Action for Happiness

Optimistic October 2023

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
1 Write down three things you can look forward to this month	2 Find something to be optimistic about (even if it's a difficult time)	3 Take a small step towards a goal that really matters to you	4 Start your day with the most important thing on your to-do list	5 Be a realistic optimist. See life as it is, but focus on what's good	6 Remind yourself that things can change for the better	7 Look for the good in people around you today
8 Make some progress on a project or task you have been avoiding	9 Share an important goal with someone you trust	10 Take time to reflect on what you have accomplished recently	11 Avoid blaming yourself or others. Find a helpful way forward	12 Look out for positive news and reasons to be cheerful today	13 Ask for help to overcome an obstacle you are facing	14 Do something constructive to improve a difficult situation
15 Thank yourself for achieving the things you often take for granted	16 Put down your to-do list and do something fun or uplifting	17 Take a small step towards a positive change you want to see in society	18 Set hopeful but realistic goals for the days ahead	19 Identify one of your positive qualities that will be helpful in the future	20 Find joy in tackling a task you've put off for some time	21 Let go of the expectations of others and focus on what matters to you
22 Share a hopeful quote, picture or video with a friend or colleague	23 Recognise that you have a choice about what to prioritise	24 Write down three specific things that have gone well recently	25 You can't do everything! What are your three priorities right now?	26 Find a new perspective on a problem you face	27 Be kind to yourself today. Remember, progress takes time	28 Ask yourself, will this still matter a year from now?
29 Plan a fun or exciting activity to look forward to	30 Identify three things that give you hope for the future	31 Set a goal that brings a sense of purpose for the coming month				

ACTION FOR HAPPINESS

Happier · Kinder · Together

This month's theme is **Optimistic October**. Making goals achievable and ensuring we have a few short term, as well as long term (more ambitious goals), helps us feel we are making progress. It does not matter if the goal for the day is something really small, the important thing is to give ourselves the opportunity to feel that we have achieved something and to celebrate that. This month's calendar is full of ideas to help us think about how we can put this into practice.

Thank you for your ongoing support, Ms Florea

**HUMANITIES
FACULTY/PREFECTS
FOR YEARS 10 & 11**

Portland
Place
School

Noticeboard

The Humanities Faculty would like to provide students the opportunity to gain recognition for their passion and build their skills in History, Business and Economics.

We are excited to announce that this year, Business/Economics and History will be introducing subject **Prefects for Years 10 and 11. Younger pupils are welcome to apply to assist senior prefects in their duties.**

General responsibilities will include:

- Helping to promote and support events
- Help run an Enterprise Club with Ms Thorne
- Presenting to Year 9 pupils in assemblies for option choices
- Supporting on options evening to promote the subject to Year 9 pupils
- Open days and open events – representing the Faculty
- Writing articles for the Weekly Buzz when needed
- Helping with displays, stalls, charities etc

What do you get?

- Subject Prefects Badge
- House points (Cavendish, Devonshire, Langham, Wigmore)
- Early lunch passes on certain days
- Boost for your CVs and College applications
- + more

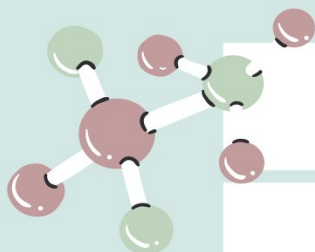

We will be holding interviews for applicants on **Monday 2nd of October** at lunch time in Room G34 (GPS).

Hope you see you soon. Ms Thorne

Science Prefects

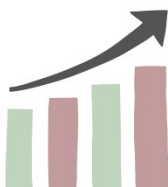

POSITIONS AVAILABLE

- KS3 Science Prefects
- Open to Y7-9 - two positions available
- KS4 Science Prefects
- Open to Y10-11 - two positions available

BENEFITS

- Personalised Lab Coat
- Science Rewards Trip
- Science Prefects Badge
- House Points (Cavendish, Devonshire, Langham, Wigmore)
- Early lunch passes on certain days
- Boosts CVs and College
- Applications
- + more

GENERAL RESPONSIBILITIES

- Helping with open days and open events
- Writing articles for the Weekly Buzz Column when needed
- Promoting extracurricular Science opportunities
- Helping to run activities during Biology Week and Science Week
- Involvement in planning trips throughout the year
- Helping to run assemblies during Science Week

HOW DO I APPLY?

Your first task as a prefect will include helping the Science Department judge The Great Biology Bake Off, which will take place on Tuesday 10th October at lunch time.

Please email Miss Silcocks (harriet.silcocks@portland-place.co.uk) a brief outline of why you would be suitable for the role by Wednesday 4th October. We will be in touch to organise your interview.

Scan the QR Code to email.

The Parents Network needs your support!

We are currently seeking reps, please join us!

We are an informal group of Portland Place School parents who help support the school community.

Being a parent rep is a great opportunity to get to know parents in the school and involves organising and supporting social events for the children and parents of your year group, some of which include:

- Christmas ice skating at Somerset House
- Parents v Teachers Quiz Night
- Parents brunches & drinks

Please contact your Head of Year or Alexis Welch via Classlist if you are interested in becoming a parent rep or would like to know more about the Parents Network.

