## Lunchtimes

Year 9s Leaving School to Get Food Locally

At Portland Place, we have traditionally extended a special privilege to Year 9s in the final term before the start of their GCSE years – the permission to leave School at lunchtime to eat somewhere else in the local area.

This usually takes place after half-term in this term, but having had such an exceptional year with the group, and having seen how much effort everyone is making in their work and comportment, we are allowing this to happen early this year, from **Monday 15 May**, from which time the Year can leave from their Period 4 lesson at 12.50, eat in the local area, then return in time for their afternoon lessons at 1.45pm.

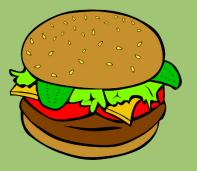

There are a couple of points to consider as well:

• We do have an afternoon registration in Period 5 which has the same legal weight as morning registration at 8.30am. As a consequence, lateness to Period 5 is not OK and students need to be very careful about choosing where to eat and making it back to School in time. An example of this is the queue in Nando's, which always is longer than it seems...

• Students are welcome to continue to eat in the Canteen if they prefer, as always; It's also OK to eat in the Canteen and then go for a walk in the area or sit outside in a sunny spot for a bit.

Unlike with trips, we don't explicitly seek permission from parents for this privilege, but if there are any parents who would prefer their child to stay on site, that is also not a problem – please just let your form tutor and myself know, so that we can make them aware.

However, if you are happy with the arrangement, that's great – all I ask is that you go over it with your child so that the expectations are clear. We will of course do the same here.

Mr Tasić—Head of Year 9

#### Literacy Corner

#### Literacy across the curriculum

Literacy is not just about doing well in English (this is obviously really important though!); without good literacy students are unable to do well in Science or Maths, or Media, or ANY subject as you cannot express yourself to the examiner or possibly understand what exams questions are asking you to do. Below are common GCSE command words which appear in all subject areas and are important to know, as well as further information to help you.

GCSE Text types (reading & Command words (reading & (exam questions) Ke		Key reading demands	Specific writing demands		
English language	nglish • Explanation Choose, give, list,		<ul> <li>20th or 21st century literature fiction</li> <li>Visual images or written prompts for writing stimulus</li> <li>19th, 20th and 21st century non-fiction and literary non- fictions</li> </ul>	<ul> <li>Narrative and descriptive writing</li> <li>Explanation or discussion or persuasive writing</li> </ul>	
History	<ul> <li>Recount</li> <li>Explanation</li> <li>Analysis</li> <li>Evaluation</li> </ul>	Outline, describe, explain, compare, how far do you agree, to what extent, write an account	<ul> <li>Illustrations, including cartoons and posters</li> <li>Photos</li> <li>Source material</li> <li>Interpretations</li> </ul>	<ul> <li>Extended explanations with supporting evidence and contextual knowledge</li> </ul>	
Maths	<ul> <li>Recount</li> <li>Instructions</li> <li>Explanation</li> <li>Description</li> </ul>	Circle, give, comment, estimate, plot, rotate, shade, show, simplify, solve, work out, evaluate, write	<ul> <li>Graphs</li> <li>Charts</li> <li>Tree diagrams</li> <li>Recipes</li> </ul>	<ul> <li>Justification and proof</li> </ul>	
PE	<ul> <li>Explanation</li> <li>Description</li> <li>Discussion</li> <li>Evaluation</li> </ul>	Define, name, outline, state, describe, discuss, explain, identify, analyse, consider, evaluate, justify, suggest	<ul> <li>Scientific diagrams</li> <li>Photos</li> </ul>	<ul> <li>Extended evaluations</li> </ul>	
Science	ience Instructions Give, name, calculate, Explanation describe, explain, Description estimate, analyse, Analysis compare, evaluate, Evaluation suggest		<ul> <li>Experiment diagrams</li> <li>Graphs</li> <li>Results tables</li> <li>Photos</li> <li>Timelines</li> <li>Two way tables</li> <li>Atomic structure diagrams</li> </ul>	<ul> <li>Extended explanations</li> </ul>	

### SQ3R Method by Francis P. Robinson

Today, we would like to introduce a more **efficient and active approach to reading** textbook material. **SQRRR** or **SQ3R** is a reading comprehension method named for its five steps: **survey**, **question**, **read**, **recite**, **and review**. The method was introduced by Francis P. Robinson, an American education philosopher in his 1946 book *Effective Study*.

