Summer Showcase
Schools Day
Year 9

On Friday 16 June, The British Academy welcomed students aged 14+ to take part in their free Summer Showcase Schools' Day, which offered a bespoke programme of workshops and talks.

The aim: to encourage KS3/KS4 students to explore subjects beyond the curriculum and to expand their thinking about what to study in the future and learn about exciting career paths they may not have considered. The disciplines being showcased included: psychology, law, policing, politics, literary studies, music, technology governance, English and creative arts and Latin American and Caribbean studies.

Our Year 9s had a fantastic, highly informative morning!

Y6 End of Year Cinema Trip

This week Year 6 visited Vue in Leicester Square to watch *Spiderman: Across The Spider-Verse* for their end of year treat. With popcorn, slushies and sweets in hand, the children totally immersed themselves in the action on screen, behaving impeccably throughout. A well-earned treat for a group of children who have worked so hard all year. Mr Soper

Kayaking Enrichment

For the last three weeks, we have had more kayakers join us on Wednesday afternoons! The first week, we used double sit-on kayaks and our leader, Rose, took us for a paddle down the canal to try and see the monkeys in the new London Zoo enclosure - no luck. The paddler of the week was Taishi, who kept his and Ms. Vargas moving!

Last week, we tried single kayaks and played KAYAK POLO - Miss McBain's favourite kayaking game! The paddler of the week was Nathan who took a tumble into the water but was a champ! He got right back into his kayak and went again!

This week, we were in some different, more stable single kayaks and played Zombies and Bulldog! Kayaker of the week was Maxwell, who got us to the Pirate Castle in decent time when our regular bus wasn't arriving!

Next week, Coach Carl has something big planned for the penultimate session. Students will definitely need a change of clothes and a towel after!!

Baking Club

The past 3 weeks have seen some of most keen bakers to date. With Cookies in week one, Cupcakes in week 2 and Apple Pastries in week 3, the girls and Harrison have been impressive in their baking skills and presentation of their final produce. Some tasty treats that have been shared with family and friends even if it meant that only one cupcake was eaten by one of our bakers with Mum eating 5 and Dad having the other 6. Some cookies being used at home to make a cheese-cake and plenty of edible enjoyment.

We look forward to our final week with more tasty, tantalising, treats in the PPS Baking Club!

See you next week,
Miss Patten

ISA National Athletics Finals

Four of Portland's athletes qualified to represent the London North area at the Independent Schools National Athletics Championships at Birmingham's Alexander Stadium, which hosted the track and field at the Commonwealth Games last summer.

In the field, Year 6's **Jacob** went in the shot put, whilst **Helena** contested the Year 7 girls' high jump. On the track, **Olly** was a late call-up for the Year 8&9 boys' high jump and Y10's **Sonny**, who was last season's only qualifier was lined up for the Y10&11 800m.

First up was Jacob whose first throw, though too flat, was in the 6.50m region and comparable to his best training throws from his athletics enrichment sessions. A technical adjustment saw him lift the ball better and go over 7m for a new personal best. In the third round he went further still with a new personal best of 7.53m to take the lead. In the final round he was pipped by the East Anglia competitor by just a few centimetres, but his throw was good enough to take silver! Huge congratulations to Jacob, who has performed brilliantly in the throwing events this summer. To produce his best throw by over a metre, when it counts most, is a tremendous achievement!

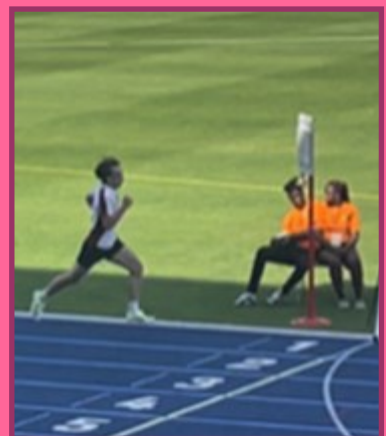

In the high jump Helena was able to clear 1.10m in a very good standard competition. She narrowly missed equalling her personal best of 1.15m and finished up 6th overall. In the Year 8&9 boys' event, Olly scissor kicked all the way to 1.50m, which was very impressive and then set a personal best of 1.55m, which he cleared comfortably using the flop technique on his first attempt. Unfortunately for Olly, he had used up his maximum of 7 attempts and therefore was not able to attempt 1.60m, which he looked more than capable of clearing. In hindsight he should have come in at a higher bar height, but his best before this meet was 1.45 and he probably surprised himself with how high he jumped.

Sports report

Sonny's personal best of 2:17 was set at this contest last year and he was desperate to set a new personal record. He got a bit tangled up with some other runners at the start and was spiked on his knee, but it didn't prevent him from hitting the bell at 64 seconds. He was in the hunt for a medal at 600m, but lost contact with the medallists on the curve and came home in 2.14.8 seconds to knock over 2 seconds off his best and finish 5th.

Any athlete that can come to a national championship and set a new personal best should be very proud of their efforts. The four PPS athletes selected to compete were a credit to themselves, the school, and their team!

Dominant Portland Place Take Apart North Bridge

It was a fantastic win for the year 7 and 8's who managed to take apart a strong North Bridge squad.

The match started slowly from PPS whose captain, **Bibi** chose to field. The fielding did not start on point with some misfields allowing the NBH squad to gain a couple of half rounders. This was the kick that the squad needed as **Rosie**, who played backstop, started firing balls towards first baser, **Maya**, and the rounder tally started to fall.