Please donate only good
quality official (new logo)
uniform please!

I would like to thank Mr Lee for his brilliant 'Peer Pressure & Kindness' Assembly with Year 10 last Tuesday, focusing on kindness and how every contact leaves a trace.

In particular, he employed a very clever metaphor about banter which I thought was very hard hitting - using a piece of paper, which he crumpled every time it experienced a negative interaction. Four bits of banter in, it's still recognisably a piece of paper, but crumpled and looking rather sorry: in a way, I thought this was an excellent way of showing how sometimes even your friends can leave you feeling a little crumpled.

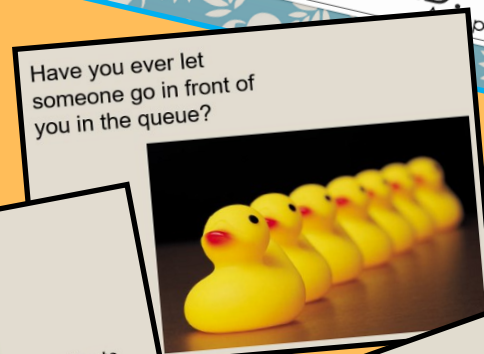

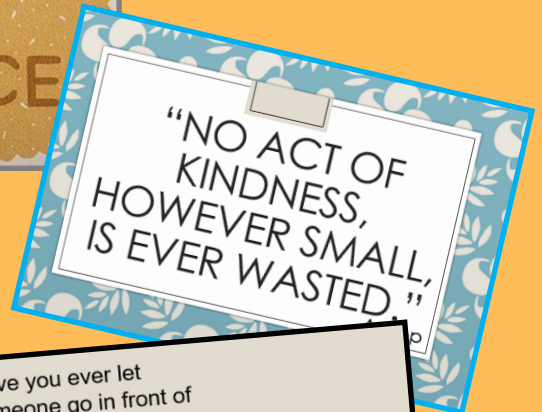

We are always working on making interactions between students positive, but Mr Lee had us all spellbound - many thanks to him for leading this discussion.

Mr Tasic

News

Year 7

Last week Mr Lee ran an assembly with year 7 on the topic of peer pressure and kindness. It was pleasing to hear year 7 talk maturely and confidently about the complex issue of peer pressure. Pupils came up with some excellent examples and showed a good understanding of the dangers of peer pressure.

Mr Lee also spoke passionately about how simple acts of kindness can have a very positive impact on not only individuals but groups of people and the whole the school community.

Mr Kubic

THE WALL OF KINDNESS

Ms Florea really appreciates the kind support Tymur gives Todd during the Study Sessions. She also wants to thank Ms Baig for making her smile every time they cross paths!

Amelia (Hybrid Y9) would like to thank Ms Baig for being there when we need help.

Thank you to Dominic in Year 8 for being very generous with his snacks!

Christian (Hybrid Y9) would like to thank Mr Tasic for being so much fun and kind during VeloPark Enrichment.

Many thanks to Ahlam & Christian for taking time out of their busy schedule to take part in the Hybrid Open Event on Tuesday. Much appreciated. Ms Wild

Ms Florea and Ms Zalesny took their classes to experience some creative apps and discover Virtual Reality.

Students focused on Geography this time, looking at Ocean Rifts and National Geographic. They particularly enjoyed climbing mountains in Peru and swimming under water with different species, such dolphins, turtles, whales and even sharks! An interesting experience, especially for Mrs Florea who isn't sure she wants to drive scuba diving anymore!

VELOPARK UPDATE

It's been an exciting start to the term in VeloPark – with a rescheduled session thanks to last week's horrendous weather, some thrills and spills on the MTB trails, and some high-speed peloton racing on the road circuit so far – we've had it all already! The students have been really enjoying the time on the road circuit, allowing everyone to find their pace and participate in some drafting exercises. This is really a lovely time of year for it, too – with mild weather and a gentle breeze this week providing enough challenge with some decent opportunities for racing. The first week was absolutely roasting, but this Wednesday we decided that we would form a paceline at about 20km/h and see if we could get everyone riding together for the session – with plenty of success!

Our instructor Veronika was very impressed with the results – she said it was her favourite session of the term so far – and she spent the session helping our younger riders keep the pace or work on their technique. She would like to shout out to **Victor, Zack** and **Nico** for their perseverance on the road! From us, well done also to **Luke**, who kept pace and rode with us for the hour in a very relaxed and collaborative way, and also to **Christian**, who helped **Damian** realise his sprinting potential from the front of the bunch! A total distance of 26km for the hour is a decent shift at the road circuit – next time, we'll be going for 30!

Next week, we return to the mountain biking area where we'll be honing some trail skills; then it'll be on to the BMX course and Velodrome Track for the first time ever – more updates to follow!