S	Q	3	R
1. SURVEY		2. QUESTION	
Scan the text and pay attent Layout	ion to:	Ask yourself a quest	lion about the text.
Chapters Sections		Ask yourself what yo about the text.	ou already know
Graphs			
Pictures		Try to understand wi	hat is it that they
Highlighted words		author wants to con	ivey.

#### 3. READ

Read the text actively while keeping the previous steps in the back of your mind. Write down additional questions and try to answer asked questions.

### 3. RECITE

Repeat (aloud) in your own words what you have read. Ask yourself questions about the text, explain to someone what you have read and try to write a summary.

#### **3. REVIEW**

Read all the relevant parts again. Go through your notes and questions again. Pay extra attention to the parts you find difficult.

On 17 May this year we are celebrating National Numeracy Day

### WHAT IS NATIONAL NUMERACY DAY?

#### National Numeracy Day builds brighter futures through confidence with numbers.

- It is run by independent charity National Numeracy and the campaign's founding supporter KPMG.
- It is the UK's only day dedicated to everyday maths.
- It celebrates the importance of numbers in everyday life and inspires children and adults to improve their numeracy.
- Because improving numeracy changes lives: at home, work and school.
- National Numeracy Day has inspired people to take 650,000+ actions to improve their numeracy since 2018.
- Everything is free! The campaign's generous supporters ensure all our resources are free for everyone to use.

. . .

Watch the highlights from 2022

202

#### National Numeracy Day

Nation

National Numeracy

#### WHY IS NATIONAL NUMERACY DAY IMPORTANT?

. . . . .

- The UK's numeracy levels are significantly below the average for developed countries.
- 49% of the UK's working-age population have the expected numeracy levels of a primary school child.
- Millions of children leave school lacking number confidence. 30% of schoolleavers (18-24s) feel anxious about using maths and numbers. They are the most maths-anxious adult group in the UK.
- Poor numeracy costs the UK economy £25 billion a year.
- Struggling with numbers can make people more vulnerable to debt, unemployment, poor health and fraud – all of which have been exacerbated by the Covid-19 crisis and now, the cost-of-living crisis.

NUMER HEROES COMPETITION WILL BE ANNOUNCED BY YOUR TUTOR NEXT WEEK!

## Number Heroes competition

When you grow up, how will you use numbers in your life? Maybe you would love to do a cool job like a vet, teacher, engineer or footballer? Or do you dream of spending your days dancing, baking or saving the planet?

Create a picture of you doing your dream job or hobby and tell us how it uses numbers. Let your imagination run wild and win a fantastic prize for yourself and a prize bundle for your nursery, school, or community/youth group.

There are six categories, and one winner in each category will win:

A Number Heroes prize pack worth at least £1,000. This will go to the winners' chosen nursery, school or community/youth group. Each prize pack contains all the games, books and resources you need to get everyone in your community feeling like a Number Hero! The prize packs are provided by National Numeracy, Black & White Publishing, KPMG, Numberblocks, Numbots, Times Tables Rock Stars. and White Rose Maths.
A £50 gift voucher and certificate for the child who created the winning entry.

Three runners-up in each category will win:

•A £20 gift voucher and certificate for the child who created the entry.

## **Growth Mindset**

## **How to Celebrate Success?**

As the exam season has started, I believe students should celebrate every success, however big or small, as this will boost their confidence and motivate them to continue to work hard towards their goals.

Thank you for your support, Ms Florea

## Don't forget to celebrate the small wins

Any win is worth celebrating. Small wins are signposts that lead to bigger wins, and better habits, later.

