to find out what other parents are saying about Code Camp.

For more information or if you would like your child to be part of this incredible learning experience, please go to www.codecamp.co.uk/portlandplace.

Coding is always more fun with friends so book as a group of 4 for £699 (under £175 per child and a group saving of over £200!) Click [here](#) to take advantage of this offer .

If you have any questions please contact hello@codecamp.co.uk

Career Workshops

Dear Parents/Guardians,

We are looking to offer Career Workshops to some of our senior students on selected Friday afternoons from 2.40pm until 3.45pm during our afternoon Enrichment programme. We know that the talks held last year were a great success and valuable for our students.

We are hoping to raise aspirations and inspire positive decisions in relation to student destinations.

The aim of our Career Workshops is to:

- * raise awareness of key qualities and skills required for our students' recognised career pathways
- * help our students to take personal responsibility for their own decision-making

We plan to continue with previous initiatives which have been to invite speakers from universities and local businesses.

We are aware, however, that within our school community there are parents and former students who are well-equipped to share their business acumen and career experiences with our students. This would very much enrich our current programme and we would therefore like to invite current and past members of our school community to become involved in our Careers Programme.

If you would like to participate by sharing your experience of a particular career path, please contact me via email Phillip.stanway@portland-place.co.uk or call me on 020 7307 8700.

Valencia Trip

With the Valencia trip fast approaching, could all parents please ensure that they return their child's medical form to Miss Picado next week.

Macbeth Tickets

Tickets are available NOW!

Email tickets@portland-place.co.uk with your order.

Music Ensembles - Get Involved!

This year, we have extended our range of opportunities for students to get involved in Music. In particular, we are looking for keen guitarists, vocalists, keyboard / piano players, bass guitarists and drummers who would like to set up their own bands. Every Monday and Tuesday lunchtime will be a chance to rehearse and receive guidance from staff. Please see Mr Hill if you are interested.

With the good number of boys' voices we have in the school, we are also establishing a Boys' Choir which will be running on a Wednesday lunchtime with Miss Boyle. It is open to boys across the whole school, so please come along and get involved.

This adds to our other varied ensembles, Woodwind Ensemble, Choir, Percussion Ensemble, Brass Ensemble, String Ensemble, Jazz Band, Soul Band and our weekly Music Theory session.

If you are interested in any of these, please let Mr Hill or Miss Boyle know and come along!

Notice Board

Music Ensembles - Extra Curricular times

LAMDA 2018/2019

Whether you are new to PPS or have been with us for a couple of years, you might be interested in developing your speech and drama skills.

We have a few spaces left in our **Monday 4-4.45 & 4.45-5.30pm classes**. There is also the opportunity for some students to have one to one sessions, these have been very popular in previous years. If either of these LAMDA sessions appeal to you, or you would like more details, please drop me an email (david.chivers@portland-place.co.uk)

Reading & Touch Typing Club

Dear Parents, just to let you know our morning provision (reading club & touch typing club) will resume from 1st October 2018. Please note that due to limited spaces students will be invited via email. We will be in touch in due course.

SEN Department

Notice Board

Library

Our school library is located in PPS and is open daily from 8am. Students are welcome before, after school and during lunch. It is a great location to read, study or do some homework. The librarian's name is Mrs Carvalho. Our collection consists of: fiction, non-fiction, specialist dyslexic resources and a large collection of graphic novels (new arrivals below!). You can borrow three books, for two weeks. Renew or return them afterwards. We welcome student recommendations so tell us which books you would like to see here. There is a reading challenge for Years 7 & 8.

Our catalogue is available and you can search for our library books here:

<https://portland-place.oliverasp.co.uk/library/home/browse/list>

We subscribe to The Day online newspaper which is helpful for learning about current affairs and homework. More details on Firefly.

A number of clubs take place here too. Book club with Ms Hubner takes place every Thursday at lunchtime. Our read for this half-term is Noughts and Crosses by Malorie Blackman. Come along and say hi. Follow our bookish adventures on Twitter @PPSLibrary and on Firefly.

Notice Board

School Ski Trip – Folgarida 2019

Mr Tasić would like to make everyone aware that we are down to the last few places for skiing next year! If you're interested in learning to ski, brushing up your skills or bombing it down some red runs with the ever-elegant Mr Lalande, please do get your letters in to us as soon as possible!

