Extra-Curricular Timetable—Autumn Term 2021

At Portland Place, we know the value of learning outside of the curriculum. As such, we have a broad range of activities and clubs to introduce, strengthen and extend students' skills, understanding and experience.

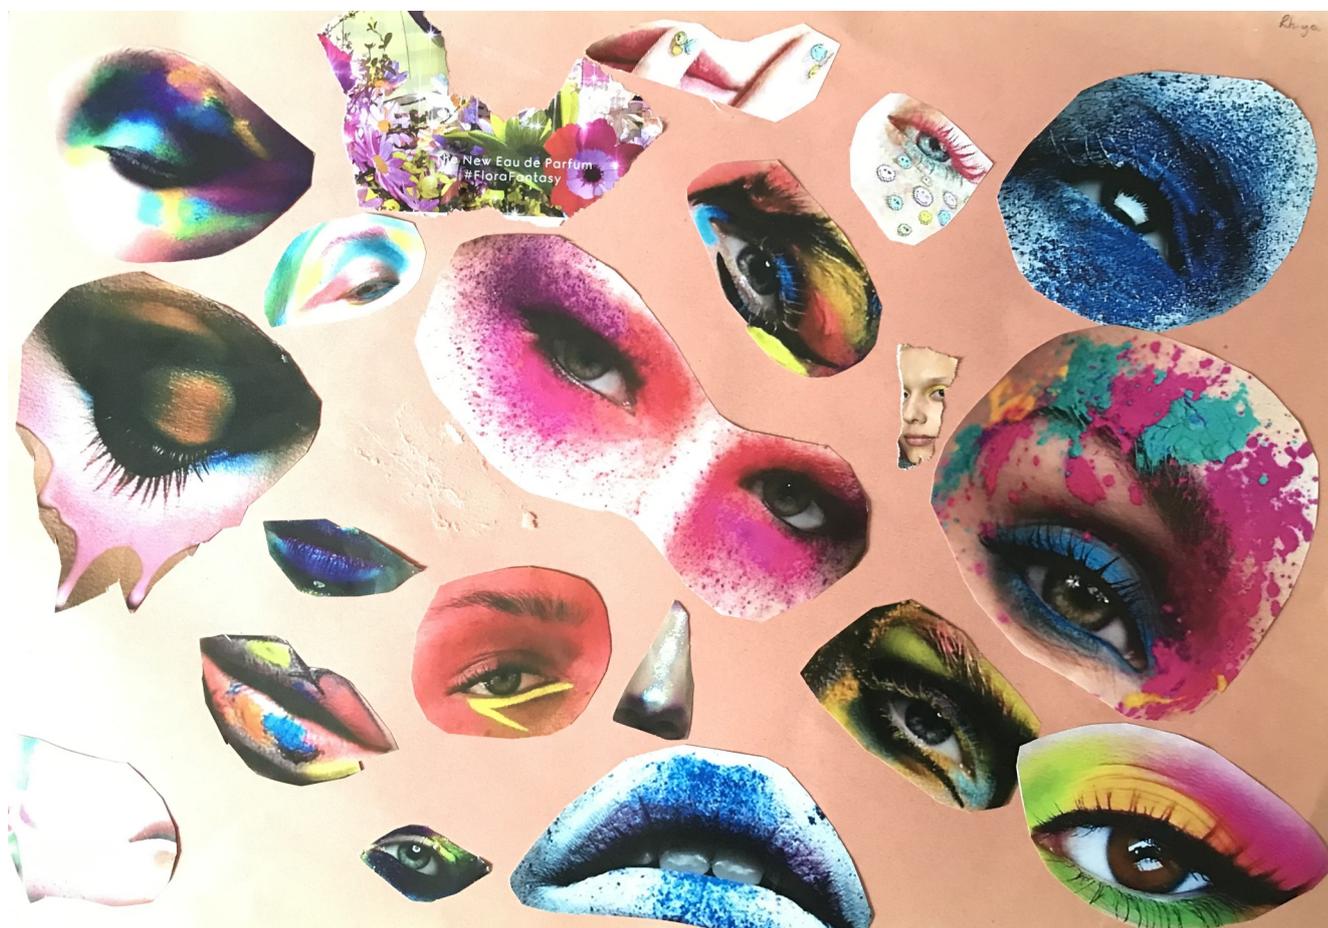

Here are the activities available for this coming term. Due to factors linked to the completion of building works, some will begin later in the term. Participation in these groups is free (except those marked *) and students should attend the first session; students will be registered and should commit to attending these on a regular basis.