See your goal
I nderstand the obstacles
Feate a positive mental picture
Iear your mind of self doubt
Imbrace the challenge
Stay on track
Show the world you can do it

## R EXAM STUDENTS... TH YO R CSES

## Year 11 Last Day!

Our wonderful year 11's are now officially on study leave! This year group have been a truly fantastic year group for Portland Place School, they have had a huge impact on PPS during their time with us and are excellent role models for our younger students. It is no secret that they are a VERY talented year group. The level of performances that a large number of our year 11 pupils have put on in school music shows, school plays and sports fixtures is quite staggering - they have set a very high bar for our younger students to aspire to! They are a year group full of character who have brought a lot of positivity and laughter to this school. Everybody at PPS wishes our year 11's the best of luck for their GCSE exams and whilst it is not good bye just yet, I know that when year 11 do move on to their next destinations they will be sorely missed by their peers and staff!

Mr Kubik

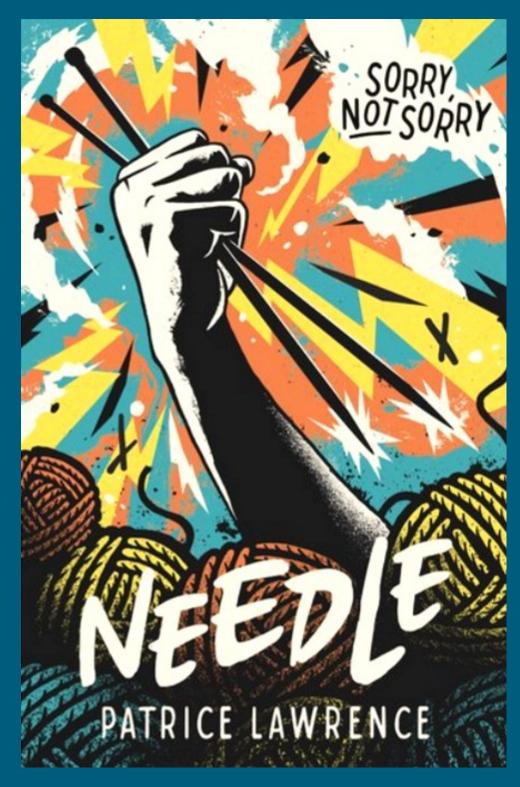

## The Portland Place Book Club

The Portland Place Book Club is off to a flying start and two members have written their first rave reviews!

If you'd like to read them yourself, both titles are available in the library now.

Mrs Wolfe Murray

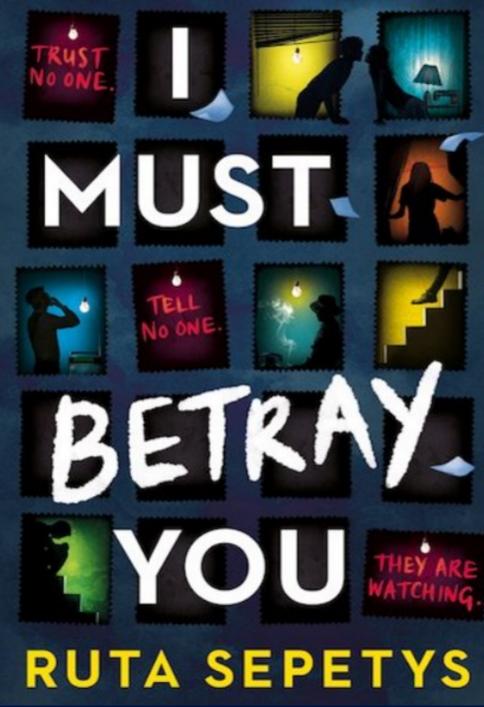

'Needle' by Patrice Lawrence

I found the book Needle to be an excellent coming of age story that focuses on what saying sorry truly means. And what if you don't say sorry? Then what are the consequences? I was gripped from start to finish and if you know somebody who is a young person in custody younger than 21, then definitely read this book. Also if you have trouble apologising, this is definitely the book for you. I loved every bit of it and would definitely recommend it. 5/5

**By Idrees** 

#### NUMBER ONE NEW YORK TIMES BESTSELLER

'I Must Betray You' by Ruth Sepetys

I LOVE this book. Once you start reading it you can't stop. It's a perfect mix of adventure, truth and friendship. At the time in which the story is set Romania is having a very hard time because of the country's dictatorship. This book talks about the fear of saying something that might cause your death. It also talks about love and betraval. This book is amazing!

