## YA BOOKS FOR BLACK HISTORY MONTH & EVERY MONTH

**Recommended reads for Black History Month 2022**

**The English Department recommends this list - many of these titles are available in the library now - happy reading!**

**<https://www.epicreads.com/blog/black-history-month/>**

Prizes to  
be won!

## Black History Month October 2022

The English Department invites pupils from KS3 and KS4 to enter a creative competition to celebrate Black History Month.

### KS3

Students should design a book cover for a title written by their favourite Black author. It should include a blurb too! Submissions can be digital or hand-drawn.

### KS4

Students should write a 500 word literary non-fiction essay about an influential figure from any time in Black history. This can be about anyone you admire, from artists to musicians, sportspeople, activists or other historical figures.

KS3 works will be displayed in the school and the KS4 winner will be published in the Weekly Buzz. Please submit your entry to your English teacher by **Monday 10<sup>th</sup> October**. Please ensure that all ideas are your own.

## Poetry

**The English Department is delighted to announce the winner of the National Poetry Day Competition 2022 - Clara in Year 6 for her 'Earth Poem'. Judges were impressed by her use of rhyming couplets and personification. Congratulations Clara!**

Earth is our home, our planet, and our mother,  
There is only one of her, there will never be another.  
Earth is paradise, clear oceans and snow-capped mountains,  
Fields are blankets of green, waterfalls are earth's fountains.  
But humans took a toll on Mother Earth's health and beauty,  
Humans had one task, one thing to do, one duty,  
To keep our planet clean, yet that we fail to do,  
Our earth is a globe, once green, once blue.  
But now thousands of factories pollute the air,  
We humans carry on without a care  
Our earth was once beautiful, so happy and clean  
But mankind has polluted her, by hand and machine  
Why can't we open our eyes and see  
That we need to stop, to set our earth free.

## Y8 visit to The Wallace Collection

This week Y8 students visited **The Wallace Collection**. Alongside team-building activities, they had a scanning exercise on history and the contents of the assemblage.

**The Wallace Collection** is a national museum which displays the art collection brought by the first four marquesses of Hertford and Sir Richard Wallace. It was bequeathed to the British nation by Lady Wallace, Sir Richard's widow in 1897 and is now free to visit.

The Wallace Collection is displayed at **Hertford House**, formerly the principal London residence of the marquesses of Hertford and Sir Richard Wallace. It was open to public as a museum in 1900.

## The Wallace Collection

Among the Collection's treasures are an outstanding array of eighteenth century French art and many important 17<sup>th</sup> and 19<sup>th</sup> century paintings, medieval and Renaissance works of art and one of the finest collections of princely arms and armour in Britain.

## The Wallace Collection

The collection of princely arms and armour is one of the jewels of the Wallace Collection. Although some objects were meant for combat, many are beautiful examples of the armourer's art and were made for rulers and nobles across the world, from Shan Joan, Mughal emperor, to Ferdinand I, Holy Roman Emperor.

The Wallace Collection is home to an extraordinary group of European paintings, which covers a range of subjects, from landscapes to portrait. It is remarkable for its quality and breadth, and includes masterpieces by artists such as Canaletto, Hals, Rembrandt, Rubens, Velazquez, and Vigée le Brun, to name a few.

### The Wallace Collection

We ended our tour in the patio of the museum, enjoying the delicious desserts. We will come back for some creative writing later this year!

## U16 Football vs North Bridge House Canonbury

### PPS 5 v 1 North Bridge Canonbury

On Wednesday 28th September PPS u16's took on North Bridge House School in a high-quality game of football. The boys got off to a fast start and looked dangerous going forward with the front 3 of **Kai**, **Rudy** and **Edwin** all causing North Bridge issues with their pace. Despite their early dominance, PPS looked a little nervy at the back in the early stages and were lucky not to concede after some poor attempted clearances. After a frantic period, PPS settled and took the lead through **Jesse** who showed good composure to direct a well-placed effort into the back of the net. PPS continued to press and look for more and got a second through **Edwin** who scored a rare header from a corner. The boys looked comfortable and knocked the ball around well, at times, but North Bridge did have some positive periods to keep the boys honest and remind them the game was not over at 2-0. The score remained 2-0 at half time.

In the second half the boys put together some nice passing moves and created some good half chances. It wasn't long before **Kai** scored with a close-range effort. Five minutes later **Jessy Fryer Jacobs** scored the goal of the game when he picked the ball up on the right flank, beat two players, cut inside, and lashed a powerful effort into the roof of the net. 4-0 to PPS with 20 minutes remaining. PPS rotated and tried some players in different positions in preparation for their upcoming Lisbon football tour but continued to play positive football. Northbridge managed to score after a miscommunication in defence, but **Rudy** replied quickly, showing great composure in a one-on-one situation with the keeper. 5-1 to PPS the final score.

This was an excellent performance from our u16 boys, particularly in attack. PPS were a constant counter attacking threat with their pace and energy and made North Bridge work hard off the ball. PPS did look a little rusty at the back, there were some early errors that could have been punished but they grew in confidence as the game went on. **Jessy** scored two very well taken goals. **Raiyan** had a superb game at fullback, making key interceptions and providing an attacking threat. Man of the match goes to **Rudy** whose work rate was second to none. He covered a lot of ground, pressing the defenders and running in behind and it was pleasing to see him get a well-deserved goal!

## PPS U14 Netball Vs North Bridge House Hampstead

The year 9's took on North Bridge House Hampstead this week at Regent's Park Tennis Club. Representing the team were **Cora, Olivia, Kadi, Marta, Ella, Georgie** and **Tess**.

