# Lunch Menu

**Week 2 Lunch Menu**

**MONDAY**

**Main:**  
Chicken Arrabbiata Pasta

**Meat Free:**  
Veggie pasta

**To go with:**  
Broccoll  
Mushroom  
Kale

**Dessert:**  
Ice Lolly

**Tuesday**

**Main:**  
Chicken Pie

**Meat Free:**  
Vegan Pie

**To go with:**  
Carrots  
Cauliflower  
Green Beans  
Cabbage

**Dessert:**  
Pineapple Cake

**Wednesday**

**Main:**  
Gammon

**Meat Free:**  
Broccoli Pasta Bake

**To go with:**  
Honey-Glazed-Carrot  
Roasted Potato  
Cabbage  
Cauliflower  
Gravy

**Dessert:**  
Rice Cake

**THURSDAY**

**Main:**  
Beef Chilli

**To go with:**  
Courgette  
Rice  
Sweetcorn  
Tacos

**Meat Free:**  
Vegan Chilli

**Dessert:**  
Banoffee Pie

**FRIDAY**

**Main:**  
Pizza

**To go with:**  
Oven Baked Fries  
Crushed peas  
Baked beans

**Meat Free:**  
Pizza

**Dessert:**  
Flapjack

**The FUTURE of FOOD**

**ON THE MENU**  
☆ EVERYDAY ☆

## Growth Mindset

### Why should we have a positive self-talk?

At we start a new term, I thought I'd share with you one of my favourite resources. I strongly believe that it is important to ensure that we have a positive self-talk as it enhances our performance and general wellbeing.

Also, it can help our students shift their focus to what they can do and approach stressful situations with different coping strategies. Research has shown that a positive self-talk can improve self-confidence and motivation, while also reducing anxiety.

## Virtual Author Visit

Tom Palmer, author of the most popular Book Buzz book this year, *D-Day Dog*, will join us, virtually, on Wednesday 27<sup>th</sup> April during Period 4 to talk to Year 7 & 8 about his writing and his most recent book *Arctic Star*, which is dyslexia friendly. A number of his books are available to borrow in the library. I love how his books combine sports, history and even ghostly elements, while also dealing with contemporary issues. Read some samples of his work on his website. If you would like to order any of his books I can arrange this for you. Let me know by Tuesday next and I can arrange for Tom Palmer to send us some signed book plates to stick in. Please contact Mrs Carvalho on [belinda.carvalho@portland-place.co.uk](mailto:belinda.carvalho@portland-place.co.uk)

Tom Palmer

Do you like football, mysteries, ghost stories and books about war?

ZSL  
LONDON  
ZOO

**Enrichment**

This Wednesday, our group of 8 students inaugurated our cycle of educational visits to the London ZOO. We followed the Blue and Orange Routes, meeting and greeting tigers, lions, farm animals, monkeys and apes, camels, reptiles and butterflies, we had a sneak-peak at the penguins, too!

*Ms Coates*

### Reptile House

The Reptile House you can visit at ZSL London Zoo today was built in 1926. It was erected on the site of the Ape House, and two other Reptile Houses had existed previously, the first erected in 1849 (before ZSL London Zoo had even opened to the public) and the second in 1882. Among other key features, the Reptile House has differentiated heating to provide "hot spots" for the reptiles and "aquarium principle" lighting which means the visitors walk around in relative darkness and lighting highlights the animals in their environments

### Animal facts

Hullabazoo Farm is an interactive, up-close adventure, where little ones are able to meet and greet a whole host of farmyard friends, including miniature donkeys, pygmy goats, pigs, sheep, rabbits and guinea pigs.

### Animal facts

Sumatran tigers are the rarest and smallest subspecies of tiger in the world and are currently classed as critically endangered. Tigers are both good swimmers and climbers with powerful muscular builds and large claws. In order to catch prey, they hunt alone.

### Animal facts

One of the largest of the cat family, the Asiatic lion varies in colour from black and dark brown to sandy and grey. Adult males can weigh up to 190kg, while females can weigh up to 120kg.

### Animal facts

Famous for their pink feathers, the greater flamingo is also recognised by walking on its long two legs and using its extended neck to bob for food.

### Animal facts:

- Flamingos get their beautiful pink colour from the small animals that they eat.
- In the Zoo we feed a specially prepared diet that keeps them pink.
- Flamingos often stand on one leg. One reason is that it keeps the folded leg warm.

