## Optimistic October

The month of October is always one of the best times of the year to celebrate life's joyful little moments.

This calendar created by Action for Happiness has wonderful ideas about how we can create a sense of happiness and inner joy.

Ms Florea

SATURDAY

FRIDAY

1 Write down three things you can look forward to this month

2 Find something to be optimistic about (even if it's a difficult time)

3 Take a small step towards a goal that really matters to you

4 Start your day with the most important thing on your to-do list

5 Be a realistic optimist. See life as it is, but focus on what's good

6 Remind yourself that things can change for the better

7 Look for the good in people around you today

8 Make some progress on a project or task you have been avoiding

9 Share an important goal with someone you trust

10 Take time to reflect on what you have accomplished recently

11 Avoid blaming yourself or others. Find a helpful way forward

12 Look out for positive news and reasons to be cheerful today

13 Ask for help to overcome an obstacle you are facing

14 Do something constructive to improve a difficult situation

15 Thank yourself for achieving the things you often take for granted

16 Put down your to-do list and do something fun or uplifting

17 Take a small step towards a positive change you want to see in society

18 Set hopeful but realistic goals for the days ahead

19 Identify one of your positive qualities that will be helpful in the future

20 Find joy in tackling a task you've put off for some time

21 Let go of the expectations of others and focus on what matters to you

22 Share a hopeful quote, picture or video with a friend or colleague

23 Recognise that you have a choice about what to prioritise

24 Write down three specific things that have gone well recently

25 You can't do everything! What are your three priorities right now?

26 Find a new perspective on a problem you face

27 Be kind to yourself today. Remember, progress takes time

28 Ask yourself, will this still matter a year from now?

29 Plan a fun or exciting activity to look forward to

30 Identify three things that give you hope for the future

31 Set a goal that brings a sense of purpose for the coming month

## Numeracy at PPS

This week we invite you to exploring our Literacy and Numeracy webpages where we continuously update information. You can find the links to relevant resources, research, students' work and competitions.

### What is numeracy?

*"The skills and attitudes that everyone needs to use numbers and data to make good decisions"*

#### SO MUCH MORE THAN COUNTING!

- Identifying structures and relevant data
- Being systematic
- Searching for patterns
- Thinking logically
- Predicting and checking
- Breaking down problems into smaller parts
- Interpreting solutions in context of a problem
- Estimating to check likelihood of answers

### Who is involved?

*Everyone: students, teachers and parents. By working together to recognise numeracy and practising the skills, everyone improves their numeracy.*

**This year there will be a big emphasis on improving numeracy across all year groups.**

Everywhere. Students encounter numeracy in all subjects across their school life but we all use numeracy skills every day, often without even realising it. The examples are endless, but include telling the time, working out the best deals in supermarkets and deciding whether news articles are reliable.

## To the 'Manor' Born

What a wonderful first performance of the year for the Creative Arts Faculty this week!

Haunted House provided an incredible end to a very busy half term at PPS. The event, hosted by Year 6 & 7 students, showcased Y7 work from all the creative areas - Drama, Music, Art, and Design, which collaboratively brought together a truly memorable evening,

This was the first live Haunted House since the pandemic, and what a return to the calendar it proved to be. The decorations completely transformed the Portland Place building to the ghostly 'Darkwood Manor' and set the perfect scene for an evening of immersive theatre, directed by Tom Noble and Alexa Judd.

The atmosphere was electric, largely in part to the impressive turnout from parents and staff, and we thank you for your support. The eerie minimalist music compositions created a chilling backdrop to the performances, complemented by the framed portraits created during the Year 7 Art and Design lessons.

A frankly 'spooktacular' evening was enjoyed by all and we very much look forward to next year's return of Haunted House. A huge thanks to the Creative Arts Faculty for their efforts.

DIG DEEP, LOOK CLOSER, THINK BIGGER

**BLACK HISTORY  
MONTH:**

**October 2022**

**Assemblies at  
PPS**

## Questions to think about...

- ♦ What is Black History Month all about?
- ♦ Why has it remained important to celebrate the contributions and achievements of black people in the UK?
- ♦ What is the theme of Black History Month 2022?
- ♦ Why might this theme have been chosen?
- ♦ Can you recall some key events a) in the UK b) elsewhere in the world that may have made this year's theme necessary and relevant?
- ♦ How can our school celebrate diversity throughout the year so that students and teachers from minority backgrounds feel more valued and a part of the school community?

