African Hunting Dogs

ZSL HUNTING DOGS

PROBLEM
The present day range of African hunting dogs has reduced to just 7% of its former distribution.

BACKGROUND INFO
• African hunting dogs hunt by persistence long periods.
• They are vulnerable (suffer) at short intervals for hunting and resting, due to high temperatures. They cannot hunt at night or in the dark.
• Hunter hunting periods and longer activity lead to the successful hunt.

RESEARCH QUESTION
Is climate change causing hunting dog populations to decrease?

METHODS
• Between 1980 and 2000 scientists studied 75 packs of African hunting dogs across Botswana, Namibia and Zimbabwe.
• 30% of hunting dogs and cubs for these areas were also recorded with a GPS collar and GPS collar. The collar is a lightweight plastic device to track the pack and

Climate change caused shorter hunting periods. As a result, the species have been depopulated.

Extreme weather changes cause the mangrove habitat to decrease.

Year 10/11 Girls Football House Tournament

Well done to all those who participated in the Girls football house tournament this week. Years 9, 10 and 11 came together to battle it out for their respective houses. The players were organised into their houses and the tournament began, using a round-robin format. Each house was to play each other once in 5-minute games, with the winning house accumulating the most points and goals from their three matches.

Game 1: Cavendish 1, Devonshire 2

Bella got the game off to a bang with the first goal and **Lana** sealed the deal to make it 2 for Devonshire. **Maryam** claimed the only goal for Cavendish, but it was a very close game.

Game 2: Langham 2, Wigmore 4

This game was a high scoring one full of anticipation. **Grace** put Langham in the lead and **Alex** added to this score line making it 2. We saw some great defending by **Anastasia** and **Lingyi** showed some great control on the ball. However, despite these efforts, Wigmore were too strong and got 4 goals in the back of the net by **Kadi (1)** and **Marta (3)**. We also saw some great saves made in goal by **Kyra** to seal the win.

Game 3: Cavendish 3, Langham 0

Cavendish bounced back from their loss with a hotly contested victory over Langham thanks to 3 goals from **Olivia** who played an absolute screamer of a game. Adding to this, **Georgie** got herself a cheeky goal to her surprise. It was clear that the team were really finding their feet and getting comfortable on the ball. Despite some great defending, Langham failed to score.

Sports report

Game 4: Devonshire 1, Wigmore 1

It was a very tight game and we saw lots of great skill on the ball.

Lana scored a great goal through the legs of **Jemima**, much to her disgust, but this made her even more hungry to put this right with a big effort on the pitch and many chances on goal. Wigmore did pull things back with **Marta** scoring another, ending the game in a draw.

Game 5: Cavendish 2, Wigmore 0

Olivia was back on the attack with the help of her team getting 2 more goals on her tally score. Wigmore worked hard for an equaliser but could not break down Cavendish's defence.

Game 6: Devonshire 4, Langham 0

The last game did not disappoint, and goals were flying in for Devonshire who made it look easy. We saw goals from **Ella**, **Lana (2)** and **Jemima** sealing the win for Devonshire. Unfortunately, Langham just couldn't score.

This was a highly enjoyable tournament, played very competitively, with some great football on display. It was pleasing to see everyone play with such commitment, enthusiasm and quality.

Position	Results Table	Wins	Draws	Losses	Goals Scored	Points
1	Devonshire	2	1	0	7	7
2	Cavendish	2	0	1	6	6
3	Wigmore	1	1	1	5	4
4	Langham	0	0	3	2	0

Radnor House Vs PPS u13's

Radnor 2 v 4 Portland Place

On Monday 28th November PPS u13s made their way to Teddington to take on Radnor House School in high scoring game of football!

PPS started well, making important well-timed tackles in defence and putting together some dangerous looking attacking moves early on. However, it was Radnor took the lead against the run of play after 5 minutes. PPS did not let this affect them and five minutes later equalised through **Humphrey** who powered a low effort into the keeper's far corner. PPS were pressing for a second when Radnor again scored against the run of play. PPS started to show their frustration for a short period, forcing passes that weren't on and trying to take people on at the wrong time, but once they realised this and went back to playing composed football, the equaliser came quickly. **Spike** scored an excellent half volley into the top right corner. 2-2 at the break.

At half time the boys knew they should probably be in the lead and spoke about the importance of maintaining focus in defence and showing more patience in attack. In the second half PPS dominated the ball and won it back quickly when they lost it. PPS created numerous chances, but some inaccurate shooting and good goalkeeping kept Radnor in the game. PPS held their nerve and eventually found the back of the net twice in quick succession, with **Humphrey** and **Spike** both scoring their second goals. Radnor rallied and had a good chance late on, but **Harrison** made an outstanding save to keep a PPS clean sheet for the second half and take the 4-2 win.