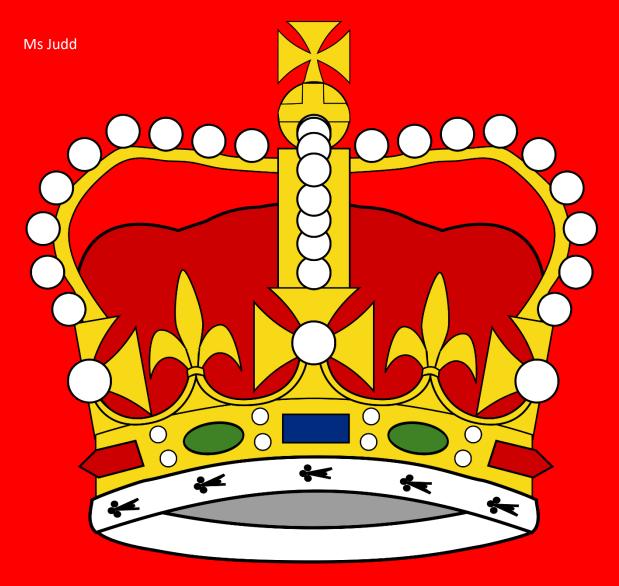

By Maïté

## YEAR 6/7 CORONATION ASSEMBLY

A huge thank you to **Angelica, Esther, Enzo, Dario** and **Taisei** who all took part in our assembly on the Coronation last week!

Also, a big congratulations to **Stan, Maddy** and **Mark** for their LAMDA Awards that they received. Well done!

## Fantastic Beaus Internet

The students attending Fantastic Beads for their Enrichment have been making crocodiles and flower phone chains this week. Well done to Bibi Y7, Rosie and Harrie Y6 and Bibi Y8 who kindly agreed to let me take a picture of their creations! Mrs Flack