If you have any queries regarding the Extra-Curricular programme, please contact Mr. S. Hill (Assistant Head – Co-Curriculum) or for specific questions about the individual activities, contact the associated staff listed below.

Day	Time	Activity	Staff	Location	Year Groups	Start Date
Monday	12:50-13:45	PPS Choir	SHI & CBO	Drama Studio	All years	27 th Sept

LONDON
ZOO

Enrichment

LONDON ZOO ENRICHMENT:

15/9/21:

This week we have learnt about what it is like to work in the ZOO, what ZOOs do, and we participated in a few workshops.

The three areas of work are: conservation, research and re-introduction.

We have also seen some African animals...

Have a look at our photos and enjoy!
Ms Coates

CONSERVATION:

There are many threats to wildlife:

- **Climate change**
- **Air pollution**
- **Water pollution**
- **Deforestation**
- **Illegal hunting**

ZOOs protect endangered species, like this Asiatic Lion.

The animals get professional care: from feeding, through healthcare, to welfare.

Research

ZOOS carry research to help to investigate the causes of extinction and the ways of reintroduction...

Research: Mountain chicken

Amphibian fungal disease
Chytridiomycosis

In the field:

- Population surveys
- Collection of samples

Breeding + Reintroduction

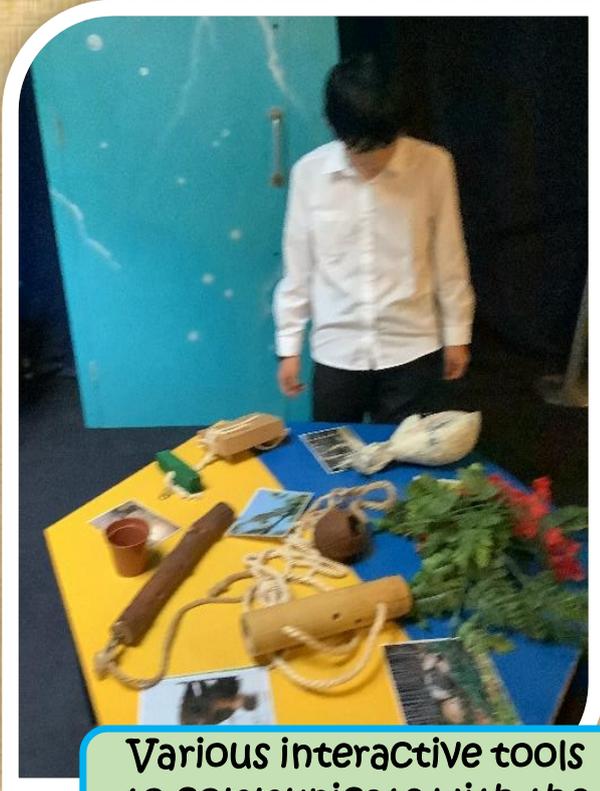

ZOOS help to breed and reintroduce endangered species back to wilderness...

Reintroduction: Hazel dormouse

- Keepers and vets work to reduce risk of disease
- Health check and microchipped prior to release
- Soft release initially

During the workshops we looked at:

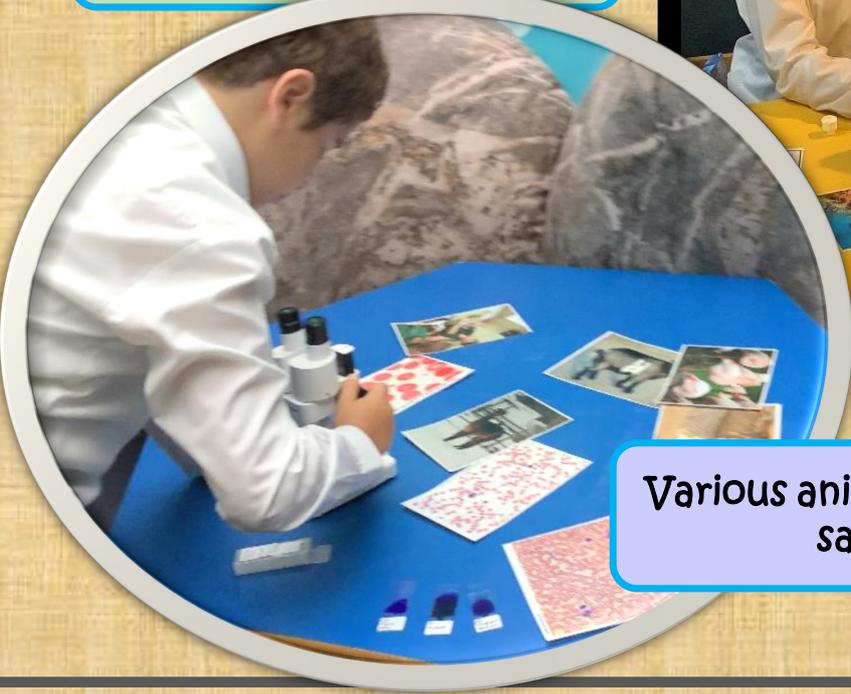

Various interactive tools to communicate with the animals in wilderness

PH needed for the environment of various animals types

Various animals' blood cell samples

We also saw:

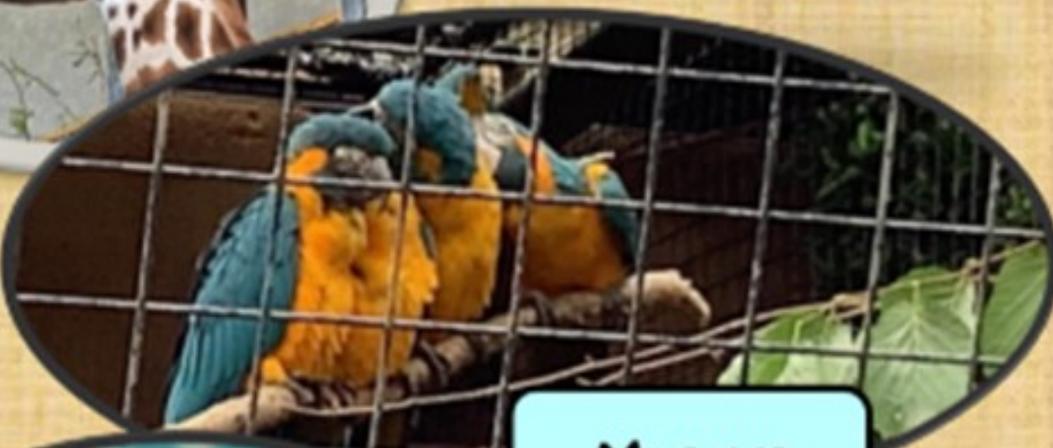

Zebras

Giraffes

Macaws

Xrays of various animals

See you next week!

BUG HOTELS COMPLETED IN ENRICHMENT!

Growth Mindset and Wellbeing

Today the **Year 6/7** students made an excellent start on their journey to success, and had the opportunity to explore the concepts of growth mindset and resilience during their first assembly of the year. They contributed with insightful ideas about how we can use the power of yet, build resilience and become our own coach by using a positive self-talk. I was really impressed with their mature comments and willingness to develop their mental skills! Well done, everyone! Ms Florea

PROMOTING A POSITIVE SELF-TALK

INSTEAD OF.....	TRY THINKING....
I'm not good at this	What am I missing?
I give up	I'll use a different strategy
It's good enough	Is this really my best work?
I can't make this any better	I can always improve
This is too hard	This may take some time
I made a mistake	Mistakes help me to learn
I just can't do this	I am going to train my brain
I'll never be that smart	I will learn how to do this
Plan A didn't work	There's always Plan B
My friend can do it	I will learn from them

MFL/Extra-Curricular Languages

2021-22

For two years now, PPS students have benefited from free extra-curricular MFL classes.

It has been exciting to see how many children took on the challenge of learning new languages with external teachers. As we launched the programme, we decided to run the classes for free as a transitional period for students, so that as many students as possible could get a taster of those.

We have now come to an end of the transition, which means that some classes will need a small fee to be paid for. Russian and Arabic will remain free of charge. These lessons will be taught by PPS teachers.

However, due to small numbers in Mandarin and Japanese, we will now ask parents to contribute a small fee towards the classes. (£10/week). These lessons will be taught by external teachers.

Many students have already enrolled for those classes. However, we understand that some parents might want to enrol their children now or cancel them. If you would like to apply for or cancel your class, please email Mr. Lalande at thomas.lalande@portland-place.co.uk

Y10 Design: Coffee Shop Design

Ultimate Frisbee

This week saw the second session of **Ultimate Frisbee** at Regent's Park take flight with a squad of ten Year 8, 9 and 10 students. We practised a few drills, working on the forehand especially, and then chose teams for a very thrilling game.