This was a very positive performance from our u13 boys. **Nate** was solid at both centre back and centre midfield making some strong tackles. **Will** got 2 assists and showed good positioning and patience. **Dexter** and **Spike** were both a constant nuisance and stole the ball from Radnor when 'pressing' on numerous occasions. Player of the match goes to **Humphrey** who scored 2 great goals and was a constant driving force for PPS in attack. Well done boys!

U15/16' Football vs Thames Christian College

On Thursday 24th November PPS u16's put in a dominant performance and recorded a huge 7-0 win over Thames Christian College (TCC)! The boys had a fast start with **Miles** scoring a well taken goal from a tight angle. **Todd** added a second 5 minutes later with a powerful drive into the roof of the net. **Kai** then scored to put PPS into a comfortable 3-0 lead at half time.

In the second half PPS scored an early goal to take a 4-0 lead through **Kai**. At this stage the boys were very comfortable, and PPS took the opportunity to rotate some positions and give people the opportunity to get some experience playing in different positions. The boys were enjoying the variety and some players managed to get on the score sheet who wouldn't normally be associated with scoring goals! **Lawton** scored from close range with a well taken tap in from a low driven cross. **Teddy** came extremely close to scoring a long-range free kick with his effort tipped over the bar, but just 2 minutes later he managed to find the back of the net after a goal mouth scramble fell kindly to him and he drove the ball past the TCC keeper. **Kai** finished the game off with a powerful drive from distance for his hattrick as PPS took a 7-0 win!

This was an impressive performance from our u15/16 team, the boys dominated the first 20 minutes, barely giving TCC a touch. It was also pleasing to see PPS adapt to their new positions quickly and to see some different names on the scoresheet. **Albert** had a solid game in defence and midfield. **Lawton** showed great composure whatever position he played and got his first goal for PPS in a long time and **Edwin** impressed in the unfamiliar position of right back. Player of the match goes to **Todd** who pulled the strings and set the PPS tempo from central midfield demonstrating an accurate range of passing.

Sports report

Mr Steward presents:

'No World Cup Woes for Portland's U14s'

With the World Cup in full flow and the students chanting "I believe that we will win", there was going to be no 0-0 draw but with the temperature a lot colder than Qatar, a fabulous performance saw the Portland Place U14s team win 7-4 against Harrodian.

From the very start of the fixture, it was a dominant performance from the U14's who convincingly started with clear possession football. With **Jake** and **Danny** holding the middle of the park it was their movement that allowed the Portland team to gain a corner. After the first was whipped in and cleared, **Humphrey's** second saw Jake hit a half volley into the bottom corner.

It seemed like Christmas had come early for PPS who continued to dominate possession throughout the first half with **Dexter** and **Spike** both having clear chances on goal, and it was Spike who doubled the PPS lead. An elegant play from the back

saw **Tec** break through the middle and after his shot was saved by the keeper it allowed Spike to open an early Christmas present and tap in for his 10th goal of the season.

The pressure carried on piling up for the Harrodian defence who carried on playing an extremely high line. The third goal saw PPS take advantage of this with a splendid over the top ball by **Hazuki**, which allowed Tec to fly through the halfway line and power his way towards the goal. With him running at full speed there was no chance that the goalkeeper was coming off his line and with a swing of his right boot the net was hit with a powerful shot. Harrodian struggled to keep the ball under control and Portland Place continued to burst through the flood gates and the pressure saw the defence crumble and after a fantastic shot by Humphrey and a rebounded touch by **Max**, the ball was slipped past his own goalkeeper by a defender.

Sports report

Half time rolled in, and the spirit was high in the PPS huddle. Nobody was ready to let off but the start of the second half didn't go the way they wanted with 2 goals being slipped past **Rocky** in the goal. With some small amount of worry creeping into the players' minds, a very strong performance from Humphrey saw the Culpin brothers dominate the goals in the second half. A break away from **Rafer** and a crisp ball towards Spike saw him cross a pin point pass to his brother who smashed the ball into the top corner.

Nothing was to stop the students now who once again dominated the ball. There were shots upon shots firing down on the Harrodian goal with a fantastic half volley by Danny, a fantastic header by Max and a long-range sniper shot by Humphrey that worried the keeper. But it was Dexter who was to get the final goal, following his class-mate, Dexter took a ball on the edge of the box, turned and hit a long distance shot that bounced over the diving keeper.

It was a fantastic performance by the U14's who dominated their opposition throughout the game.

Player of the match was a Humphrey, who, although didn't get on the score sheet, was pivotal in all of the play.
