RECIPROCAL READING

What is Reciprocal Reading?

It is essentially a skill-based approach to reading comprehension involving:

- **Questioning** – ask questions about the key ideas and details of the story.
- **Predicting** – what do you think will happen next? It could also be thoughts about a sequel to the book.
- **Clarifying** – what words don't you understand?
- **Summarising** – what did you just read?

QUESTIONING 

WHEN I QUESTION, I:
SEARCH • ASK • INVESTIGATE
CHALLENGE • EXAMINE • DISPUTE
DOUBT • EXPLORE • INQUIRE

• What questions do you have about the topic?	• What did you think about as you read?
• Share what you think the author meant when...	• What else do you know about this subject?

PREDICTING 

WHEN I PREDICT, I:
GUESS • ESTIMATE • ASSUME

• What clues tell you what will happen?	• What clues from the passage help you remember what has happened?

SUMMARIZING 

WHEN I SUMMARIZE, I:
SUM UP • CONCLUDE • JUDGE
DETERMINE • REVIEW • DECIDE
SURMISE • ORGANIZE

SUMMARIZING QUESTIONS/STATEMENTS:

• Tell me about what you just read.	• What is the most important part of the story?
• What clues from the passage helped you organize your thinking?	• What sentences sum up the meaning of the entire passage?

HOW CAN I HELP MY CHILD IN READING?

Literacy at PPS

How Can Parents Help at Home?

- Read to and with your child everyday for at least 15 to 20 minutes.
- Discuss what you have read, make predictions, and ask questions. This can be a great bonding opportunity, too.
- Focus on and introduce your child to some challenging words.
- Choose books together. Show them that you are interested in what they are reading!

How to choose a book?

Too Easy:

- Have you read it lots of times before?
- Do you understand the story very well?
- Do you know almost every word?
- Can you read it smoothly?

Just Right:

- Is the book new to you?
- Do you understand a lot of the book?
- Are there just a few words on a page you don't know?
- When you read, are some places smooth and some choppy?

Too Hard:

- Are there more than five words on a page you don't know?
- Are you confused about what is happening in most of this book?
- When you read, does it sound choppy?
- Is everyone else busy and unable to help you?

Goodbye & Best Wishes to GOPAL!

Sadly, this week, we say goodbye to Gopal, Head Chef at Portland Place School. Gopal, along with his side kick – Sam, have been with us since Sept 2019 when we first launched our brand new canteen and kitchen facilities. He has delighted staff and students with his culinary skills, ranging from his amazing rice crispy cakes (always a student favourite), curries, summer BBQ's (indoor) and the infamous Friday breakfast for staff! To name but a few...

It is due to his amazing skills in the kitchen that Gopal has been promoted within CH & Co and will now oversee and support many schools

within the group and lead on catering for big events. We will miss him greatly and thank him for his contribution to the school. Nothing was ever too much, calm under pressure and even during a power cut, his demeanor never wavered and he still managed to prepare and serve a lunch! From all at Portland Place School, we wish him well in this fantastic new role!!

We would also like to welcome our new, (interim) Head Chef – Peter, who is already serving up some amazing food!

Kayaking Enrichment

This Wednesday was the first session of our kayaking enrichment. 10 students travelled by TfL bus to The Pirate Castle in Camden. This week, the boys were on double, sit-on kayaks and learned the ropes on the Regent Canal, with the help of coach Carl and instructor Sue. They also played Kayak Polo and the red team of year 7-9s beat the blue team of year 10s and Miss McBain. Year 8s Henry and Freddie were the best pair on the kayaks, and given the title of Stealth Duo!

Year 11 Drama Exam

Year 11 Drama students completed the practical component of their GCSE exam this week and (as expected) they were all superb. Students performed in front of family, friends and teachers, with the additional pressure of two visiting examiners. This did not deter them however and they all very much rose to the challenge. What an extremely talented group of students we have!

Year 9 House Cross Country

On a sunny but cold Thursday afternoon Year 9's took part in their House Cross Country competition.

With House Rugby the next day and house basketball a few days before hand, it was a full week of House events for the Year 9s. This one, which was mixed, saw each house take on the 2km course around Cumberland Green on Regent's Park.

The course, which was mainly pathways, was not as easy as it looked but the students had already taken time to test out their running skills on this course and knew how to pace their running but with the competitive side of each student, was pace something they were thinking of or was it all about the race itself?

With the houses given time to warm up it was clear to see that this was going to be a fantastic cross-country race with students from each house strong at this event. The race began with a loud whistle and as the time ticked on it was evident that pacing had gone out the window. The race was the main thing and some of the students were pushing themselves to complete exhaustion.

Hazuki was the leader of the group, running a fantastic split on the first lap but behind him, the competition was really heating up, with each house having at least one runner in the next positions. Students were switching positions, pushing each other throughout and it was amazing to see that no matter what house they were in, each one helped each other.

Sports report

The group ran through the line for the first lap without any worries, some listening to music, some concentrating on their run and some wishing it would end.

With the leaders coming through at the end it was a fantastic 8:40 from Hazuki that took the 1st place but, in this competition, we take the average of the whole house and as soon as each one came through it was great seeing people run back to help each other reach that finishing line.

It was a fantastic show of team comradery and team cohesion but, who came out on top?
