FROM THE **kitchen**

APRIL 2022

SPRING INTO SPRING

The clocks spring forward, the evenings are brighter and we're reminded that our Summer and final term of this academic year is around the corner.

As a team we're excited to return to in-person events across the business and next half term we're looking forward to celebrating the Queen's Platinum Jubilee.

Of course despite our positivity the current situation in Ukraine is never far from our minds and our thoughts are with everyone affected by the war.

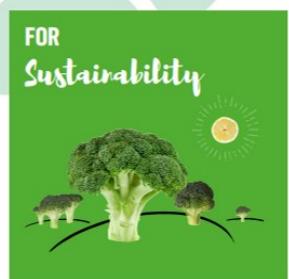

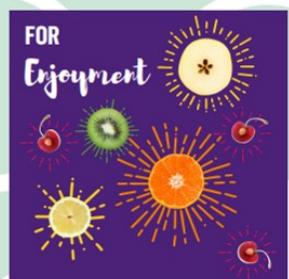

We receive regular updates from our suppliers about the impact on our supply chain. We are acutely aware that certain products may be affected and as this changes rapidly we will endeavour to keep you updated on any impact this may have on your menus next term.

Wishing you a restful Easter break.

Chocolate

Our Nutritionist Amanda Ursell looks at our favourite Easter treat, chocolate.

Say the word 'chocolate' and most of us think 'delicious', which is hardly surprising when you consider how totally unique a food it is. For starters, milk chocolate is the only food that melts at body temperature... and therefore starts to do so, in our mouths, giving that familiar, creamy, soft consistency as soon as we start eating it.

The chocolate we look forward to tucking into in our Easter Eggs however is miles away from the chocolatey experiences of Mayan Indian people living in South America, who were first to cultivate cocoa plants thousands of years ago. Mixing hot water with crushed cocoa pods, and flavours like cinnamon, they called it the 'Food of the Gods'.

Fast forward to Spanish explorer Christopher Columbus who brought cocoa beans to Europe in 1502 where it became commonly known as 'chocolate' from the Aztec word 'xocolatl' meaning 'bitter water'.

Grown in evergreen rain forests, the world now produces over four and a half million tons of cocoa beans a year, most of which, come from Africa. After cleaning, roasting and shelling, the remaining 'nibs' are ground into an intense cocoa liquor, which is used in cocoa powder. In turn, manufacturers add ingredients like sugar for dark chocolate and sugar and milk to make the chocolate that is moulded into your Easter Eggs.

Cocoa beans are naturally packed with fascinating super nutrients. Scientists think, when eaten in dark chocolate, these may have some health benefits... if we stick with small amounts.

And that's the important part: like other favourite treat foods, it's fine to eat 'a bit' of chocolate, now and then, especially in an Easter treat. The key is to think about balance and see it as just that, a delicious treat that you enjoy from time to time.

"MAYAN INDIAN PEOPLE LIVING IN SOUTH AMERICA WERE FIRST TO CULTIVATE COCOA PLANTS THOUSANDS OF YEARS AGO. MIXING HOT WATER WITH CRUSHED COCOA PODS, AND FLAVOURS LIKE CINNAMON, THEY CALLED IT THE 'FOOD OF THE GODS'."

We're all very aware of our energy consumption at the moment and the need to conserve energy whenever we can.

Our Mini Chefs are demonstrating a no-bake chocolate cake that you set in the fridge.

CAN YOU SEE IN THE DARK?
OWEN CREATES A DELICIOUS DISH FROM A SEASONAL FAVORITE.

SEASONAL COLESLAW
Serves 6

Recipe

INGREDIENTS

- 3 carrots, peeled
- 300g white cabbage
- 150g savoy cabbage
- 1 small red onion, peeled
- juice of 1 lemon
- 100g light mayonnaise
- 1 heaped tsp English mustard

METHOD

- Remove the core and slice the cabbage as finely as possible or slice using a food processor. Then slice the onion in the same way and mix with the cabbage in a large bowl.
- Grate the carrots, add to the bowl along with the chopped parsley, a few dollops of mayonnaise and the mustard.
- You can adjust the quantities of lemon juice and mayonnaise to how you like it. We just added the juice from one lemon and a few good dollops of mayonnaise. Season to taste, toss together and serve.