After a tense set of initial exchanges, Bibs took a commanding 4-2 lead early on with the strike partnership of Max Dawson and Oscar proving highly effective early on, and some close passing between Max Coombe and Gabriel setting Eric up for a trademark run through the flailing No-Bibs defence.

However, thanks to the link-up play of Miles, Charlie and the quick-silver runs of Danny Maclean, as well as a couple of successful long-range passes between Ryder and Teddy, the No-Bibs team held out to seal the W with a last-minute 5-4 steal. Rematch next week!

U15 6-aside Football Tournament

On Thursday 9th September, Portland's Year 10's travelled to Barn Elms for this annual season opener tournament. The boys got off to a slow start, losing 3-0 to Ibstock A. They were dominated by the hosts, and this seemed to lower the team's morale as they went straight into their second match against Kew House. Kew took an early lead, but Portland managed to find an equaliser through **Tom Hallam**, who showed great control and poise in the box. A defensive lapse saw Kew get the winner on their way to eventually finishing 2nd in the tournament.

Portland's fortunes began to change in their third match against Radnor. The formation looked more settled, and we were able to win the match 2-0 with goals from **Jesse Fryer-Jacobs** and **Edwin Hounkanli**. In their final group game, despite completely dominating Latymer B, they were unable to beat the keeper, who was outstanding, and the game was drawn 0-0. This meant that Portland went through to the plate knockout, rather than the cup.

Tom Hallam holds off his marker in the plate final against Richmond Park

The boys faced Ibstock B in the semi-final and played by far the best football they had produced up to that point. **Lloyd Day**, who had sustained an ankle injury earlier in the day began to produce his best football, breaking at pace and linking well with Edwin in front of him. Edwin bagged his second to send Portland into the plate final. Here they faced Richmond Park. The match was very even, with both teams looking dangerous throughout. The match finished 0-0 and went to extra-time. Mid-way through the period, Portland conceded and almost equalised at the death when **Kai Ibrahim's** shot was cleared off the line.

The team ended on a high and were satisfied to have found their rhythm. There were fantastic performances from **Leo Newberry**, in defence, who showed amazing pace. **Jesse Fryer-Jacobs** led by example and was fantastic all-round. **Edwin Hounkanli** was a handful for his opposition's defence and showed good strength in tackles, often coming away to break with the ball. **Jesse Francis-Baum** had an excellent debut performance in goal, making numerous impressive saves. Our player of the tournament was **Tom Hallam**, whose work-rate, movement and passing was superb. He defended tenaciously throughout and showed great composure in attack. Well done to all who played.

U14 Ibstock Place 6-side Tournament

On Friday 10th September PPS u14's made their way to Barnes for their first competitive football since the start of the pandemic! The Ibstock 6 aside is always a very challenging tournament with a number of strong sides and players and considering the boys had not played together in 18 months they played some very positive football. The boys were very solid defensively and showed some neat passing moves in possession, but unfortunately final passes or shots were a little inaccurate on the day. **Ethan Smither**,

Charlie Wilson and **Felix Osgerby** were excellent in defence making a number of important tackles and interceptions, Ethan did a fantastic job starting off passing moves and organising his teammates. In mid-field, Miles Sellens-Flack, Sonny Shelton and Dani Gilmore showed great energy and discipline, making sure they were supporting their striker with good movement but also tracked their runners when the ball was lost. Leo Bennett and Maxim Mydlar did a great job upfront, pressing opposition defenders and forcing them into mistakes, Leo was very unlucky on a few occasions not to find the back of the net due to some impressive goalkeeping. Isaiah Boon-Grey, who was making his goalkeeping debut, made a number of excellent saves across the tournament. The first 2 games of the tournament were very tight, PPS took on Wetherby in game 1 and Richmond Park in game 2 - both ended in 0-0 draws.

Unfortunately, the third game against Kew House put the boys on the back foot. Frustratingly, it was a fairly even contest but when Kew took a 1-0 lead the boys opened up in their hunt for an equaliser and conceded a couple more late on. Game 4 against Ibstock B was also a frustrating game as PPS had more possession, created more chances but could not find the back of the net. Ibstock punished PPS at the end of the game to take 1-0 win. In their final group game PPS lost 2-0 to a strong Latymer team, this meant PPS could not progress into the knockout phases of the tournament. The boys should be proud of their efforts against very strong opposition. Most games were extremely competitive, and it

was just one of those days when the ball would not hit the back of the net – if a few very close efforts had gone in, PPS would have progressed. **Leo Bennett** was a handful for defenders in every match showing good physicality, **Sonny Shelton** worked his socks off in midfield and has made noticeable improvements to his game, but player of the tournament goes to **Ethan Smither** who showed excellent tactical awareness, great energy and composure in all aspects of his game.

