Growth Mindset

For this week I would like to share with you one of the resources that I use with my students to reflect on our inner talk and to think about how we can make ourselves feel good. Sometimes a small change can make a big difference.

Thank you very much for your ongoing support.

Mrs Florea

PLANNING WRITING to Persuade 1

5 Writing to persuade

■ This is what I think you should do/think.

Series of points within paragraphs supporting one view point. Logical order

To influence how people think

Emotive language

Personal language

Persuasive writing is used to convince the reader to agree with the author. To do that, you need to build an argument and support it with details.

Examples:

- Essay about 'Saving our Planet'
- Speech on 'Animal Rights'
- A letter to a local MP to support a cause
- A leaflet; A TV advert
- Remember: **Persuasive = Persuade**

Persuasive Writers Remember Their OREOS

State your opinion clearly.

Persuasion Map

Numeracy Corner

This week we continue to present a series of support tools to help to solve mathematical problems

Strategy 3- Line It Up

Line It Up

Class: _____ **Math** Teacher: _____

Sometimes it's hard to line up numbers and symbols in math problems. This grid of boxes can

- Use one box for most numbers and symbols.
- If solving for an equation, make sure the equal sign of the equation stays in the same column as you start each new row.
- For other problems, line up each new row by place values (ones, tens, hundreds, etc.).

1.		1	0	2						4.		3	2	6
	+		8	4						8	2	6	0	8
		1	8	6						-	2	4		
												2	0	
2.			6	4							-	1	6	
		-	1	0									4	8
			5	4										
3.			1	2										
		x		3										
			3	6										

3.	y	=	3	+	x	²	,	x	=	5
	y	=	3	+	(5)	²				
	y	=	3	+	25					
	y	=	28							

4.	y	=	12	+	7x	,	x	=	10
	y	=	12	+	7(10)				
	y	=	12	+	70				
	y	=	82						

The Wizard of Oz

We are pleased to share some of the photos from our school production of the Wizard of Oz. Thank you to Splat for taking these fantastic images, and capturing some wonderful memories.

Students Reflections

Lawton Ballbach (Year 10) – Lion

It feels like the original audition took place 5 years ago, it was a gruelling process up until the day of the performance. However, after numerous cancellations, we neared the show everything started to click into gear. It was a painstaking but evidently rewarding journey. If we were to look back at ourselves at the beginning, we would have been proud of our accomplishments and persistence. When it came to the performance itself, my favourite moment had to be when my Lion head fell off. Luckily the great Mr Chivers managed to swoop in and prevent any further damage from being done. The final song was also enjoyable, especially when I looked out at the audience, it was a fantastic moment. All of our practice had led up to that point, and finally we could all relax. One thing I will take away from this experience is that the Lion's costume is the hottest thing I have ever been in - and I never want to see it again!! Overall, it was a brilliant experience and I am looking forward to performing the next production in March!

Georgie Cox (Year 8) – Aunt Em/ Chorus

We had been rehearsing for a long time due to the COVID restrictions, we were meant to perform the production in 2020 but we ended up staging it in November 2021. My favourite part of the rehearsal process was probably learning our scenes for the first time. I also enjoyed learning all the dances with Helen (our dance teacher) because it was lots of fun getting to know the cast and getting familiar with the play. My favourite moment from the performance was waiting back stage with all of my friends getting ready to go on stage for the first time. We could hear the audience chatting and getting excited outside, and we could tell our teachers were really excited too! We were trying not to talk and remain calm, but it was very hard as we were all so excited. As the door opened and we went on stage, we could hear the audience quietly chatting as we rushed to our positions ready to start. I learnt from this performance that when I'm about to perform on stage, that I should be more excited than nervous. Nerves never help you, but if you just go out there feeling excited and happy to be on stage then you will do great. The whole experience of the Wizard of Oz was so much fun and the performance was an experience I'll never forget.

**Nils Madelin-Hill (Year 9) – Uncle Henry/
Chorus**

I would like to start with my favourite moment from the rehearsal period, it was learning the dances with Helen; they were amazing and I like her enthusiasm. In my opinion, the best part of the actual performance was the Jitterbug and Munchkinland scenes. These scenes were well organised and fun to do. I also really enjoyed all the scenes with Lawton as the Lion, I thought his interpretation of the Lion was very funny. During my time in the production, I learned that I enjoy drama, but I don't think musicals are my thing....I did however I enjoy the whole show.