Neurodiversity Celebration Week

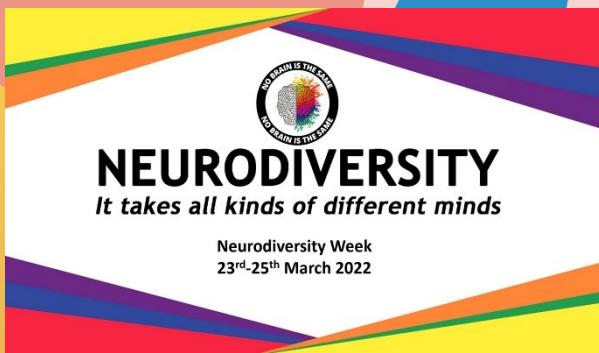

Neurodiversity Celebration Week

Neurodiversity Celebration Week is a worldwide initiative that challenges stereotypes and misconceptions about neurological differences.

It aims to transform how neurodivergent individuals are perceived and supported by providing schools, universities, and organisations with the opportunity to recognise the many talents and advantages of being neurodivergent, while creating more inclusive and equitable cultures that celebrate differences and empower every individual.

At Portland Place, we celebrated neurodiversity in various ways:

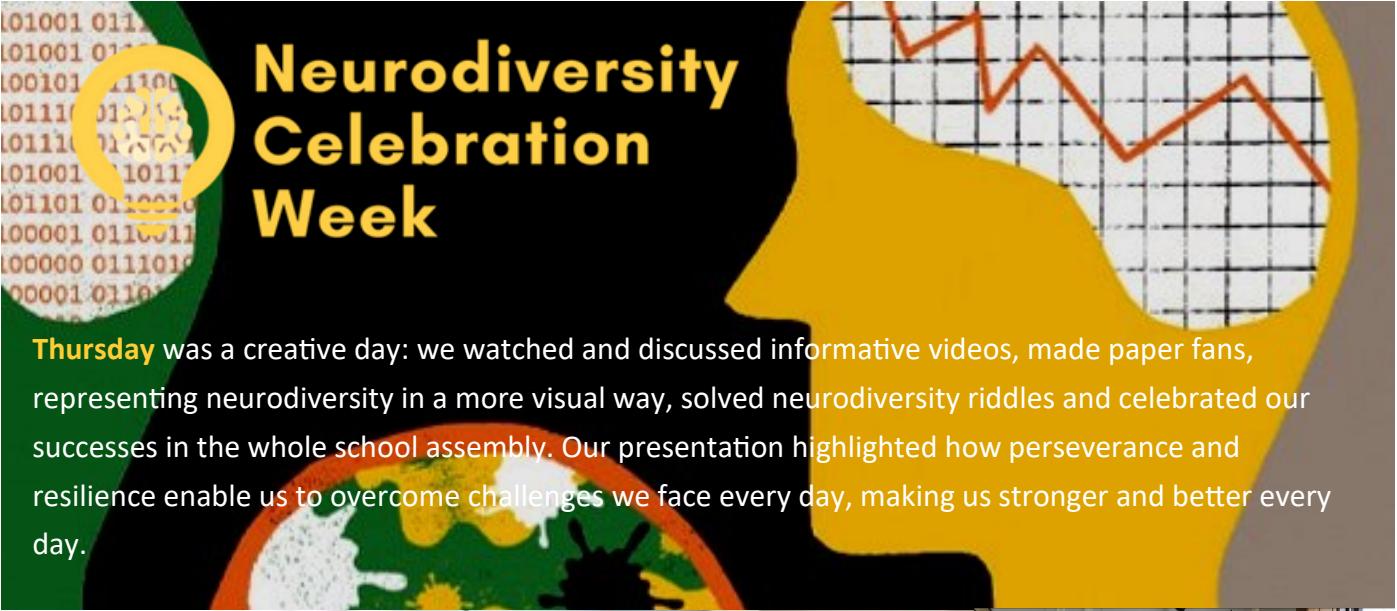

On **Wednesday**, we hosted a few speakers:

Our SENCO, **Mrs Pieri**, introduced the event and highlighted the values and advantages of our neurodivergent community.