The trip will take place between the 16th and the 23rd of February 2019. Permission slips are available from tutors and staff; however, parents with questions or wishing to register their interest can also email Mr Tasić directly at toni.tasic@portland-place.co.uk.

Strive!

Next week we launch our *Strive Programme* for Years 7-9. At Portland Place we provide a rich and exciting curriculum during the school day, but The *Strive Programme* will enable students to stretch their learning beyond the classroom. There are three booklets tailored for each year and packed with ideas to stimulate a students' interest in extending their learning, whether it's medieval battles, French cinema or volcanoes. There is also an opportunity to develop that curiosity more formally and apply for an Extended Project Qualification (EPQ) Level 1 which is the equivalent of half a GCSE.

So why not have a look at the Strive Programme [here](#) and see what interests your son or daughter – there is nothing to stop parents trying out some of the suggestions too!

Notice Board

We will give you recommendations based on what you can:

READ

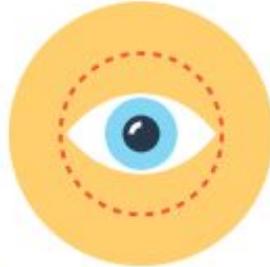

WATCH

LISTEN

SEE

DO

STRIVE

At Portland Place we want to provide you with the opportunity to:

- Excite and broaden your mind on your favourite topics and subjects.
- Stretch your learning far beyond the classroom.
- Empower you to set your own learning direction.
- Inspire and motivate you.

We want to provide you with the opportunity to explore topics and issues further, to develop a sense of questioning and curiosity. When we are curious, we see things differently, making connections and experiencing moments of insight and meaning – all of which provide the foundation for rich and satisfying life experiences.

This booklet outlines The Strive Programme, allowing you to harness your curiosity and deepen your interest and engagement of a particular subject through closer study. Each subject has suggestions about things you can, WATCH, READ, LISTEN, SEE AND DO to foster your passion and enthusiasm for the subjects you love and develop strategies for independent learning.

The tasks are designed to be done at your pace and in your own time. There will be lots of opportunities during the year to submit your ideas and anything that you have created to our Strive Celebrations, where there will be awards for the most interesting, original and creative ideas. Your teachers are on hand to help you at any moment, so do not hesitate to ask!

Strive Further:

If you would like to develop your curiosity into a project, you will have the opportunity to apply for an Extended Project Qualification (EPQ) Level 1 which is the equivalent of half a GCSE. The qualification can be taken over one or two years depending on which year you are in. This is an amazing opportunity to really undertake rigorous research into a topic of your choice.

This is about you making a choice, not your teachers!

Choose a topic of your choice and either write a research report on your chosen topic of 1000 words, or produce a film, organize an event or create an artefact which is accompanied by a research report of 250 words. There will also be a commitment of one lesson a week that will be timetabled in addition to your normal lessons. If you are interested, there will be a meeting in September.

Year 7's Achieve Bunsen Burner Licences!

Last week our Year 7's achieved their Bunsen Burner licence! They did a fantastic job of controlling the flames safely whilst also naming parts of the Bunsen Burner!

Analytical Writing with Year 7

Ms Hubner

Miss Hubner's Year 7 English class have done a brilliant job with their analytical writing so far this term, working incredibly hard on their PEE paragraphs! Well done to Gene, Rudy, Anastasia, Jesse FB, Leo, Jessy FJ, Kunal, Benny, Harry & Lana! Check out the KS3 noticeboard in room 24 to see some of their work.

House Netball

This term we will be running various house events during lessons. It is a great opportunity for everyone to take part competitively and to enjoy being part of a team. Our first house event this term will be house netball. This will take place next week for both the upper and lower school girls at Regents Park Tennis Centre. The tournaments will be played during periods 4 and 5 on Tuesday and Thursday.

Please note that all girls will be off timetable for their respective age group event. Please make sure that they remember their netball kit on these days.