After a number of quick outs the game started to progress with NBH struggling to gain any advantage but two fantastic shots saw them take 2 rounders into the end of the innings. The batting innings started with **Jazz** and **Zaya** hitting half rounders each and increasing the noise from the cheering supporters. Breaking the rounders dip, **Mia** took it upon herself to smash a ball into the outfield and ran each post.

Sports report

There was no end to the rounders as both **Angelica** and **Harrie** were able to capitalise on some off bowling to score both a rounder and half rounder respectively. It seemed to be raining rounders rather than wickets with a few more half rounders hit past the on looking defence.

Taking a two-shot lead into the second innings it was all out attack for the Portland place squad. This included seeing **Rhiya** stumping out 2 runners and saving a clear Rounder. It seemed to boost the confidence of the fielders with **Lucy** and **Lily** finding their arms and the North Bridge attack starting to falter.

The tiredness and the negative thoughts started to take control of the NBH team who only had 10 minutes of play left and this was enough time for Portland Place to tighten the screw.

It all started with Rosie, who managed to get a half before Zaya, Mia and Maya all hit rounders each. It was endless and seemed that the students had brought their hitting arms, as there was a constant flurry of shots throughout the 2nd innings. The sudden shot fest broke the NBH hearts who made a number of mistakes, which led to some more fantastic rounders for the PPS squad.

With time running out it was a final hit by captain Bibi that was the nail in the coffin for North Bridge, the captain who had led her team well caught a no ball and hit it into clear space in the outfield.

The fixture finished 14-2.5 to the Portland Place squad. It was a fantastic result for the students and a great show of resilience throughout the squad.

U13 Pairs Cricket Vs Fairley House

PPS 68 v 25 Fairley House

On a balmy Monday afternoon PPS u13s took on Fairley House School in an action-packed game of pairs cricket. The game format saw each team bat for 10 overs, with 5 batting pairs scoring as many runs as they could and an 'out' would count as -5 runs.

PPS won the toss and fielded first. The boys put on an excellent performance in the field, limiting Fairley to very few runs until the final overs. **Dexter, Nico** and **Humphrey** all took wickets. There were some brilliant catches and PPS didn't bowl many wides or no balls. By the end of the innings Fairley scored 25 runs.

PPS stepped up to bat and immediately got off to a flying start with **Spike** and **Henry** both finding the boundary early on. There was a wobbly patch in the middle of the innings where PPS gave away cheap wickets when they were run out due to unnecessary risk taking and poor communication, but this scare caused a reaction and PPS found their rhythm again. Overall, PPS had an excellent batting performance scoring 68 runs (despite conceding 6 wickets).

This was a fun and fast paced game for our u13 boys where they could take risks and try new skills with less pressure. The bowling and fielding on display were brilliant, and PPS batted well in tough conditions. The Culpin brothers, **Spike** and **Dexter** both had good all-around games, **Taishi** and **Humphrey** both bowled with good accuracy and **Joe** played some great shots in bat. Player of the match goes to **Henry** who scored the most runs with 22 and also had a great game as wicket keeper.

Well done boys!

House Rounders: Cavendish pip Devonshire to Year 9 victory

It was another hot house event that saw Cavendish pip Devonshire to the victory as **Hazuki** and **Olivia** guided their house through an undefeated tournament. With sports day only a few days round the corner and victories for the house seeing the leaders change a number of times, this was one tournament that anyone could win.

The first match on Mr Steward's field saw a massive upset as Wigmore led by **Arad** and **Marta** defeated Langham 4 to 2. Although there were some fantastic rounders by **Cora**, **Isabelle Therese** and **Max**, the run outs and catches saw their rising score plummet.

The second match saw a fantastic game between Langham and Cavendish end in a two and half draw where **Max** and **Felix** hit some fantastic shots. There was constant support throughout the game with both teams pushing each other to the end and when Hazuki came in, to win the game for Cavendish; a rare miss saw the draw stand.

Tiredness and the heat saw Langham slowly start to fail and when it came to the final game on Mr Steward's side, Langham were unable to slow down an all-firing Devonshire. After both Max's hit a rounder, and a half was scored by Cora, things were looking up for the green house, but when **Yura** and **Tec** started the Devonshire innings with two rounders it was not meant to be for the House leaders.

Whilst Devonshire were beating teams left right and centre, it wasn't the start that they wanted whilst on Miss Boyce's field where Cavendish were able to hit 7 rounders in an emphatic win over the 2nd place team. With both teams playing for the win, Cavendish's hitting abilities put them in pole position from the start.

Devonshire were able to regain their composure for game 2 on Miss Boyce's field as they were able to take a narrow win over a fighting Wigmore with Kadi and Marta pushing their team forward before **Rafer** and **Yaquob** both hit rounders to see Devonshire win 5 and a half to 5.

The final game of the tournament saw Wigmore face the undefeated Cavendish. It was going to be a tough ask for the Wigmore group but their never say die attitude saw them fight to the end. Cavendish seemed to be relentless with the shots and it was clear to see that they were going to stay undefeated throughout the tournament.

On Thursday 15th June year 6 & 7 competed their annual house touch rugby competition. Tension before the tournament was high as pupils knew that every point counts as they approach the end of the house sports season! The tournament was absolutely brilliant! Year 6/7 played some energetic, entertaining and committed house rugby in some lovely morning sunshine. They showed good team spirit, cheering each other on throughout and there was some impressive play on show.