## What is Black History Month? Why do we celebrate it?

- ♦ October, Black History Month in the UK, a month to highlight the achievements of the Black community, celebrate their contributions to the UK and learn about the important Black historical figures who helped make Britain what it is today.
- ♦ In the UK, Black History Month was first celebrated in October 1987.

## How did Black History Month start?

- ♦ In 1976, US Black History Month was officially recognised by President Gerald Ford.
- ♦ BHM in the UK was organised through the leadership of Ghanaian analyst Akyaaba Addai-Sebo.

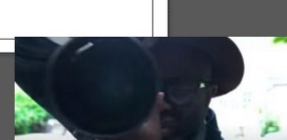

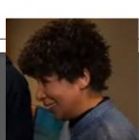

To celebrate UK Black History Month, here's a video of some of the incredible **trailblazers** who paved the way for today's generation.

There is much progress to be made but history shows that one person opening a door creates an opportunity for others to walk through.

<https://www.youtube.com/watch?v=pkW3xe4TQ84>

## Black History Month: Heroes // Nicola Adams

- ◆ Trailblazer Nicola made history as the first woman to win the Olympic gold medal for boxing.
- ◆ She won a second gold medal in 2016 at the Rio Olympics in Brazil.
- ◆ She was also the first openly LGBTQ boxer to win a medal.
- ◆ Up until 2012, the Olympics didn't allow women to compete in boxing, so Nicola was fighting stereotypes to earn her place in the ring.

## Black History Month: Heroes

*Do you know any acclaimed Black British person? Are you able to say how they contribute(d) to British life? What were/ are (if they are still alive) their achievements?*

Thank you to Michael in Year 10 for being so thoughtful to others, both students and staff alike. We observe lots of acts of kindness by you. —Admin team

## PPS U13's vs North Bridge House Hampstead B's

On Thursday 6<sup>th</sup> October PPS u13's took on North Bridge Senior in an action-packed game of football. PPS dominated the early stages and took an early lead through **Spike** who tapped in from close range. The boys looked solid in defence, making excellently timed tackles and clearances as North Bridge struggled to create chances in the early stages. For PPS it was the opposite. The boys hit the woodwork on 3 occasions but kept their composure and played some excellent football. By half time PPS were 3-0 up with **Spike** scoring a well taken finish from a tight angle and the boys also forced Northbridge into an own goal.

In the second half the boys maintained their high energy levels and composure on the ball. **Humphrey** scored with a superb low drive to take it to 4-0 before North Bridge replied with a superb long-range effort out of nowhere. This increased North Bridges confidence for a period and PPS scored an unfortunate own goal. However, the game was put to bed when **Spike** scored for his hattrick, the final score 5-2 to PPS.

This was a very positive match for our u13 boys. The solidity in defence was particularly pleasing to see, with **Joey**, **Taishi** and **Harrison** all having very good games. In attack **Humphrey** was a constant threat and **Joe** worked extremely hard both on and off the ball. Player of the match goes to **Spike** who scored a hattrick and put in an excellent all-round performance. Well done boys!

## U13/14 Football vs North Bridge Canonbury

Portland's combined Year 8's and 9's faced a very strong North Bridge Canonbury earlier this week in a 7-a-side match at Regent's Park. From the first whistle it was evident that the North Bridge girls had played a good deal more football and were set to dominate the game from start to finish. Portland's girls took a little time to adjust to the pace and physicality of the North Bridge VII, but **Rosie** and **Yasmin** both defended strongly and **Kadi** did well in goal. Despite their best efforts the goals started to come and North Bridge were 4-0 up before Portland responded. **Mia's** introduction to play was a huge positive boost for the PPS girls, with her speed and competitiveness and it was her through pass down the right side that enabled **Jazz** to finish superbly, shooting at the near post whilst being tackled from her left.

That proved to be the high point for Portland, although by the second half they were competing more evenly with their opponents, conceding just two more goals.

**Isabelle** did very well once she moved forward into the midfield and **Olivia** had much more success in attack on her re-introduction to the field, in the second half. These kinds of matches can be tough lessons, but the girls showed good improvement and will have easier games this season.