Age	Date	Sport	Opponent	Venue	Time
Lower School House Netball (Y6-9)	Tuesday 25 th September	Netball	Inter House	Regents Park Tennis Centre	1:30-3:30pm
Upper School House Netball (Y10-13)	Thursday 27 th September	Netball	Inter House	Regents Park Tennis Centre	1:30-3:30pm

Sports

Football

Football Fixture: PPS U13's 2, Heathside Prep 2

After their turnaround performance at the Ibstock 6 a-side tournament last week, Portland's U13's faced a Heathside Prep team that had beaten them resoundingly last season. PPS dominated possession and territory for much of the first half, but Heathside looked very threatening on the break and scored quite quickly. Left back **Hamish Cooper** coped tremendously under great pressure from a fast and agile right winger and PPS defended hard, at times, to keep the deficit to just one goal. Keeper **Leo Sargent** made the most outstanding save of the season so far, diving full length to tip a hard driven shot over the bar. In the second half, some positional changes allowed Portland to look much more threatening in attack and they soon equalised through **Elliot Macleod**. Gaining in confidence by the minute, Portland pressed for the second and **Macleod** soon thundered home to give Portland the lead. From this point Portland looked comfortable, but a goal-mouth error gave Heathside the equaliser and they then pressed hard for the winner. In the final few minutes Heathside were in the ascendancy, but Portland clung on for a well-earned draw and can perhaps count themselves unfortunate they did not win. Well done to all that played! Special mention must go to **Lloyd Day** for his superb tackling in midfield and work-rate.

Football Fixture: PPS 2 v 2 Radnor House

Last Thursday u15 Portland Place boys played Radnor House in their first 11 aside football match of the season. PPS started very slow and were under constant pressure in the early stages. Midway through the first half a corner came in and the ball ricocheted between a bundle of PPS defenders and fell kindly to a Radnor striker who tapped it in, a very unlucky goal to concede. Moments later, PPS had a free kick just outside their own box and played a risky pass that was easily intercepted and Radnor were able to capitalise on the mistake. PPS conceded and went into half time 2-0 down.

The team went into the second knowing they couldn't concede the next goal. **Felix Rivadeneira** and **Elliot Greenfield** showed some great defence to save the team on a few occasions early in the half. However, it wasn't long before PPS slowly started to show more confidence and accuracy in their play. PPS got their consolation when **Alex McDonald** made a great run, played a 'one two' with **Nico Blakemore**, beat a defender and then slipped the ball into the bottom corner. Portland were on top and with only around ten minutes to go, **Alex McDonald** used his speed again to make a great run down the line and crossed to **Nico Blakemore** who finished to bring the score back to 2-2. Great character was shown by the team and well done to the three year 9 boys **Oscar Bolgar**, **Sultan Sindi** and **Elliot Greenfield** who all put in great performances. Man of the match goes to **Felix Rivadenira** who put in numerous strong tackles and showed great desire to compete throughout. Well done boys.

Sports

Football

U11 Football Fixture

The Year 6 boys were extremely enthusiastic heading down to Teddington on Tuesday, to play a football match against Radnor House School. Nearly the entire journey down to South West London the boys were singing football songs and talking strategy. Once they finally got onto the field and in position, faces were serious and everyone was focused. In the first half, **Christopher Calbucci**, **Egor Pertsev** and **Sasha Whowell** were strong in defence, keeping the ball well away from the goalkeeper, **Che Arney**. There were many good balls passed up the field by **Sonny Shelton** for a chance of shot on goal by **Isaac Meyer** and **Ali Abdel-Khaleq**. Unfortunately, the first half ended with no goals scored. At half time, a few positional changes were made. During the second half, **Che Arney** made some great saves as Radnor stepped up their attacking game. But our defence put on enough pressure to keep the score 0:0. The boys marked well and tackled strongly during the second half. The forwards had a few opportunities to strike the ball but Radnor's goalkeeper managed to stop them going into the net. The fulltime whistle blew, there were lots of upset faces but they knew it was a better result than a loss. Excellent team work and positive comments throughout the game kept the boys united and represented Portland Place School with pride.

Sports

Netball

Under 13s Netball

Our combined team of U12 and U13 played their first competitive netball fixture against Queens College on Wednesday evening. It was a steep learning curve for our girls playing together for the first time against a strong U13 Queens side. Although it was a heavy loss, it was a valuable learning experience for the squad and it now gives us a platform to work from. At times we linked some good passes and communicated well, our only goal came from **Lucy Mainstone** at GS. In the third quarter we played our best netball and kept the score to 3-1. I look forward to house netball next week, which will provide all the girls at PPS a competitive experience that they can enjoy together. Well done to all who played and we look forward to seeing you at netball club every Wednesday 4-5pm.

Player of the match: **Ruhi Patel**, a versatile performance with some good defensive play.

