Faculty Prefects

This year we are introducing something new to PPS to provide additional leadership opportunities for our students: faculty prefects. These prefects will help lead the activities of each faculty in the school – Creative Arts, English & Media, Maths & Computing, Science, MFL, Humanities – and be role models for other students in those areas. PE will retain its existing opportunities as Sports Captains.

The specifics of each prefect role will vary a little depending on the needs of the faculty. More details of that and how to apply for each faculty will be found in Firefly – and do feel free to talk to each faculty head about this. You will already have seen the details for the Creative Arts role which will be a good guide to the other faculty roles too.

I believe this will be a great opportunity for students to show and develop their leadership skills through an area in which they have a strong interest and I look forward to seeing this development in action.

Library Guide to Online Books

The school library has a large collection of audio and online books which you can reserve and use for 2 weeks at a time, as in a traditional library.

You can access these audio and electronic books through ePlatform. To use ePlatform you need to have a username and password as follows:

1. Log in to: <https://pps.eplatform.co/>
2. Enter your username which consists of:
your first name and your surname separated by a full stop. Example: John.Smith
3. Enter your password: ppslibrary
4. When you finish entering these details, save them, so that you don't need to enter them when you use ePlatform.

Happy Reading!

Portland Place's Noah Wins 'Meet the Author' Prize!

**Weds 20th
September 2023**

Noah (Y9 Hybrid School) has dazzled and impressed the English department with his outstanding reading, winning the overall prize on Celebration Day. He was also selected by Fiction Express to meet authors Janelle McCurdy (level 2) and Damian Harvey (level 3) on **Wednesday 20th September. A huge congratulations from the English department to Noah!** This is Noah's response to the event:

I wanted to thank you for telling me about the author meeting for today. I met authors Janelle McCurdy (author of 'The End Game') and Damian Harvey (author of 'The Sculptor'), both authors write books for both Fiction Express that involve the readers choosing how the story develops and unfolds and they also write physical books too.

I got loads of inspiration and ideas for writing. It will definitely help in English lessons. I was able to understand their different sources of inspiration and that to write a book about something you don't have much experience of, you might need to learn a similar thing to help gain insight. For example, if you were to write a book on go karting you can learn to ride a go kart to give you a bit more of an understanding of how to write a realistic book.

There are all different types of authors out there and they all write their own stories. None of them are the same and that's the cool thing about being an author. Thanks for telling me about the meeting and interviewing both authors was amazing as everyone was from all around the world and everyone got to ask questions - I asked three, one about whether they use parts of their personality in their characters, why they set the story in a particular location and profession, and also what choices they would make if they could be a character in their own books.

I had interestingly read Fiction Express books by BOTH authors not just one.

THE WALL OF KINDNESS

Thank you to Miguel for holding the door open for me. Ms Florea

Nico in Year 8 told me at VeloPark that Christian had been super kind to him and looked after him when he came off his bike on the trail. He learned a lot from him and it's credit to him that he was still riding at the end of the session. Hugely proud of Christian for embodying the Spirit of Cycling®™ and such a positive opening session!
Mr Tasic

Ms Baig wants to thank Ms Florea for helping her replace her Surface Pro charger and lending me hers when it broke. Similarly, Mrs Wolfe-Murray a big thank you for lending me yours too!

Shout out to Ms Selvaraj for being kind in lesson and helping me figure out the work.
Alex Z - Hybrid School.

Ahlan Y9 hybrid: Thank you to Christian and Ayub for saying kind things about me!

A shout out to Nathan for his politeness this afternoon. He held the door for all the Year 8 going to lunch and placed himself at the back of the queue. I thought this deserved a big mention. Well done to him. Ms Boyce

Sports report

U14 Netball Match / TCC Vs PPS

On Thursday 14th September, the U14 girls netball team travelled to Thames Christian College for their netball fixture.

The pace of the game started very quickly. **Mia** was decisive in Centre position whilst **Bibi, Kansas** and **Angelica** started the game speedily, sending the ball up the scoring third. **Rhiya** and **Zaya** worked well in both goal shooter and goal attack positions whilst **Yasmin** and **Maya** were doing their utmost in defence to keep the ball out of our goal. The opposition were very strong and made some great passes within the game. We also made some great interceptions on the defence, but they were just too strong. The first half came and went and everyone's pace began to rise and spirits grew to give the opposition more of a run for their money. The improvement from PPS was significant and we dominated the play. The dedication of the team was great and it was safe to say that the girls were exhausted by the end as they worked tirelessly to the end. **Mia** was awarded the player of the match for outstanding play throughout the match. Her many bruises acquired from the game reaffirms her dedication to the cause.

It was an unfortunate loss for PPS but I am sure we will come back even stronger in our next match.

Final score: 6 TCC – 3 PPS.

Well done to all those involved,
Miss Boyce

U13 Netball Match vs Thames Christian College

Squad: Millie, Beatrice, Rosie, Helena, Lucy, Esther, Lily (Captain), Bibi, Farida

On Monday 18th September, the U13 girls netball team made their way to Thames Christian College for their first netball fixture this academic year. PPS made a great start with the first goal being scored within a matter of minutes. **Millie** and **Lucy** were in defence and made great interceptions which in turn lead to **Esther** scoring 2 goals. The opposition was strong and they made few errors. After the 1st quarter we were drawing, and needed to inject some speed into the attack to outwit the opposition's fast defence. **Lucy** took on the role of GA and made some spectacular shots. **Beatrice, Rosie** and **Lily** delivered great passes into the circle, and we were able to take the lead. Everyone dug deep and worked hard to prevent the opposition from scoring.