Our Science Teacher, **Mr Bland**, explained the science behind neurodiversity.

Our guest/ parent, **Mrs Jackson Underhill** shared her extraordinary story of success and happiness as a neurodivergent learner.

Neurodiversity Celebration Week

Thursday was a creative day: we watched and discussed informative videos, made paper fans, representing neurodiversity in a more visual way, solved neurodiversity riddles and celebrated our successes in the whole school assembly. Our presentation highlighted how perseverance and resilience enable us to overcome challenges we face every day, making us stronger and better every day.

There was no other day as colourful as **Friday** during the **Neuro-diversity Week**: from clothes and accessories to cakes, cupcakes and other treats – the rooms and hearts of PPS have been filled with colour. **We are especially grateful to our amazing Parents who supported the Cake Sale on Friday** – it was fantastic to see you all in the canteen. Your support added an extra value to our celebration. Thank you all!

Dance Trip

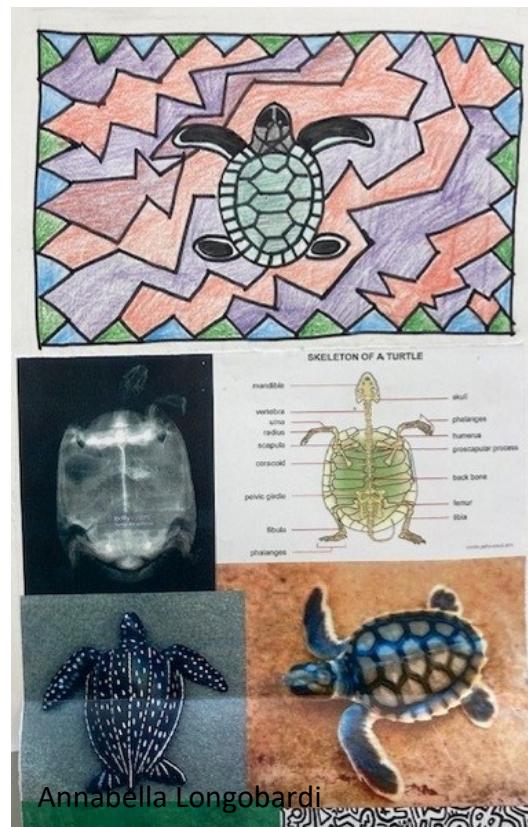

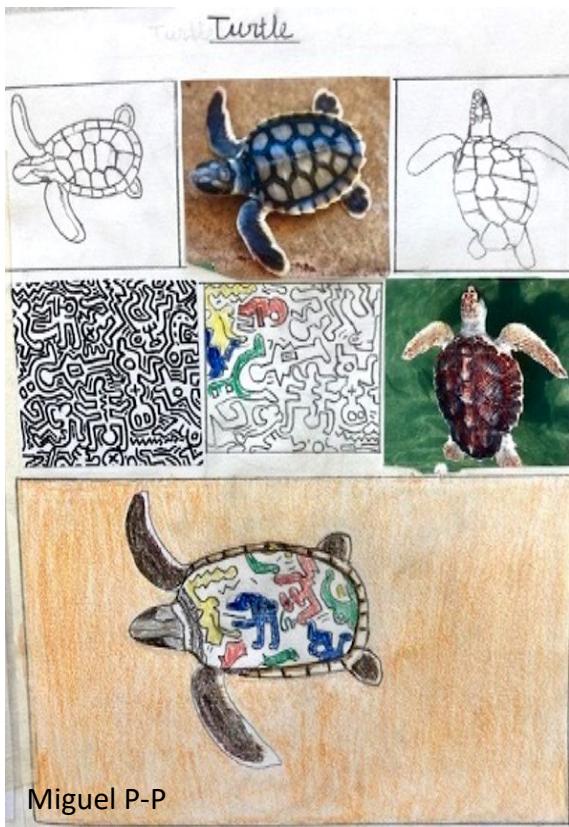

Before the performance, we were welcomed by Pizza Pilgrims in Covent Garden who treated our taste buds with mouth-watering Italian pizzas. Afterwards, we proceeded over to the Lyceum Theatre where we enjoyed the magnificent musical - The Lion King! It was so entertaining! The effects were breathtaking, and the dances were beautifully choreographed. We are so grateful that we had the opportunity to experience such a great evening out together. It was thoroughly enjoyed by us all and I am sure everyone took inspiration from the performance.