Jazz Pochon (Year 7) – Chorus

My favourite part of the rehearsal process was when everyone came for the full run through and the dress rehearsal at RADA. During the performance I really enjoyed the end when everyone came out for the bow. The Munchkinland and Jitterbug dances were also fun to do on the stage. A memorable moment in the play was when Dorothy, Scarecrow and the Tin Man met the Lion. I thought that Lion had the most challenging role/ character. Throughout this process I have learnt that I can work with a cast even though I only joined the school in September. We all worked super hard with the time that we were given.

HIGH SCHOOL MUSICAL : AUDITION INFORMATION

Next week the Drama department will be talking to all their classes about the **High School Musical auditions** that are being held after school on **Friday 3rd December**.

Auditions will take place **4.00pm-5.30pm in PPS Hall**.

Students should prepare to sing 'Breaking Free' from the show – backing track and lyrics. Students should select one of the scenes to perform with a partner. Students can select their own partner, or be paired in the holding room on the day.

Script option 1 – Gabriella & Troy

Script option 2 – Sharpay & Ryan

All additional information will be shared with the students on the day.

The cast size for this production is 30 students - this is due to the backstage and dressing room size at the venue.

The cast list is always decided from the auditions and not the age of the students auditioning.

All students must prepare to show their best at the auditions.

Hard copies of the audition material can be collected from the Drama office.

'Breaking Free'

High School Musical – Audition Song

Everyone to sing both Troy & Gabriella's parts

We're soarin', flyin'

There's not a star in heaven that we can't reach

If we're trying so we're breaking free

You know the world can see us

In a way that's different than who we are

Creating space between us

'Til we're separate hearts

But your faith it gives me strength

Strength to believe

We're breakin' free

We're soarin', flyin'

There's not a star in heaven that we can't reach

If we're trying

Yeah, we're breaking free

Oh, we're breakin' free

ART

Anti-Bullying Week

What do we know about kindness?

Anti-bullying alliance (anti-bullyingalliance.org.uk)

Our definition of bullying
The Anti-Bullying Alliance and its members have an agreed shared definition of bullying based on research from across the world over the last 30 years.

*"Bullying is the **repetitive, intentional hurting** of **one person or group** by **another person or group**, where the relationship involves an **imbalance of power**. It can happen **face to face or online**."*

ANTI-BULLYING ALLIANCE
Definition of bullying

The graphic features a collage of images: a sign that says 'KINDNESS' with a heart, two children hugging on a path, and an illustration of hands holding hearts.

Anti-bullying week 2021: One Kind Word!

Last week, the Wellbeing Coaching and Mentoring Team (Ms Nicholas and Miss Boyle) had the opportunity to dive into the important topic of 'Anti-bullying' with each group during their assembly time. The theme for Anti-bullying week 2021 is 'One Kind Word'. The anti-bullying discussion during assemblies explored many threads to this theme, some of which were very personal to individual members of the PPS community.

Each assembly focussed on several ties to bullying, including: what we understand about kindness, what it means to be kind, caring and compassionate compared with how at times, we might behave unkindly, inconsiderately, or uncompassionately; the definition of bullying given by the Anti-Bullying Alliance; an exploration of examples of bullying provided anonymously by various members of the school community; and then a short interactive exercise highlighting how our own self-confidence and self-esteem can be affected by the labels we put on ourselves and others. Our level of personal self-esteem is incredibly pivotal to how we express ourselves and face the world each day – and whether we choose to be kind or not every step of the way. Finally, pupils were invited to make a personal pledge for one action they can add to their daily routine to help the break the cycle of bullying.

The feedback from pupils has been extremely positive, some reporting that they could relate very seriously to some of the examples given and found the message to be a powerful way of thinking about their own actions on a day to day basis. Here are some of the first-hand comments from pupils following the

assemblies: "I liked the message the assembly sent out. I took away that bullying comes in different forms and sometimes people don't know that they're doing it. I also liked that you got teacher's stories which shows a more personal level of bullying. If I see a person bullying another person, I will tell them to stop and report it to a teacher."