### Butterfly Paradise

### Animal facts

Bactrian camels, unlike their Middle Eastern cousins, have two humps. Able to withstand incredible temperatures ranging from 40C to -30C, they grow a dense shaggy coat that they shed in the spring to keep cool. They are the only land mammals that can drink salty or brackish water with no negative effects.

### Animal Facts

Penguin Beach recreates a South American beach landscape in the heart of London, with stunning colony of **Humboldt penguins**. The exhibit features a large pool with stunning underwater viewing areas so you can see how our flippers friends fly under water. The exhibit's 1200 sq metre pool holds 450,000 litres of water!

### Animal Facts: White Eastern Pelicans

A large bird with the famous pelican beak. This huge beak is characterised by the skin underneath that allows the pelican to hold large volumes of water. It has a large wing span and white features. These pelicans turn pink in spring! This is due to a change in diet and being ready to breed

**'ALEX WHEATLE WRITES FROM  
A PLACE OF HONESTY AND PASSION'**

**Steve McQueen**

*Director of 12 Years a Slave*

# CANE WARRIORS

**ALEX WHEATLE**

**— WINNER OF THE GUARDIAN PRIZE —**

My first impressions of the first four chapters of this book are that the slavery was horrible. I was really shocked at the things that happened back then like, whipping until the flesh has come off people's backs, and then wiping off the flesh in hot water. This really deepened my view of slavery in the eighteenth-hundreds and made me think more deeply about the matter. They speak in dialect, which is a bit difficult to understand at first, but you get used to it and you can really understand why the author put it there. I personally think he put them in to show the differences between the "white man" and the slaves. Another reason he probably did this would be to provoke thought about the identity of the slaves. These are my first impressions of the book *Cane Warriors*.

By Henry Hirst, Year 7

Portland  
Place

# News

My first impressions For When the Sky falls chapter 1 are quite good so far. We are introduced to the character of Joseph, an emotionally troubled boy who has just arrived in London in WW2, when bombs are still dropping. He is collected by his new guardian, Mrs F, a very gruff woman. Chapter 1 was enough to engross me and make me ask questions about Joseph's personality. I can't wait to read more!

By Idrees Haq, Year 7

# Science

Huxley demonstrating the blue bottle experiment. This is an example of a reversible reaction which we learning about in Year 10 Chemistry.

An alkaline solution of glucose acts as a reducing agent and reduces added methylene blue from a blue to a colourless form. Shaking the solution raises the concentration of oxygen in the mixture and this oxidises the methylene blue back to its blue form.

Link to video here (needs to be opened with VLC player): <T:\School Photos\Spring Term 2022\Science HSI\Y10 reversible reaction>

# Music Examination Successes

A massive congratulations to all the following students who sat Music examinations before the Easter break - the results are in and are very exciting!

**Maxwell Powell (Year 8) - Grade 1 Piano with MERIT**

**Jazz Pochon (Year 7) - Grade 1 Piano with MERIT**

**Angel Ellis (Year 11) - Grade 2 Piano with MERIT**

**Samara Mayers (Year 9) - Grade 2 Piano with DISTINCTION**

**Isabelle Alfeche (Year 9) - Grade 2 Piano with DISTINCTION**

**Enzo Pochon (Year 6) - Grade 2 Piano with DISTINCTION**

**James Mitcheson (Year 9) - Grade 3 Piano**

Special mentions for the following outstanding achievements:

**Susan Li (Year 7) - Grade 7 Piano with MERIT**

**Jemima Frances Hyam (Year 10) - Grade 8 Violin with DISTINCTION**

We very much look forward to more exam entries in the summer and to see these talents showcased at the concerts during this term.

# Sports report

On Monday 28<sup>th</sup> March PPS took a team of u15 badminton players to a mixed doubles tournament at the Sobell Centre with North Bridge House Canonbury school. The tournament saw 5 PPS pairs take on 5 Northridge house pairs, with each PPS pair playing each of the 5 different Northbridge pairs, then at the half way point each PPS pair would change and partner up with someone else. There was impressive Badminton on display throughout, with players demonstrating a wide range of skilful shots including well weighted drop shots, powerful smashes and some important clearance shots. After a number of well matched up games the scores were very even and the results in the final round of games would decide who would win the tournament. When final scores were calculated PPS ran out tournament winners with 18 wins to 15 wins! Well done to the whole PPS team who put on a great performance in their first ever competitive Badminton match against another school!