Sports

Football and Netball Club

This half term, both football and netball club will be running on Wednesdays from 3.50pm – 5.00pm. Football will be held on the new hybrid grass surface at Regents Park, whilst netball will be at Regents Park Tennis Club. Pupils of all ages are welcome to attend and there will be bus transport laid on, to and from the park. Please make sure you bring the appropriate kit and footwear and meet at the changing rooms as soon after period 5 finishes as possible. We will back to school by 5pm.

U14s Football

A great start to the season for the Under 14s who headed to Ibstock Place School for a 6v6 tournament. The boys struggled early on with the first two games against Rutlish and Ardingly ending in defeat. This meant that PPS needed a winning result against the hosts to qualify for the second tier plate competition. This game was the best of the afternoon in terms of entertainment. A game where both teams were attack minded, had a desire to win the game and gain qualification. It was end to end, PPS had **Elliot Greenfield** to thank on several occasions who made a string of fantastic saves in the first half. In the second half the boys started to create chances and **Oscar Bolger** went closest when he hit the crossbar. The game looked destined for extra time but for a late scramble in the Ibstock goal area resulted in a handball on the goal line and a penalty in the closing seconds for PPS. The kick was in the hands of **Bosco Buonaguidi** who confidently smashed the ball into the top corner and sent PPS through. The opponents in the semi-final were The Hall School and a game PPS dominated throughout. This was a lesson in taking your chances and The Hall took the lead in this match despite a dominating Portland Place performance. The boys were patient and finally got their reward when **Anton Polyakov** went round the goalkeeper and slotted home. The game went into extra time in which we experienced the format where every minute played a player was removed from each team. It was a thoroughly entertaining format which resulted in lots of tired legs. It was end to end and with only three players left on each team. Unfortunately, The Hall snatched victory after a fine solo run. Despite the loss, it was a great start to the season for the boys.

Sports

U12/U13s Football

A competitive start to the football season for the Under 12 and 13 girls where they played a match against Queen's College. The girls started out very strong with **Anastasia Dillon Demosthenous** and **Laura Lin** in defence, maintaining and controlling most of the possession during the first half. **Lana Tuite** set us up early with the first goal of the game which put the girls in positive spirits. The attitude towards team work should be commended as it was great to see communication and support across the pitch. Although **Irene Peleteiro's** goalkeeping skills were outstanding, Queen's managed to slip in two goals right before half time. We made a change around in the mid field where **Lana Tuite** held her space and possession of the ball really well. She also set up a goal which **Grace Bradshaw** effortlessly placed into the goal with five minutes to go. **Ruhi Patel** made lots of excellent breaks up the middle of the pitch but Queen's defence was strong. Legs were beginning to get tired, there was only a few minutes to go, unfortunately Queen's managed to secure the win right at the end of the game. A great, competitive game on Tuesday and look forward to seeing more of their efforts in the coming term.

U13 6-A-Side Football Tournament - PPS Win the Plate Final!

This was very much a tournament of two halves for Portland's U13s, whose side included two Year 7s, **Lloyd Day** and **Jesse Francis-Baum**, who were playing up a year. Portland started well enough, dominating their first game against The Hall but were unable to convert their chances against an in-form Hall goalkeeper. At times PPS looked sluggish and this was even more evident against their next two opponents, Ardingly A and KCS. Both teams were strong sides and managed to beat our boys 2-0. At this stage the lads were quite dispirited but a convincing 3-0 win against Ibstock B seemed to give them the lift they needed for the plate semi, which they had now qualified for. Their opponents were UCS and Portland were able to dominate the game from start to finish. **Bosco Buonaguidi** added to his earlier goal against Ibstock B and assisted **Lloyd Day** for the goal that sealed the win. By now the boys were playing much more as a team, with far better movement off the ball. **Nicolas Bartha**, in defence, was going from strength to strength and the attacking trio of **Day**, **Buonaguidi** and **Elliot Macleod** was starting to link-up well, creating many more scoring opportunities. In the final, PPS faced Radnor House, who had had a much harder fought semi. **Buonaguidi** bagged the only goal of the match in the first half and PPS were able to hold out quite comfortably to win the plate final. Well done to all that played. It was fantastic to see a side improve so markedly throughout a tournament. **Hamish Cooper** and **Nolan Song** scored PPS's other goals.

Calendar & Contact

Monday 24 September

12.45-1.30pm	Woodwind Ensemble, Mr Slack, R1