Last Thursday, 24th March, we celebrated our achievements, and a group of PPS dance enthusiasts enjoyed a fantastic evening out in the West End for their hard work and dedication in PE this term and in dance in particular. Among those on the trip accompanied by Miss Boyce and Ms Florea were **Mia Lipkin, Zaya Child, Olivia Solomou, Georgie Cox, Isabelle Alfeche, Bea Karn and Maria Birzhina**. A huge well done to the Year 8 girls who performed at the whole school assembly on Thursday which took huge amounts of courage. They, without doubt did themselves and Miss Boyce very proud indeed!!

POETRY ‘BLESSING’

Year 8 have been studying poetry from other cultures. Miss Hubner's class read **Imtiaz Dharker's** poem '**Blessing**' and had a very interesting and important conversation about how important access to clean, fresh water is. This led us to discuss all the blessings we have in our lives, from friends and family to the sports we play, our pets and the food we have to eat.

Here are some poems they wrote inspired by Dharker.

Pizza - A Blessing by Max Dawson

A stretch of dough

Rolled out nice and thin

Warm and comfy, like a haven
in snow

And if it's for two

Roll out one as new

Rolled out nice and thin.

Pizza can be anything.

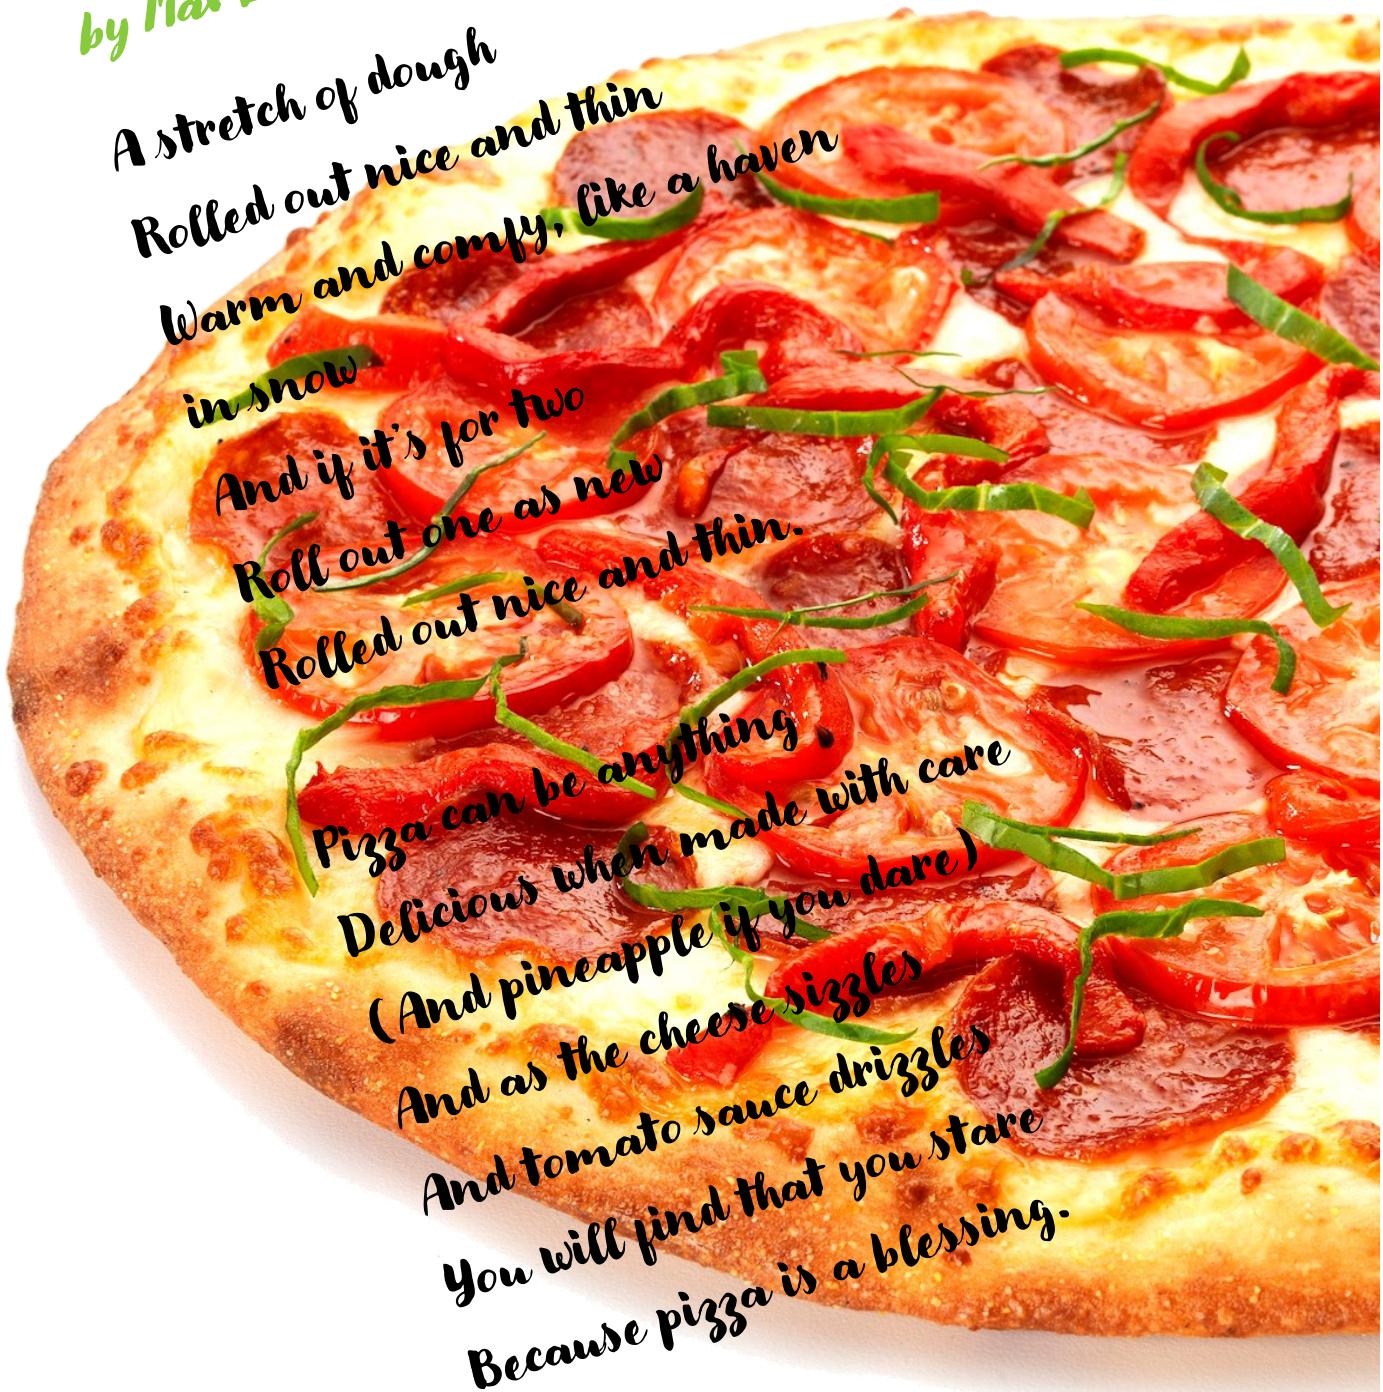

Delicious when made with care
(And pineapple if you dare)

And as the cheese sizzles

And tomato sauce drizzles

You will find that you stare

Because pizza is a blessing.

Blessings by Georgie Cox

Friends will bring you a helping hand
Family will be there to cheer you on
Friends will make you laugh when
you're bored
Family will provide the essentials
Friends will give you gifts
Family will make you feel proud
Friends will be by your side
Family will teach you and help you
learn
Friends will help during rough times
Family wants what's best for you
Friends want to always be there
Although both are essential to life.

