## Whole School Assembly

Tuesday 7th February  
10.30am—11.30am  
Regent Hall

Regent Hall was the venue for another Whole School Assembly on Tuesday where we had the opportunity to celebrate the successes across the school with many subject areas giving an overview of trips, activities and contributions to life at PPS.

We enjoyed LAMDA Monologue performances from Henry and Mark, musical offerings from the Chamber Choir, Haofeng, Mia and Spike as well as a preview of the up-coming school production of 'Grease'. Poetry readings from Ella and a superb reflection on what we all have in common from Alex were included along with items from the Maths and Humanities Faculties, a presentation from Mr Tasic about Media, a review of the Lisbon Football Tour and a summary of the amazing charity and community work that has been going on this term.

A huge thanks to all who contributed and to the many parents who also came to support. Our next whole school gathering will be Celebration Day, on Thursday 29<sup>th</sup> June, which we hope you will be able to join us for.

Year 9 are studying *Romeo & Juliet* and created masks for the characters ahead of the Capulet Ball

Here is Tess talking about her work:

"I designed Romeo's mask with navy blue and bright yellow. I feel that blue can represent his sadness about Rosaline but the yellow shows his love and hope for the night ahead. It is also quite regal and at the same time upholds Romeo's masculinity. I really tried to incorporate the eye shape and make it quite swirly to show his softer, more feminine side too. I also thought it would fit the character I see in my mind when I think of Romeo. I'd love to see some gold glitter added to it to make him sparkle!"

# *Poetry Live* English Lit Y11

On Friday 3<sup>rd</sup> February, Y11 Literature students went out to *Poetry Live*. They got to see live readings of all of the GCSE poets from their set texts, including Simon Armitage, Carol Ann Duffy and John Agard. Their Chief Examiner for Literature was also there and gave them tips on how to revise and prepare for the *Unseen Poetry* questions. The students' behaviour and participation was exemplary and the English Department feels very proud of them.

# VeloPark

This Wednesday saw our students take on the final part of the VeloPark Enrichment – the Olympic BMX Track circuit!

It turns out that the little bumps we could see on the inside of the Road and Mountain circuits were actually gigantic, dune-like structures that seemed treacherously prepared to wipe us all out at any opportunity. But with some help from our instructor Andrew, we soon got the hang of pumping up and down the jumps – an amazing workout, as you can see from my GPS trace on Strava.

Ms Silcocks and I have been absolutely delighted with the progress of our group this half-term. At every turn we've been complimented by the VeloPark team on their excellent attitude and progress in the various disciplines. What's more, if your child should ever return to the VeloPark outside of School, the sessions we've had all count as introductory sessions to these disciplines. Mentioning that you've attended the courses on Wednesday afternoons in this half-term means that students can skip the intro sessions and move straight onto the track – a bit of a bonus!

We look forward very much to continuing this incredible Enrichment in the next half-term. And hopefully for the foreseeable future!

# Knitting Enrichment

A group of 13 students chose 'Winter Knitting' as their Enrichment this half-term and most of them were complete beginners. It has been a pleasure to see how much patience and determination everyone demonstrated to learn this skill which can be quite tricky at the beginning! In only a few weeks, students learn how to knit independently to make a mug cosy, a head-band, a scarf and a small bunny. Well done and thank you to all the students who participated!

# Charity Enrichment

Last Wednesday we visited **The Elderly and Disabled Charitable Trust UK** ([www.elderlyandcharitabletrustuk.com](http://www.elderlyandcharitabletrustuk.com)).

Jenny and her colleagues equipped us with gloves and trowels to plant vegetables, herbs and flowers to grow in a mini-greenhouse. We had a lot of fun!

Later, they will be replanted in the allotment that the elderly from their local community will take care of and use for cooking. Yum!

## U15/16 Rugby PPS vs Maida Vale

On Thursday 2<sup>nd</sup> February PPS u15/16's took on Maida Vale school in a high paced and physical game of rugby at Regents Park. In the early stages it was clear it was going to be a physical contest. PPS carried the ball into contact with pace and power, but Maida Vale made some excellent tackles early on. PPS had the lion's share of possession in the early stages and apart from one knock on, kept possession of the ball very well. The boys put together some positive phases of play, breaking the gain line frequently and showing fast paced support at the breakdown. It wasn't long before PPS took the lead with tries from captain **Teddy** and outside Centre **Lloyd**. Maida Vale fought back with some dangerous running from their pacy centre and some hard carries from a couple of their big forwards, but PPS defended well. By half time PPS were 25-0 up which was a little harsh on Maida Vale considering the way they were defending.

At the start of the second half PPS got a wake-up call when Maida Vale scored in the first minute with an excellent solo try – a reminder that the game was not done and dusted and there was a long way to go. PPS responded a few minutes later with an excellent individual try from **Michael**. Michael received a short pass after a 'tap and go' penalty, he flew into the Maida Vale defence, broke the first tackle and bundled his way over the line as three Maida Vale players were hanging off him trying to bring him down for roughly 5 metres. Midway through the second half Lloyd and Leo also scored quick fire tries and PPS continued to pressure Maida Vale and force them into mistakes. At the final whistle the score was 51-7 to PPS.

This was a very impressive performance for our mixed u15/16 team with lots of positive play in attack. There were a few highlights from the highly entertaining game of Rugby. **Teddy** made a huge tackle as he drove Maida Vale's dangerous runner flying over the touchline. **Miles** had a superb solo run from deep in his own half – he ran 2/3's of the pitch, beating a few defenders on the way before Maida Vale made a great tackle to stop him scoring and **Lloyd** scored an excellent individual try showing great footwork and power to take on roughly 5 defenders before scoring. Whilst there were several great individual performances, player of the match has to go to captain **Teddy** who scored 4 tries and led by his actions on the pitch!