The rivalry was fierce, and the girls were ready to make their mark. The game started at a fast pace, and this did not stop until the final whistle. NBH certainly got the better of us in the first 2 quarters making it very challenging for PPS to get comfortably into the game. With a few changes to positions, PPS started to make it harder for NBH and scored 3 great goals by **Olivia** (2) and **Kadi** (1). **Marta** held her own at the back and the girls worked really hard to defend their end. **Cora** was fabulous in centre and was on a mission to intercept key passes to get us back on the attack.

Despite all our efforts, the game finished 16 to 3. **Olivia** was chosen as player of the match, and I was very proud of the way the girls composed themselves and got back into the game.

Well done to all!!

## U14 Football vs North Bridge House Hampstead

Portland's Year 9's, with two Year 8's included, to strengthen the squad, took on North Bridge House at Regent's Park on Monday 3<sup>rd</sup> October. It was a short match as North Bridge were working to a tight schedule with only around 45 minutes of playing time. But it was all-out action throughout, most of which, unfortunately, took place deep in Portland's half. North Bridge dominated territory and possession right from the start. They passed the ball slickly, displaying excellent movement off the ball, good awareness, and superb ball control. These factors combined meant that Portland saw little of the ball, and when they did gain possession, they were closed-down and dispossessed.

Portland defended bravely, with **Hazuki**, playing at centre back, making many tackles and last-gasp, goal-saving blocks. He was assisted well by **Max**, who was very strong in the tackle and won some fine headers. **Rafer**, at right back, had his hands full, but showed great tenacity in sticking to his task.

The boys held out for the first half, which was a great accomplishment considering the North Bridge dominance, but after about ten minutes of the second half North Bridge took the lead. To a small extent this opened the floodgates and Portland conceded three more, making the final score 0-4. Although this was a heavy defeat, the PPS team defended very well. They stayed compact at the back and forced North Bridge to play some excellent football. Relentless defending is hard to do, but unfortunately, Portland's midfielders could not retain possession and therefore the boys had no foothold in the match.

## U13/14 Netball vs North Bridge House Canonbury

Regent's Park tennis courts saw a fantastic game of Netball between Portland Place School and North Bridge Canonbury, as the PPS squad fell short losing 9-12 on a wet and cold day.

With the sun shining at the start of the game it seemed that the U13/14's team were ready and raring to go as they waited patiently for their opposition to turn up and after a little wait the game got under way. It was a very broken start to the game as each team struggled to put a string of passes together and it got worse as the heavens opened and the rain came down.

It took many moments to get the game started and with PPS falling behind there was some fantastic movement and passing from **Jazz**, **Olivia** and **Kadi** allowing **Marta** to find space in the attacking zone and score the first of her nets. The score started a flurry of shots from both teams some of which were off target and after falling behind the PPS students started to increase their movement and communication to allow both **Kadi** and **Marta** to pull the defence apart and bring the sides level.

The quarter had come to an end and the rain was still pouring down, but the students were relentless with their attacks. With some new players on the court, **Cora** started playing Centre, **Maya** at Goal Shooter and **Kansas** at Wing Attack to bring some fresh ideas to the squad. All three had an immediate effect on the play. Cora was very energetic in the centre of the court moving around her thirds creating space for her to move the ball forward. She made a fantastic pass through to **Kansas** and then onto **Maya** who calmly took her time and hit a fantastic net.

Portland place carried on with some fantastic passing but then there seemed to be some issues where a number of balls being intercepted or dropped and this saw PPS yet again slowly start falling behind and it was a catch-up game again.

During the match there were some fantastic performances in the defensive areas especially from Goalkeeper, **Yasmin** who took no prisoners, as she stopped each North Bridge Goal Shooter from managing to get any nets. As well as this, **Bibi** showed a fantastic performance as she was up against a very good Wing Attack.

# Sports report

The third quarter started, and it was the U13's players who started to come forward with **Zaya** and **Mia** both showing outstanding movement throughout the quarter both in defence and attack. With the squad down by 3 it was a tough ask for them to get on level terms, but the students were not going to be completely defeated. With Marta, Kadi and Mia all in the attacking thirds, PPS continued to knock on the door, and they were rewarded as both Marta and Kadi were able to close the gap with a couple of nets.

It was 8-11 going into the final quarter and with a few changes of personnel PPS started off with a bang with Kadi once again taking advantage of some fantastic passing from the whole team as she was able to get the students back into the game. With time running out and the rain starting to pour again, PPS were unfortunate to let the game slip away from them and were unluckily defeated in what was a fantastic game.

## PPS U13 Netball Vs North Bridge House Hampstead

In the U13 netball team representing PPS were **Abi, Avalon, Jazz, Mia, Bibi, Maya, Zaya** and **Yasmin**. The game got off to a rough start with North Bridge House Senior School making sharp impactful passes that lead to 4 goals in the first quarter. PPS tried hard to make a comeback with a switch in positions, but NBHS made it difficult for PPS to get possession of the ball. **Jazz** gave it her best shot to get each centre pass off to a good start, but NBHS fought back even stronger. **Yasmin, Avalon, Abi** and **Bibi** worked hard in defence, but NBHS were relentless in their efforts. In the next few quarters, PPS still could not get a goal but didn't lose faith. **Mia** and **Maya** made some great passes on the attack trying to get the ball down to **Zaya** and **Bibi** to get a shot on goal. Despite these efforts PPS unfortunately lost the game, but this will no doubt make the team stronger for their match. Well done girls!!