## Year 8 House Swimming

After 6 weeks of hard graft, learning different techniques and pushing themselves in the swimming pool, the Oasis Leisure Centre was about to witness the event of their year. From race one to the final race of the morning; the PPS students put everything into winning the House Swimming for their team. It was a small group of students with only 2 or 3 students in each house who were all ready to go.

The first race was a tight and well-fought race with only 1second splitting all four participants. The front crawl or freestyle was the first race and with it being most of the students favourite discipline, it was not clear to see who was to win. The lead went back and forth between a number of the participants, but it was **Jake Gadney** for Wigmore who took the victory winning the race in 23.58seconds. The second freestyle race was less of a tight race with **Tec Hennebry** of Devonshire winning in an impressive 20.50seconds.

With the freestyle done and dusted, it was time for the students to move onto backstroke. The first race was once again a tightly fought one with a second splitting the racers. Starting in the pool, the walking area was instantly drenched as four participants kicked as hard as they could to gain victory for their house. The lead changed between **Rory Grosvenor** of Cavendish and **Max Dawson** of Langham but it was Rory who took advantage of the tiring Langham swimmer to gain victory.

It was another convincing victory for Tec, who was able to gain Four more points for Devonshire as he glided through the water. The battle for second place was definitely the battle of the round with **Hazuki Kita** of Cavendish, **Danny Maclean** of Langham and **Arad Mohammadlou** of Wigmore who all battled closely for second. It was not until the tiredness got to Danny and Arad that Hazuki was able to take the 3 points for his house.

# Sports report

Points were up for grabs, students ready to battle the elements and next it was a number of the students' least favourite discipline: breaststroke. With morale high and Houses battling closely, it was a three-way battle for the top spot in the first of the races. Once again, Rory and Max headed the battle, but **Kit Jones** of Devonshire joined them. It was only a missed stroke by Kit that allowed the other two to get away with Rory, once again, pipping Max to first spot, finishing in 37.30seconds.

The second race was again a battle with only 3 seconds splitting the full field. With Devonshire, heading the table Tec had pressure on him to bring home the points but he did not let the pressure ruin his performance. With Danny and Arad breathing down his neck, the race was fought all the way through until the last flags. Tec was able to hold off the challengers and finished the race in 34.49seconds.

With the races ending, there was just enough time for the highly anticipated Relay race. With all the Houses able gain overall victory from the points on offer in the final race, there was no holding back. After a slow start from Devonshire, they were able to claw back the leaders to finish with a bang and take victory, beating Langham, Cavendish and Wigmore.

It was a fantastic House Swim with students working to be victorious for their team. The overall results were:

<b>Devonshire</b>	<b>20</b>
<b>Langham</b>	<b>18</b>
<b>Cavendish</b>	<b>14</b>
<b>Wigmore</b>	<b>10</b>

## Year 6 & 7 Basketball vs NBC

After a long week within school and with the sun shining outside, 8 students from Yr 6 and 7 took on a strong North Bridge squad in a game of Basketball. It was a great game between the squads with PPS starting at a slow pace. With captain **Taishi Kikuchi** leading from the front it was his foul and free throw points that started off the attack.

With Rugby fixtures behind them and athletics on the horizon the PPS boys ran the North Bridge team round the court, passing the ball, dribbling past defenders, and taking shots from a number of areas. It was like watching the Harlem Globetrotters.

In the first quarter, **Humphrey Boland** and Taishi were the leading scorers swishing the net until the score was 7-0 after the first quarter. Going into the second quarter, **Dexter Culpin**, **Tyson Douglas-Letts** and **Spike Culpin** were attacking quicker than Jordan, LeBron and Shaq, if they were in the same team. The defence to attack saw Tyson gain possession in dangerous areas and after missing a couple of shots to start with, he was able to score 4 points in the second quarter.

With **Joey Maclean** standing strong in the defence, it was Year 6 student, **Enzo Pochon** who was creating chances in the final third, pushing passes between defenders and allowing Taishi to break down the wing, where he was able to gain a couple of buckets. The third quarter saw the Culpin twins, Humphrey, Enzo and Taishi lead a stronger attack than previously. The passing between the players was superb, starting from the back, running into space and pressuring the opposition into making mistakes.

After a strong quarter where the students led 19-2 it was into the final quarter where the dominance in attack continued with not just Tyson scoring a few nets but Dexter and Enzo gaining a couple of points for the squad. With smiles on their faces, a strong defence and a dominant attack, PPS left the Seymour Centre with a fantastic team victory of 29-4.