"What I liked about the anti-bullying assembly was that it gave a message to us and made us realise that bullying is not nice and not helpful to others. The message I took away from the assembly was that people who bully are not happy with themselves. I will approach bullies next time by trying to help them to be nicer people and not be mean to others."

The message from the PPS community and the Anti-Bullying Alliance is that bullying can affect anyone at any time – and equally, anyone can become a bully through their actions towards others. Importantly, it is a collective responsibility to ensure that if we see any form of bullying taking place, we do whatever we can to help break this unnecessary, hurtful pattern of behaviour as early as possible.

If you or anyone you know is experiencing bullying, don't be afraid to speak out. There are many people available both in the school community and beyond who will support you through your experience. And here at PPS, we are here for you every step of the way. - Ms Nicholas

ODD SOCKS DAY FOR ANTI-BULLYING WEEK

'The odd socks are a symbol of **diversity**. Although the socks have characteristic in common, there are all sorts of socks in this world. Not everybody will like and appreciate the characteristics of some socks, but **no sock matters more than another and no one gets to decide that one sock is better than the other.**'

All different, all equal

Anti-Bullying Week—Games Night

Here is a photo of **Games Night** that took place on Thursday and some of the students who participated. The event was organised for **Anti-Bullying Week** as an opportunity for all to mix with other students including those attending the virtual school and make new friends.

Massive well done to the members of the **Student Voice Club: Noah, Nicky, Siraj and Amy** for organising the event and thank you to **Kieran** who managed the event with me and made sure it ran smoothly.

Thank you also to all the participants, we would like to reassure anyone who was disappointed to not get a spot that we will run another Games Night next term!

Music

On Thursday 18th November, the GCSE Music students in Year 10 and 11 performed in the **Upper School Chamber Concert** – the first internal concert we have done since 2019! There were some great offerings ranging from Ray Charles 'Hit the Road Jack' by Jesse Francis Baum, Murong Li's GCSE Solo 'One Summer's Day', further piano from Eric and a drum improvisation from Edwin. Bella Trautman gave the audience a guitar solo, Lana switched to a last-minute piano solo due to a sore throat, and the evening finished with Jemima's performance of 'Autumn' from *The Four Seasons* by Vivaldi.

Thanks to the parents, students and staff who attended and supported – next up is the Christmas Concert at RADA Studios on Tuesday 7th December.

Impacts of the climate change on animals

This week our students investigated and discussed the impacts of the climate change on animals. Take a look and see some of our photos and findings! *Mr Bland and Ms Coates*

Global Warming vs Climate Change

Global Warming

an increase in the average temperature of the Earth

Scientists studied Antarctic ice cores for this data...

Mangroves and Tigers

Activities:

Extreme weather changes cause the mangrove habitat to decrease.

Effects of the CLIMATE CHANGE:

- Droughts
- Rising sea levels
- Floods
- Extreme weather events
- Land degradation
- Deforestation

All this has impact on ecosystems and causes losses in wildlife and diversity.

Climate change caused shorter hunting periods. As a result, the species have been depopulated.

African Hunting Dogs

Higher temperatures caused a rapid spread of the ranavirus in common frogs.

Activities:

The higher the sea temperature, the more of the 'bleaching'.

Common frogs

Sports report

U15 Netball vs Kensington Park School

Thursday's senior match was away to Kensington Park School in Hyde Park. It was another highly anticipated game and an opportunity for the U15's to continue their strong form. We started the match with a very quick 4 goals which set the tone for the rest of the match. The girls were very consistent in their efforts and made some very strong passes throughout the game to extend their lead. Our opponents were feeling the pressure and PPS did not slow down. The girls won the match 14 goals to nil. It was an absolutely fabulous result and one they should be very proud of.

Well done to **Grace Bradshaw** and **Kyra Gupta** in their shooting roles, who made scoring look effortless. On the attack, **Jemima Hyam**, **Isabella Trautman**, **Miyu Aikawa**, **Isabella Calvert-Bull** and **Sasha Cerna** all worked exceptionally hard to maintain possession of the ball and **Samara Mayers** and **Connie Conway** were consistent in keeping the ball out of the oppositions shooting third.

The final score was KPS 0, PPS 14. A huge win for PPS and great efforts from all those in the team. Great work!!