Rugby or cricket, my third choice at best

Although playing these sports, should be a

Baseball or rounders are a great second option

They're really sublime

The background is a large, brightly lit banner for "Starpower INTERNATIONAL". The banner features a globe graphic and the words "Starpower" and "INTERNATIONAL" in large, colorful letters.

Mia had another accomplishment in dance over the weekend. She won a number of awards and accolades at the "Starpower" dance competition in London. (Starpower is an international dance talent competition circuit that has been running for 35 years on both sides of the Atlantic).

Mia won the 1st place and five stars/excellence for her solo performance in her age group.

She also received the highest overall score among all age groups (12 -19 years) and was awarded 'Title Champion' as well as a 'Special Judge's Award' for grace and plasticity. Along with several other children, Mia has been awarded a trip to the USA for a week of intensive professional dance training in July.

Year 9/10 House Rugby

On bright and sunny Thursday afternoon, PPS year 9 & 10 boys made their way to regents park for the highly anticipated house rugby tournament. It was a thoroughly enjoyable afternoon with some high-quality rugby on display from all houses. The majority of the games were closely fought and high scoring with a number of games ending with one house scoring one try more than the other! The opening round saw Wigmore take a 20 – 15 win over Devonshire & Langham beat Cavendish 25 - 20. Round 2 saw Wigmore and Cavendish draw 20 - 20 whilst Langham recorded a comfortable 30 – 0 win over Devonshire. In round 3 it was all to play for, Cavendish knew that a big win could still see them finish second, Langham needed to win to record a clean sweep and Wigmore would need to beat Langham to win the tournament and if they lost there was a chance pts difference would come into play. Cavendish raised their game in the final round and took an impressive 25-5 win over Devonshire after a slow start. Wigmore were on fire in the early stages of their game against Langham taking an early lead but key Player Edwin Hounkanli had something to say about that and when the final whistle went the score was 25-20 to Langham! When all the results were in the final results were as follows:

TOURNAMENT RESULT

- 1st LANGHAM
- 2nd CAVENDISH
- 3rd WIGMORE (on pts difference)
- 4th DEVONSHIRE

TOP TRY SCORERS

- Edwin Hounkanli – 6
- Jessy Fryer Jacobs – 5
- Sid De Rozario - 5
- Leo Newberry – 5
- Sonny Shelton – 4

Year 9 Rugby vs Harroldian

On a sunny and warm Friday afternoon at Harroldian, the PPS year 9 students went into a Tri-Tournament against Harroldian and Radnor. It was a tough day for the students but a very competitive tournament where the PPS students played Harroldian first. What a great game this was! Both teams pushed each other to the max, with defences holding out for both teams and both teams forcing mistakes. With only 20 minutes to play and no half times, it was great to see the students push themselves throughout the game. **Sonny Shelton** led from the front creating a number of opportunities for his team, breaking the line and offloading, forcing Harroldian back towards their try-line. With **Judy Boudry Ruzgar**, **Isaiah Boon Grey** and **Joel Gaya** hitting the defence up front and **Ethan Smither** and **Miles Sellens Flack** doing the playmaking behind the forwards, PPS came closer and closer to scoring. It came when Sonny Shelton got the ball in his 22m and ran through the defence only to offload the ball to **Charlie Wilson** who sprinted towards the try line and dotted the ball down.

After a close loss in the first game, it was time for PPS to face an old foe in Radnor. Another tough game saw Portland Place fall short of victory but it wasn't without a fight. Students like **Sonny Brendon**, **Sam Osborn** and **Albert Thompson** all putting in some fantastic tackles. It wasn't just defence though; with a fast-paced scrum half in **Felix Osgerby** pushing Radnor back and **Max Dawson** using his power to cause breaks in the defensive line, but the students were unable to take the victory.

Game 3 was a repeat of Portland vs Harroldian and yet again, it was a fantastic game between the students. With the players getting a little more tired, mistakes were bound to happen and this allowed both teams to take advantage. After a strong start from the squad, it was tough to take when Harroldian took a 10-0 lead, but this wasn't going to stop Portland Place from pulling back the game. After a break by **Lucas Parker** and a powerful run by **Luke Ahrens**, **Michael Wheeler-Ashurst** came close to bringing the team back into the game.