## U15/16 Football vs North Bridge House Hampstead U15's

After winning their first two games convincingly and starting to gel as a team, it was a hard fall from grace as North Bridge came to Regents Park looking to give Portland Place's Senior squad a challenge that they haven't had thus far.

With two fixtures down for the season and both bringing 5 goals to the squad, it was a mix of the weather and missed opportunities that saw North Bridge come away with a victory on a wet and slippery day. After controlling the first part of the half PPS started to move the ball making the North Bridge defence chase shadows as both **Tom** and **Ethan** passed the ball around the centre with ease.

Breaking down the defence of the opposition seemed to be the difficulty for the squad with **Lloyd** and **Edwin** both struggling to get that final pass or shot off. But this came to an end as a slick move that consisted of the complete front line saw **Jessy** let rip with a sweet shot off his left boot that unluckily drifted over the top of the goal. The half continued this way with **Kai** causing issues down the right of the midfield and PPS dominating possession, but the parked bus made by the opposition was not ready to depart the station.

Portland Place, although dominating up front, were also quite strong in defence with **Teddy**, **Sid**, **Roberto** and **Leo** all using their different skills to hold out and leave North Bridge with very few attacks on **Jesse's** goal.

# Sports report

Heading into the half time oranges, the Senior squad came together to put the North Bridge defence under a large amount of pressure, but this was to no avail with a number of shots skidding across the floor, missing the target or being hit straight at the thankful keeper.

It was then that the heavens opened, and Regent's Park was hit with a huge rain-storm. Moments were spoken about, advice was given and with Mr Steward's Welsh accent ringing in the squad's ears, they came out with a bang, pressuring the opposition and turning defence into attack on a number of occasions.

With **Rudy, Sonny** and **Lawton** coming onto the pitch, it gave the PPS team a different dimension of play and it nearly worked as a break down the left saw Jessy, Edwin and Lloyd scramble for a shot but it was Rudy who got the ball and unfortunately miss the target. This was the vital point in the game; this was where the game was won and lost and unfortunately for PPS it went the way of the opposition. After a break away from the centre of the midfield the North Bridge attacker was clear on goal and even with a diving attempt to tackle by **Raiyan**, PPS were unable to stop the ball from hitting the back of the net.

A member of the backroom staff said:

**"It was a tough loss for us to take. We dominated throughout the game and we got caught with a counter attack but we are really proud of the way we played. We have things to work on and areas that we have to get better with but there is a long way to go through the season."**

## PPS U15/16 B's vs North Bridge House Hampstead U15/16 B's

On Wednesday 5<sup>th</sup> of October PPS u15/16 B team took on North Bridge in a closely fought and physical game of football. In the early stages PPS had the majority of possession but the game was scrappy as both teams fought hard defensively. As the game progressed PPS did create a few early half chances but the game was very closely fought, with the majority of the action happening in the middle of the pitch. In the first half **Olivier** made some good runs with the ball, **James** and **Lucas** worked hard in attack showing good physicality, **Felix** looked very composed when under pressure and **Harry** was having his best game in a PPS shirt to date. The score remained 0-0 at half time.

PPS had a fast start in the second half and started to get more possession in the attacking third. **Oscar** created some problems for North Bridge with his direct running down the right wing and **Kareem** showed neat footwork and passing skills in central midfield. PPS took a deserved lead through **Leo** who struck a powerful effort into the bottom corner from the edge of the box. The game remained close, North Bridge continued to press for a goal, but **Gene** and **Harry** looked as though they would never be beaten at centre back! However, unfortunately this was not the case, in the last minute of play North Bridge scored a fortunate close-range effort from a cross to make it 1-1, PPS did not have time to reply and the score remained 1-1.

This was an excellent test for our u15/16 B team. The boys showed great commitment, channelled aggression, and camaraderie throughout. The defensive performance was very impressive, but the attacking play was a little erratic at times with numerous passes going astray – this is an area to work on for all our B team players. **Kareem** was excellent in mid-field, **Harry** put in a colossal performance at centre back making numerous big challenges and clearances. Player of the match goes to **Gene** who showed great composure and organisational skills – he barely put a foot wrong all game!