Sports report

U14 Football vs Maida Vale

It was another storming victory on a cold and blustery afternoon in Regents Park, where Portland Place's U14 romped to an 8-1 win against Maida Vale. With last week's game being called off, it was time for the students to regain momentum on their impressive season so far. There was no need for inspirational and insightful words from Mr Steward as the students were ready, with Captain **Ethan Smither** leading from the front with the warm-up.

The first half whistle was blown and straight away the PPS press was as forceful as the wind blowing to their backs, with **Danny Maclean** and **Miles Sellens-Flack** leading from the front making the Vale defence stumble and fumble. These two players created the first real opportunity of the game. After some great passing and movement from **Sonny Shelton**, **Matthias Fargon-Page** and **Maxim Mydlar**, the two strikers connected with a great cross from Miles seeing Danny's volley just drift past the post. There was only a matter of time before the gates would be unlocked and PPS did not have to wait long. Passing from back to front allowed Miles to break through the defence and after a great save by the Vale keeper Maxim was able to tap on his first goal for Portland Place. This felt like the time where the goals were about to drop in and so they did, but first it was a Vale goal that pushed PPS to go all-out attack. With **Charlie Wilson**, **Leo Bennett**, **Felix Osgerby** and **Dani Gilmore** holding it tight and working well at the back it allowed the attackers to really push forward and in turn cause some big issues within the Maida Vale defence. Miles seemed to cause the most issue with the defence and it was he, who slotted in a second for Portland Place, after slipping past a number of the opposition before calmly pushing the ball past the keeper.

With the score at only 2-1 Maida Vale still thought that they had a chance to grasp something from the first half but with this they were vulnerable in every part of the pitch and with Captain Ethan able to drive forward his left footed drive saw the keeper palm the ball off the post and into Danny Maclean's path and he was able to push the ball into the net.

Sports report

The strike partnership of Miles and Danny once again caused issues with the Vale half. After picking up the ball on the half-way line and using some great skill, Matthias was able to break down the wing, using Sonny inside him the PPS team were pushing up the field and after some brilliant feet by Danny, he was brought down in the area to cries of "Penalty!" There was no need for VAR as the ref pointed to the spot. The youngster, Matthias was calm enough to plant the penalty in the corner, a penalty Jorginho would have been proud of.

After the break, it was the same story as the first half. PPS were able to calmly push the ball around and now Egor out of goal and **Albert Thompson** coming on to cover the left, the tempo of the game began to rise. At 4-1 the students could have taken their foot off the metaphorical gas pedal, but this was something that these students have no idea about. Using the speed of the ground and the momentum that they already had, PPS were able to move the ball with relative ease and able to score two fantastic team goals, one for MOM Matthias and the other for Danny Maclean. Both teams made changes but it was still the same story, with Sonny controlling the middle and moving himself closer to the box he was able to gain himself a free kick, which he was happy to take and take he did. With a few steps back, a big sigh and a look at the goal he was able to fire the ball past the flaking keeper.

This was a game where the students were able to show off some skills with Matthias showcasing his crossing abilities, Miles his impressive dribbling skills and then Sonny and Ethan being able to control the middle. It was a brilliant team performance with even more shots being rained down on the keeper. Leo, Felix and Miles came extremely close to adding another goal but it was the centre mid, Sonny who was able to power his way through the defence before easily slipping the ball into the bottom corner.

Miles stated:

"I think the team played alright, I think personally I played well with Sonny playing brilliantly with a great free kick and Ethan was great in the middle as a playmaker."

Ethan continued by saying:

"I think we played quite well against a poor opposition. The weather brought us down a bit and our touches were not great but overall, it was a well-deserved win. I feel that we could push on from this to next week's match."

U14/15 Football vs North Bridge Canonbury

Wednesday 17th November – PPS Vs NBHC (3 – 7)

The match started at a very fast tempo and did not slow down at any point throughout the game. The girls were up for the challenge as we had a point to prove from a big defeat from our last meeting with North Bridge House Canonbury School and we certainly did that. The team included, Lana Tuite, Violet Brodie, Grace Bradshaw, Sumayyah Mahmoud, Lexi Horne, Jemima Hyam, and Isabella Trautman. They all did a superb job working as a team to prevent the opposition getting possession of the ball, intercepting some great passes. With missed scoring opportunities, unfortunately NBHC got the win of 7 goals to 3 for PPS but I am extremely proud of the girls. We will come back stronger next time!! Well done to all those involved!!