## COMPOSITION PHOTOGRAPHY ENRICHMENT

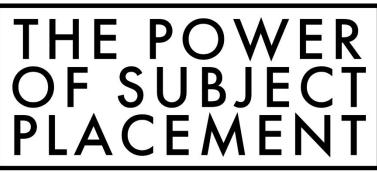

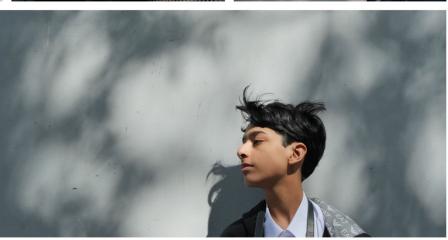

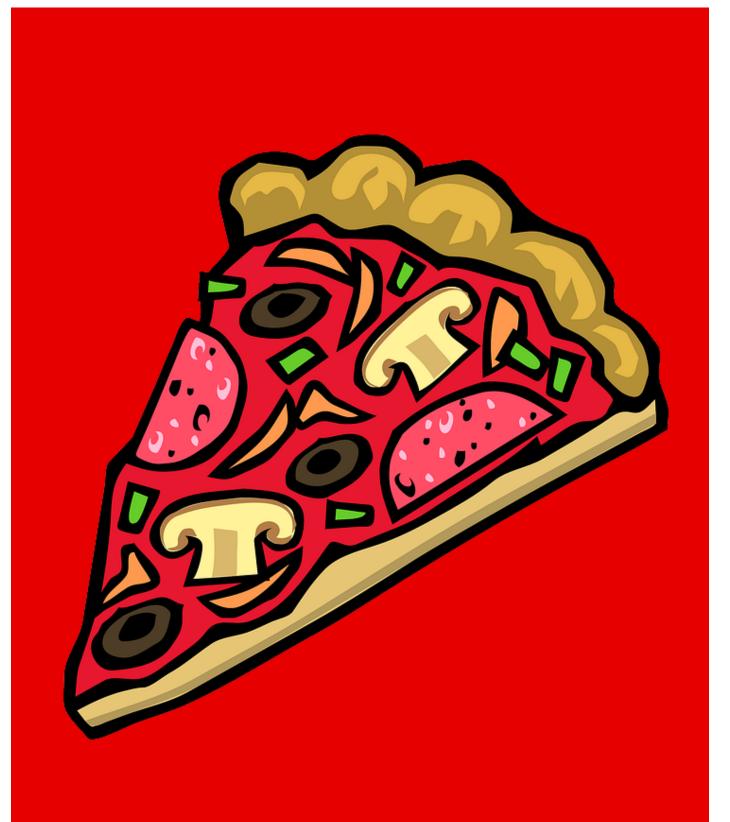

The Year 6&7 having a wonderful time at their Pizza Party! A huge thank you to Alexis for organising and to the parents and staff that attended.

Ms Judd

## THE WALL OF KINDNESS

Oba in Hybrid Y8 wants to thank Will for showing him around the school and Damian for being a very good friend and always being polite.

> Alex P wants to thank Henry and Mason for playing chess against him! (Hybrid Y10)

Thank you, Taishi, for helping me to understand the cover work in Science. - Zaya

A very big thank you to Yura in Year 9 for his kindness during PE. Unprompted, he helped with carrying equipment and opening doors for others and showed great courtesy. I was really impressed. Ms Boyce

On Thursday 4<sup>th</sup> May PPS made their way to Waterloo to take on Fairley House school in a very competitive game of football. In the previous fixture the result was 0-0 in a tight encounter and in the early stages of this match it was clear PPS would have to be on top of their game to come away with a result. Both teams had spells of possession in the early stages without making any clear cut chances. Goalkeeper **Sam** was called into action and made a couple of good saves as Fairley were the first team to get shots on target but mid-way through the first half **Miles** scored a superb goal. **Ethan** received the ball in midfield and played an excellent well weighted pass for Miles to burst on to, he took one touch and ruthlessly powered his effort into the roof of the net.

PPS grew in confidence and started to dominate possession, particularly in Fairley's half. The boys were stringing together lovely passing moves of 5 – 8 passes and were making Fairley House work very hard in defence, however the score remained 1-0 at half time.

In the second half PPS got off to a positive start but were reminded Fairley were still dangerous and again **Sam** made a brilliant save to keep the score at 1-0. PPS were patient on the ball against a solid Fairley defence; the boys were limited to long range efforts for a period which did come close to hitting the target on a couple of occasions. It was a competitive half; PPS were the better side but just could not find a second goal and the score remained 1-0 to PPS!

This was a positive performance for our u15's. The passing at times was brilliant to watch and it would be great to see PPS play football like this more consistently. **Sam** has an excellent game as goalkeeper making a few important saves. **Ethan**, as always, was a composed figure in centre midfield who got an excellent assist and **Felix** won tackle after tackle at right back. Player of the match goes to **Miles** who was a constant threat with his footwork and pace and scored a brilliant goal!

Well done boys!

With Arsenal starting to crumble under the pressure of winning the Premier League, the Portland Place U12's showed them how it should be done to win a fixture convincingly. Paddington Rec was able to witness two fantastic fixtures from Portland Place against Abercorn.

After a long time off from football with striking and fielding sports taking over the curriculum, it was a brilliant start from the PPS squad. With not even 5 seconds on the clock, **Jacob** pounced on a poor pass to smash the rolling ball into the back of a shocked Abercorn net. It was the start that any team would be looking for. With **Mohammed**, **Joe** and **Zane** all pushing forward, you knew it was going to be an attacking game for the PPS squad.