## Year 6 & 7 House Swimming

On Monday 28<sup>th</sup> March PPS year 6/7 boys made their way to the Oasis Sports Centre to compete in their first ever House Swimming Gala! There was a cracking atmosphere at the event and with some thoroughly entertaining races. All the boys swam really well, showing off the skills they have developed this term. The relay race at the end of the event was extremely enjoyable to watch and was closely contested until the end. Special mentions go to **Taishi Kikuchi** who showed excellent technique, **Dexter Culpin** who worked hard in every race and encouraged his teammates throughout and **Henry Hirst** who won every race he competed in! For each round pupils scored points for their house and the final results for the yr 6/7 boys house gala were as follows:

### FINAL RESULT

1<sup>st</sup> – CAVENDISH

2<sup>nd</sup> – WIGMORE

3<sup>rd</sup> – DEVONSHIRE

4<sup>th</sup> - LANGHAM

### RACE RESULTS

#### Breaststroke Race 1

- 1- Henry Hirst
- 2- Dexter Culpin
- 3- Spike Culpin
- 4- Enzo Pochon

#### Backstroke Race 1

- 1- Henry Hirst
- 2 - Dexter Culpin
- 3 - Spike Culpin
- 4 – Stan Kenyon

#### Front Crawl Race 1

- 1 - Henry Hirst
- 2 - Tyler Lee
- 3 - Dexter Culpin
- 4 - Idrees Haq

#### Relay

- 1 - Cavendish
- 2 - Devonshire
- 3 - Wigmore
- 4 – Langham

#### Breaststroke Race 2

- 1 -Ted Evans
- 2 - Taishi Kikuchi
- 3 - Tyler Lee
- 4 - Joey Maclean

#### Backstroke Race 2

- 1- Enzo Pochon
- 2-Taishi Kikuchi
- 3- Ted Evans
- 4- Joey Maclean

#### Front Crawl Race 2

- 1 - Dexter Culpin
- 2 - Enzo Pochon
- 3 - Joey Maclean
- 4 - Abdulelah Rajeh

# Sports report

## Year 6, 7 & 8 House Rugby

During the final week of term, Portland's youngest pupils took part in a touch rugby house tournament. This was a mixed age group and gender match-up played in a round-robin format, with the winner decided on points and then try difference. 6 touches forced a turnover, with no kicking allowed; this was very much a running and passing game. Conditions were ideal, with warm sunny weather and there was some excellent attacking and defensive play on offer.

In round 1, Cavendish succumbed to Langham 10-20, whilst Devonshire secured a single try win over Wgmore, 15-10. Langham continued their winning ways with a 15-10 win over Wigmore and Cavendish defeated Devonshire 10-5. In the final round Langham made it 3 out of 3 with a 15-10 victory over Devonshire. Wigmore got the better of Cavendish 10-0.

Portland  
Place  
School

# Sports report

This meant that Langham took full honours with a maximum 9 points, thanks in no small part to some superb performances from **Humphrey Boland** and **Max Dawson**. Wigmore, Devonshire and Cavendish all finished on 3 points, but Wigmore's goal difference of 0 put them second overall, whilst Devonshire's -1 placed them 3<sup>rd</sup> and Cavendish's -3 meant they finished 4<sup>th</sup>.

Well done to Langham and everyone in that team, although each match was very closely contested and Langham by no means ran away with any of their matches.

**Spike Culpin** of Wigmore was the day's top scorer with 5 tries. **Tec Hennebry** of Devonshire bagged 4, as did **Humphrey Boland** (Langham). **Hazuki Kita** (Cavendish) and **Danny Maclean** (Wigmore) touched down 3 times each.

## Y10 Basketball vs North Bridge House Canonbury

Thursday 24<sup>th</sup> March – Home match PPS Vs North Bridge House Canonbury

Squad list: Grace Bradshaw, Isabella Trautman, Isabella Corney, Violet Brodie, Anastasia Dillon-Demosthenous, Lana Tuite and Maryam Alebri.

On Thursday 24<sup>st</sup> March, PPS girls had a basketball fixture against North bridge house Canonbury. The PPS girls had an excellent start to the match with some great defending skills but unfortunately NBHC were very dominant and were quick to start scoring baskets. PPS finally got into their stride and were becoming more switched on to prevent NBHC from scoring. We saw some impressive defensive play from **Anastasia, Isabella Trautman and Isabella Corney** who managed to intercept the ball on numerous occasions. **Lana, Maryam, Violet and Grace** were pivotal in attack leading to some all-important points. Despite losing 30 – 16 the girls made a great come back and took their loss on the chin. Well done to all those involved!