U14 Football vs Istock Place

It was heartbreak for the Portland Place U14's who drew 2-2 against Istock School who scored a penalty with the final kick of the game. After a couple of great victories behind them over the last few weeks it was not meant to be, as Portland Place dominated the game but were unable to put a number of chances into the net.

It was a repeat of last week with the squad passing the ball around through the midfield before picking the perfect opportunity to play in the strikers. With the same partnership of **Miles Sellens-Flack** and **Danny Maclean** holding up top, they were creating chance upon chance, but some good saves and a couple of last ditch defensive tackles saw the score stay 0-0.

It was another master class of passing from **Sonny Shelton** and **Ethan Smither** who both commanded the midfield. With **Sebastien Dautigny** and **Maxim Mydlar** running down the wings PPS were causing a

Sports report

number of problems at the back, none more than when Ethan dinked a ball through for Miles to touch the ball past the keeper, only for it to rebound off the post and out. After some fantastic defending by centre backs, **Charlie Wilson** and **Leo Bennett** it was an own goal from a corner that unlocked the gates and saw PPS fall behind. This did not hurt the squad too much as they continued to attack. **Matthias Fagon-Page**, who was playing in defence; pushed Miles further up the wing and after a slick cross in from the right, Danny was able to tap the ball into the back of the net.

It was all out attack for PPS who continued to break down each wing with both Matthias and **Felix Osgerby** pushing the wingers further and further back. The slick passing that had been worked on throughout the training sessions, saw Danny slip a swift ball through the middle of the defence for Seb to shoot and hit the back of the net, past the diving keeper. 2-1 nearly became 3-1 after the halfway point. If it wasn't for a diving save by the Ibstock keeper, Miles would have secured a brace of goals, but it led to a nail biting second half.

Albert Thompson, **Egor Pertsev** and **Sam Osborn** all came on at half time, but this did not change the way that PPS were playing. Passing the ball nicely and defending like their lives depended on it, the game went back and forth throughout the half, with both teams pressing. It was a tense end to the game and with the ref signalling 1 minute left it was a defensive error that allowed Ibstock to break through before winning a penalty, a penalty that was blasted into the top corner. There was no time left to play and with the final kick of the game PPS were unable to hold out but gained a valuable draw over a good team!

It was an all-round great game by the students who defended for their lives and played exactly how they were supposed to, with pride and passion for the badge.

U12 Football Vs Thames Christian College

On a chilly Tuesday afternoon PPS u12s made their way to Battersea to take on Thames Christian College (TCC) in fast paced game of football. From kick off PPS looked lively; the boys' passing and movement was excellent early on and PPS were unlucky not to take the lead. Whilst PPS had the majority of the early possession TCC did look dangerous on the break, but the PPS back four were focused and showed good positioning and strength to thwart any danger. PPS took the lead through **Humphrey Boland** who lashed a stunning long-range effort into the top corner! The boys were relentless and added a second when a cross was deflected into the path of **Enzo Pochon** who made no mistake from 10 yards out. 2-0 to PPS at half time.

In the second half the boys continued to show great energy. The boys were a little guilty of complicating things at times early on; they were trying long passes when a short pass to an open player was the obvious option. However, it wasn't long until the boys got back into their rhythm and **Spike Culpin** put PPS 3-0 up midway through the half with a well taken volley from close range. TCC did not let their heads drop and did cause PPS a few issues, but **Harrison Brudenell-Turpie** managed to save some good attempts on goal and the score remained 3-0 at full time!

This was an excellent performance from our U12 boys. The boys started the game on the front foot and did not take their foot off the gas in a high energy performance which was arguably their best since the start of term. The defence were very solid throughout, the midfield passed with more consistent pace and accuracy and whichever PPS player played upfront, pressed and forced the TCC defenders into errors. **Nate Campbell** showed great strength and physicality at right back, **Spike Culpin** showed impressive footwork and trickery in tight spaces and **Joey Maclean** showed excellent positioning at centre back. Man of the match goes to **Enzo Pochon** who put in a superb performance as a playmaking midfielder, he was always available and set the tempo for an excellent team performance. Well done boys!