PPS U12 Match Report

PPS 3 v 2 Northbridge Canonbury

On a showery Tuesday afternoon at Regents Park PPS u12's took on Northbridge Canonbury in their first full-sided competitive match of the academic year. It was a highly entertaining and very competitive match throughout with both teams creating a number of chances. In the opening stages PPS started brightly; the boys in midfield looked dangerous in possession with **Humphrey Boland**, **Dexter Culpin** and

Spike Culpin all showing good skill and pace to drive at their opposition and take them on. PPS took an early lead after a sustained period of attacks with Dexter showing good composure in front of goal to finish from close range. After the goal Northbridge started to raise their game and started to find some space in midfield, looking dangerous on the counter-attack. However, PPS looked solid in defence and broke down numerous Northbridge attacks with **Joey Maclean, Nate Campbell, Flynn Forbes** and **Taishi Kikuchi** all making a number of important tackles and interceptions. In attack **Enzo Pochon-Guibot** had an excellent first touch and linked well with the midfield. **Tyson Douglas-Letts** and **Jude Page Fagon** looked dangerous every time they got the ball, with their ability to use their pace to beat their opposite man. Mid-way through the first half PPS found a second against the run of play with a fast-paced counter attacking team move that was finished off by Tyson. It was 2-0 to Portland with 10 mins of the first half to play. Northbridge's heads did not drop as they pushed to get back into the game and they did so with a low drive from their right midfielder just before half time, 2-1 to PPS at half time.

At half time the boys recognised they needed to pass the ball earlier and were guilty of trying to take too many players on. They also knew how important it would be to keep concentration in defence as Northbridge had some strong players in attack. At the start of the second half the game was very competitive and physical. PPS created a lot of chances, hitting the bar twice and forcing 3 goal mouth scrambles but just could not find a goal. PPS had a couple of scares when Northbridge had some powerful long-range efforts but keeper **Harrison Brudenell-Turpie** made some good saves. Towards the end of the second half PPS got the all-important third goal through Spike, who managed to tap in from close range after a period of sustained pressure from PPS. 3-1 with 10 minutes to play. The final 10 minutes were very frantic; PPS conceded a penalty after a clear hand-ball in the box to make it 3-2 to set up a tense finale. PPS created more chances, but the Northbridge keeper made some good saves and

Sports report

thankfully the boys saw out the game to the final whistle taking a 3-2 victory! This was a very positive first game for the boys, on another day they could have scored 6 or 7 and there is still room for improvement and the boys should continue to work hard in lessons and at football club to continue to improve their game! **Joey Maclean** was excellent in defence showing good physicality and tactical awareness throughout, **Tyson Douglas-Letts** took his chance well and showed great energy, pace and determination in attack, but man of the match goes to **Humphrey Boland** who whipped in numerous dangerous crosses, was a constant threat with his driving runs and was unlucky to hit the bar, not once but twice! Well done boys!

Next Week's Sports Clubs

Mon: **Table Tennis club**, 12.50-1.40pm, PPS hall

Thu: **Dance club**, 12.50-1.40pm, Rm 11

GCSE PE revision club, 1.10-1.40pm, meet
PPS changing rooms

Fri: **Table Tennis club**, 12.50-1.40pm, PPS hall

Football Boots Reminder

All the lower school students are currently playing football during their morning double lesson of PE and as the weather turns damper it's vital that they bring their studded football boots. This also applies to all our upper school students who aren't playing netball. Playing football, or any activity that involves running, stopping, or changing direction on wet grass can frequently results in slips and falls and possibly injury. In the mornings the ground is very wet with dew, even if there's been no rain. We recommend that pupils have their boots available for all outdoor lessons for this reason. We are also currently taking our lower school pupils through outdoor fitness training and testing, such as sprint training, speed agility quickness (SAQ) sessions and tests such as the Illinois agility test and the 30m sprint test. Having good grip really improves their performance and reduces the chances of slipping. Please ensure that pupils have this essential piece of their sports kit with them.