There were two games going and on the other pitch, it wasn't the start that PPS were hoping for. After a lot of possession **Harrison** was unable to stop a powerful shot from the oncoming Abercorn attack. This wasn't going to stop the PPS boys from going all-out attack with **Tom** and **Nate** both coming very close to equalising for the visiting side. The standard of football was on point with **Kiyan** and **Taishi** both proving vital cogs in the team as they broke down a number of attacks before breaking up-field in attack. It was only a matter of time for an equaliser to occur

and it was our debutant, Tom, who broke the seal. A great move from the PPS team saw Tom stumble through the defence and slip the ball past the diving keeper. Back to the younger group: **Dominic**, in goal, was mainly a spectator with Roman holding the fort, blocking and diving in front of any attacks that came through. With **Mark** using his silky skills to take on the defence it allowed the likes of **Noah** and **Ted**, to push even further forward and then the second goal came. A break from Joe proved too hard to stop but his shot, saved by the keeper, only saw Mark pounce and slam the ball off the crossbar into the net. Jubilant celebrations from the PPS squad saw the victory sealed.

The older group continued with their dominance with **Tyler** leading the attack from the back. There was some elegant play from the youngsters who were able to pass the ball from goalkeeper to attack reminiscent of prime '99 Manchester United but they were unable to give the finishing product. Whilst the Younger students were able to win 2-0 the Older managed a hard fought 1-1.

It was a great spectacle of football, and it was a great way to finish off the footballing season.

THLETICS

PRC

## Sports report

On Tuesday 9<sup>th</sup> May Portland's girls' athletics team took part in the Westminster Borough Athletics meeting at Battersea Park. This was a much busier day than the boys' event last week, with many more girls' schools involved. As a result, the standard of competition was much higher, with as many as four heats being run in the sprint races, with the fastest 8 runners progressing to the finals.

It was forecast to rain and there was doubt that the full programme of events would be completed, but the conditions remained fine, and all events were completed as scheduled. Medals were very hard to come by and we have not yet received the official results from Westminster Sports Unit, so these results are unofficial.

Girls' Westminster Borough Athletics Championships

report

There were many fine performances from our pupils throughout the day both in the field and on the track. The programme began with the 100m heats, where Year 7's **Lucy** won her heat in 14.9 seconds, a time that was good enough to qualify her for the final. **Kansas** ran well too, coming 2<sup>nd</sup> in her Year 8 heat, but unfortunately her time wasn't quick enough to make the final. Both **Annabelle** and **Jazz** placed 3<sup>rd</sup> in their races, with Jazz running 14.2 sec.

**Mia** and **Eva** ran the challenging 300m sprint, both finishing  $3^{rd}$ . Mia made a late charge on the home straight and nearly clinched  $2^{nd}$ . In the 200m heats **Bibi** of Year 8 ran 31.3 seconds to be Portland's only qualifier for the finals. **Zaya** was  $4^{th}$  in the other Year 8 heat, as was **Tess** for the Year 9's. Lucy came home  $2^{nd}$  but did not make it through on this occasion.

In the sprint finals Bibi came 8<sup>th</sup> in the 200m, from lane 8, which can be a tricky draw with no one to chase or set your pace to. Meanwhile, Lucy took 7<sup>th</sup> in a very close Year 7 100m final. She was only a couple of yards shy of the winner and improved her heat time to 14.6 seconds.

In the field, Lucy finished equal 3<sup>rd</sup> in the high jump, clearing 1.15m and coming very close to 1.20m. Jazz also performed well in the Year 8 contest, going clear all the way to 1.20m to place 4<sup>th</sup>. Distances and placings were hard to determine in the field as the events were so busy, with many pupils leaving their events to race on the track and then return. We will have to wait for the official results to be sent through from Westminster to confirm placings and performances.

Despite not winning many medals, the girls' team performed well and were competitive in many of the track events. Qualifying for any of the finals was not easy in such a high standard of competition and **Lucy** and **Bibi** should be very satisfied with their performances.

Taking place in Regents Park from 10am close to The Hub Cafe. Everyone aged 4-18 welcome.

Giving boys & girls the chance to: Meet everyone involved with the most central Rugby club in London. Play some fun rugby-based games aimed at every level. Get to know a bit more about rugby & the olub. Ask as many questions as you like.