We dominated the second and third quarter and were showing great determination and drive. TCC swapped their GA who was making the defence work hard. **Farida** and **Millie** were not going to be beaten and made excellent interceptions, making it difficult for TCC to deliver a successful pass into the attacking circle. TCC eventually caught up and we finished on a draw, 9-9. All the PPS team were outstanding, and everyone worked well as a team. **Millie** from Year 7 made excellent defensive and attacking contributions which didn't go unnoticed having received player of the match!

What an exciting game...

Well done to all those involved,
Mrs Hare

U14 Ibstock Place 6-A-Side Football Tournament

The school year has begun again and the annual Ibstock tournament is always one of the first fixtures on the Year 9 fixture list. The tournament, that includes a number of schools from the London area, has always been a tough contest with many of the schools bringing some of their strongest players. It was a tournament of grit and determination by the Year 9 students who did the shirt proud in every game they battled for.

Portland
Place
School

Sports report

With Captain **Humphrey**, leading from the front it was a tough start for the boys who were up against St James' who gave stiff opposition for the slick passing of the PPS squad. Straight from the start, it was all about attack for Portland who tried to put the opponents on the back foot, but it was on a counterattack that the squad let in the first goal. After a fantastic set of

Sports report

possession with **Spike, Richard** and **Dexter** all working together in the midfield, the PPS squad were broken down and even after an incredible save by Harrison, we were unable to stop a tap in on the rebound. Even after falling behind the PPS squad carried on with their attacking prowess. With **Eddie** holding the centre back, it allowed **Nate, Spike** and **Humphrey** to continue to move forward and test the St James' goalkeeper. PPS were unable to get a goal back and after some brilliant moves by their opponents, the squad fell to a 2-0 defeat in the first game.

On to game two. It was all change in the squad with players like **Tyler, Tom, Finn** and **Joey** all coming into the squad to play Kew House. Once again, it was a fantastic start by the players who started moving the ball around the large pitch forcing their opponents to chase the game. Working closely together it was only a misplaced pass that allowed Kew to break down the defensive line and slot in a great shot past Harrison in goal. This didn't deter the squad who continued to attack at all costs with some lovely balls being played over the top towards the chasing **Richard** and **Humphrey**. The latter was the one who opened up the scoring for the PPS squad. A through ball by **Nate** saw **Humphrey** fly past his defender and power home a shot from the edge of the box. The 8 minutes flew by, and the game became end to end.

Game three, was Rutlish, who over the years we have been going to the tournament have come out as winners or in the final. This was going to be a tough battle and with the Any Given Sunday speech by Al Pachino running round their heads (Mr Steward vaguely quoted some), the students went inch by inch, minute by minute throughout the game, holding off attack after attack. **Eddie** and **Nate** at the back complimenting each other throughout and with **Harrison** in goal screaming orders the PPS squad were holding out. Although the strong Rutlish kept pinning the squad back, there was some fantastic play by **Spike** and **Dexter** who continued to run, chase after the ball and open up any mistakes that came their way. This was shown when a slick move saw them attack through the defence only for a last-ditch tackle to come and save the day. It wasn't meant to be for PPS who were unable to hold out throughout the game but came away losing 1-0.

Portland
Place
School

Sports report

With the heat ramping up and tiredness coming in the Portland Place football, they found the final two games difficult. St Dunstan's and Ibstock came at the wrong end of the tournament, but it was a fantastic show of resilience as the players continued with their attacking and constant passing, working both teams around the park. The PPS squad who, had worked extremely hard throughout the tournament, finished with a 3-1 defeat and a 1-1 draw.

Portland
Place
School

Sports report

U12 Football vs Thames Christian College

The biggest cure for a Summer Hangover is being able to take the field in your first fixture for Portland Place, and on Monday afternoon Portland Place U12s took the field in a football match against Thames Christian College.

With a lot of new students entering the year and the students, only having a few lessons to gel it was a tough challenge for the Year 7's. Co-Captains **Jacob** and **Joshua** both led the squad in the opposite ends of the pitch, Jacob holding a good defensive line alongside **Nathaniel, Max** and **Ray** and Joshua holding his own up front.

The game started at a great pace with **Roman** playing some fantastic balls in the middle of the park, using his power to dislodge the ball from the opponents on a number of occasions. As well as holding his own up top, Josh was happy to play off his new best mate **Oisin** as they linked up effectively throughout the first half. Both were happy to flick the ball past their defenders and use their pace to get to the bye line, winning corner after corner.

It was a fantastic move from the PPS squad that saw the first goal of the game. Ray, playing at left back, managed to win the ball from his attacker before passing the ball into the middle where Roman was happy to advance at a rate of knots, driving forward and pushing the defence

Sports report

further and further back. A nice soft ball played to Josh allowed him to turn his centre back before a delicate ball was passed through to the flying Oisin whose first touch took him towards the goal and a sharp right boot saw the ball fly past the helpless keeper.

It wasn't all attack for the team who did defend well in the first part of the half, holding out Thames, who were unable to break down Jacob and Nathaniel and in turn were unable to put any effective shots off on Lincoln in goal. It was a tough turn when Thames managed to get past the defence and PPS were unlucky with a couple of goals just slipping past Lincoln.

The second half became tough with both teams getting tired but when Thames were able to bring on a number of players it was an uphill battle for Portland. However, there was no drop in heads with everyone battling to the end and this was rewarded with a fantastic solo goal by Roman, who thoroughly deserved the 'Sui' celebration.

It was a tough loss for the Year 7 students but as it was their first game, it was amazing to see that not a single head dropped throughout the game and each student encouraged and motivated each other. With a number of fixtures throughout the term it will be amazing to see the improvements to each player.