## U12's Fight Till the End

With half term coming ever closer and the weather starting to get warmer, it was a tough game for the U12s, who fell short against North Bridge House Hampstead.

After working hard over a number of weeks on their rugby skills, it was time to put it into action at Regent's Park. Immediately after the kick off it was **Enzo**, the captain, who took the bull by the horns as he ploughed through the defence, pushing diving defenders aside before diving over the line.

All of the players were crucial within the first half with players like **Joe** and **Tom** carrying in different ways. Joe, used his nimble feet to step defenders whilst Tom preferred to run straight into the opposition's line. It was all PPS in the first part of the half with **Roman** taking full advantage of the offloading game and powering over the line.

The flowing rugby carried on with **Noah** using a classic goose step to stand up defenders before creating an overlap for **Nathan** to stride forward. The play carried on as a ruck created a clear overlap that Enzo took full advantage of before getting his brace. Although there was some fantastic attacking the defence did let down the PPS students who allowed one of the North Bridge players to gain a hat trick before PPS were able to fight back.

The second half began and **Jacob** started to get more involved in the game, taking on some strong running and breaking the line at every opportunity. There wasn't just power being shown, as **Mark**, who broke the line a number of times, used his pace and steps to open up the gates before flipping the ball back and setting up Jacob to stride through the defence, carrying 3 defenders over the line.

# Sports report

At 4-4 it was nail biting stuff with PPS tackling hard and holding the line before a fantastic run by a North Bridge player finished the game, beating Portland Place 4-5. Assistant coach for the day **Zane** spoke to Mr Steward and the Steward Scoop after the game:

**“We played well and broke the line a number of times. Our passing was brilliant but we weren’t able to finish the game off. It was a great experience for us all and we go again after half term”.**

## Cold Mornings See Faster Times Over Cross Country Course

With the frosty winter mornings in full swing and the students still complaining about the cold, it was a great opportunity for the students to get their running shoes on and take part in the weekly cross country lessons.

The cold mornings saw a crisp sheet of white across the leaves and grass of Regents Park, something that hadn’t been seen by a number of students through the Christmas break. The gloves were being worn, woolly hats were at the ready and the pupils were donning what seemed like a million layers of clothing.

From Year 6 up to Year 9 the students have been given the opportunity to take on the mighty task of Regents Park and Portland Place’s cross country course. The course that is around 2km runs along different terrains from pathway to muddy ground and it is a great way to see how the students can improve their times over the weeks given.

The objective of the sessions was not to break World Records but to always improve on their own time, be it by 1 second or 30 seconds, the battle was against themselves not the rest of the class,

# Sports report

but obviously the competitiveness of the students did get the better of them especially on the last lap coming down the final straight where a sprint battle commenced, not mentioning any names (Rafer and Tec).

The standard of running has been high and is improving throughout the term with a number of students going faster throughout. Some of these included **Idrees, Yaqoub, Theo, Madeline, Georgie** and **Tess**, all of whom continue to push themselves each week. Here are the best times so far for each age group:

Year 6+7 Boys	Time
Roman Morby	9:05
Tom Messina	9:31
Ted Evans	9:38

Year 6+7 Girls	Time
Lucy McHugh-Tibbetts	9:40
Beatrice Boland	9:48
Helena Soriano	10:39

Year 8 Boys	Time
Humphrey Boland	12:00 (3Laps)
Spike Culpin	12:02 (3Laps)
Dexter Culpin	12:57 (3Laps)

Year 9 Boys	Time
Hazuki Kita	14:14 (3Laps)
Rory Grosvenor	14:32 (3Laps)
Tecumsah Hennebry	14:33 (3Laps)

Year 9 Girls	Time
Marta Shelton	12:28 (2Laps)
Georgie Cox	13:02 (2Laps)
Tess Ketteridge	13:16 (2 Laps)

As you can see there are some fantastic scores from the lessons which included Year 8 pupil **Humphrey** setting the fastest laps for the boys and Year 7 pupil **Lucy** for the girls on the shorter part of the course and Year 9 pupil **Marta** for the longer route.

Throughout the lessons the students have been giving everything, and it has been brilliant to see their comradery as they cheer everyone over the line.

## England U20's vs Scotland U20's Six Nations Rugby Trip

Last Friday evening 52 Portland Place students went to the Twickenham Stoop to watch the first match of the U20 Rugby Six Nations, with England taking on Scotland. Although a few of our party were rooting for Scotland, the majority of our group were pleased to see that England fared better than their senior counterparts and won what was a superb match 41-36.

A huge bonus for our pupils was that 6 of our senior players were selected to be ball boys for the game, whilst the rest formed a guard of honour, holding flags along the tunnel as the teams came out and forming up beside them for the anthems.

This is the largest group of pupils we have taken to a match and they were rewarded with a thrilling match. England score three times in quick succession and looked like they might run away with it. Scotland had other ideas and pegged them back in the first half before dominating after the break and establishing a 31-36 lead. England were not to be denied and found an extra gear to secure a penalty and then the winning try.

A massive thankyou to Mr Steward for arranging this very special opportunity for our pupils, which they will no doubt remember for a long time. The match is available to watch on the BBC iplayer, if you'd like to watch the PPS ball boys and flag wavers, as well as the rugby, of course!