Sports report

It was from the resulting scrum that the try came about, with a strong shove and a nice little break by Felix, he was able to pop the ball to Sonny Shelton who handed off a couple of defenders and dived over the line. The comeback was on!!!! The PPS attack helped the comeback with a number of breaks by Ethan and Miles and some strong pick and drives by Charlie and Joel saw Harroldian fall off more tackles and start crumbling under the pressure. It was another scrum and another small break that saw Sonny S, once again take the ball and dive over the line.

With the clock, ticking into red there was a final opportunity for PPS to gain a victory. Being held out time after time, Portland were turned over before a knock on brought a final scrum. 10m from the try line, Ethan and his backs were talking about which move they were to use and Harroldian's defence were worrying about what was about to come. The scrum was solid, Felix pulled the ball out and flung it to Ethan who in turn popped it to danger-man, Sonny Shelton. Sonny broke two tackles but was held, the forwards piled over the ruck till Max Dawson picked up the ball and carried 3 players closer and closer to the line till the fourth brought him down. 3m from the line, Isaiah picked up the ball, keeping low he drove towards the line and with a massive cheer and shout he was over!!!! 15-10 and a last-second win!

It was a fantastic tournament for the students who learnt a lot about rugby and improved throughout the games.

Girls U12 Netball Match vs Thames Christian College (0 – 3)

Player of the Match – **Mia Lipkin**

It was a beautiful sunny day on Tuesday 16th March on our way to play to Thames Christian College school. In the line-up for the squad was **Avalon Smith (WD)**, **Mia Lipkin (GD)**, **Zaya Child (GS)**, **Maya Lachheb (C)**, **Yasmin Magomedova (GK)**, **Abi Taub (GA)** and **Angelica Morby (WA)**.

The girls started the game at a fast pace setting the tone for the rest of match. Mia and Yasmin were decisive on court and rallied together to prevent the opposition from attempting to score any goals from the get-go. They made some great interceptions in defence and made it very difficult for TCC to score. On the attack, Avalon, Maya and Angelica worked hard to get the ball to our shooting end where Abi and Zaya were on hand to try and score for PPS. The opposition got the better of us though and scored 3 goals despite Zaya and Abi having numerous attempts to put the score right.

All the girls worked incredibly hard for the entire game and learned so much in terms of how to improve for next time. Mia got awarded the player of the match which was so well deserved as she made so many fabulous interceptions when the opposition were on the attack. Special mention must also go to Yasmin who also played out of her skin in her position. I have no doubt that the girls will come back stronger next time and that their hard work will reap the rewards.

Well done to all the girls,

Miss Boyce

Year 9 House Swimming

On Tuesday 22nd May, the year 9 boys took part in their house swimming competition at the indoor pool at Oasis Leisure Centre. All the races, including the A and B races, were over 25m. Everyone that took part should be well-pleased with their efforts and there was some high-quality swimming on display, especially from **Luke Ahrens**, who displayed excellent all-round technique and pace, **Sonny Shelton's** impressive front crawl and **Albert Thompson's** superb backstroke. The race winners were as follows:

Backstroke A race: **Felix Osgerby** (Langham) 24.0 sec

Backstroke B race: **Michael Wheeler-Ashurst** (Wigmore) 30.8 sec

Front crawl A race: **Luke Ahrens** (Wigmore) 18.1 sec

Front crawl B race: **Sonny Shelton** (Wigmore) 16.7 sec

Breaststroke A race: **Luke Ahrens** (Wigmore) 25.4 sec

Breaststroke B race: **Albert Thompson** (Langham) 22.0 sec

Freestyle relay: **Miguel Peleteiro Paniagua, Luke Ahrens, Sonny Shelton, Michael Wheeler-Ashurst**, 1:24.0 sec

Congratulations to Wigmore, for a dominant display. The house points were as follows:

1st	Wigmore
2nd	Langham
3rd	Devonshire
4th	Cavendish