ROBOTICS ENRICHNMENT

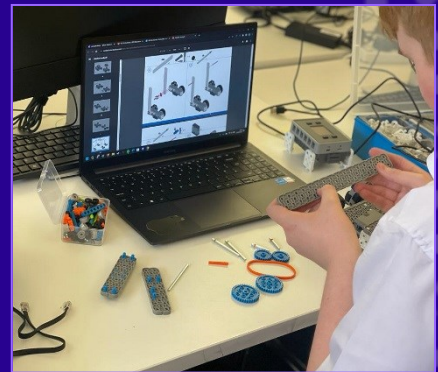

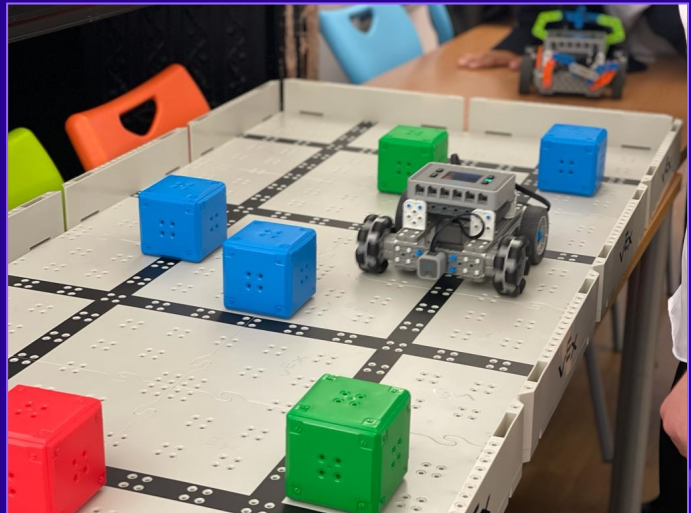

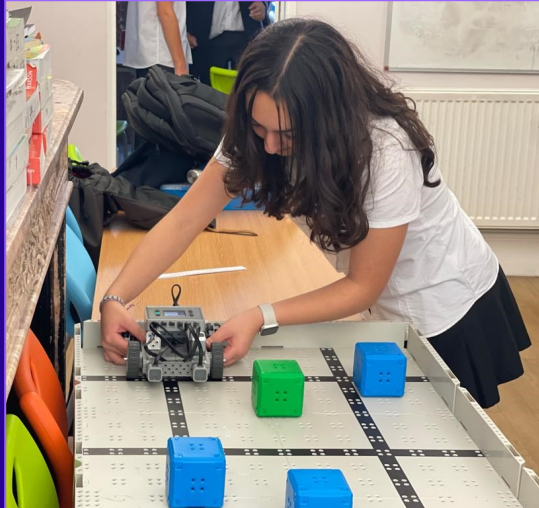

Ms McBain

The last few weeks has seen robotics in full swing! Students have competed in two competitions:

Competition #1: Coding Challenge- Students were to program their robots to move through a maze without hitting any blocks in their path. They were not allowed to use their controller. The winners were **Nicky** and **Jet** who were the only duo that didn't hit a block!!

Competition #2: Engineering Challenge - Students were to build a claw robot that would move blocks on to their home base. The team with the most blocks at the end of 10 mins were the winners. Students were allowed to knock other teams blocks off and steal. Two teams came out victorious and a "sudden death" round ensued. **Mariam** and **Maxwell** vs. **Nils** and **Ayub**. Two minutes was set on the clock and whichever home base the single block was closed to at the end, were declared the winners. After some tricky manoeuvring, **Nils** and **Ayub** were crowned victors.

U/14 Netball Match

PPS Vs NBHS

Squad list – Mia, BiBi, Kansas, Lila, Angelica, Yasmin, Zaya, Rhiya and Maya

It was an extremely sunny afternoon down at Regent's Park where PPS were all geared up to play NBHS. The game started with a bang and NBHS went straight on the attack. With fast and furious passing, NBHS gained an early lead to the dismay of PPS. We tried to get back into the game with some good defensive play, but they were just too fast for us from the offset. Despite this, the work rate from PPS was phenomenal and this only got better the longer the game went on. We saw some great play from **Mia** in the centre position who made some amazing passes and interceptions throughout the game. She worked hard alongside **Bibi** and **Angelica**, **Maya** and **Lila** who were persistent in their efforts to get the ball up to the oppositions goal. **Kansas** and **Yasmin** were great at the back in their defensive positions working hard to intercept and block passes to get PPS back onto attack. Much to our dismay, the game ended in a 10 – 2 loss, but we saw 2 effortless goals from both **Rhiya** and **Zaya**.

Mia and **Bibi** were chosen as the players of the match for PPS so a huge well done to them. Well done to all the team involved, it was a very gutsy performance indeed.

Miss Boyce

PPS u15's Match Report

PPS 5 v 1 TCC

On Tuesday 19th September PPS u15's made their way to Battersea to take on Thames Christian College in their much anticipated first football fixture of the season. PPS looked sharp in the early stages - it seemed PPS had brought the fast-paced passing and composure they have been showing in lessons into the match. It wasn't long before PPS opened the scoring when **Tec** managed to race on to a through ball and poke it past the onrushing keeper. The boys looked comfortable and confident in possession but did then concede against the run of play when a defensive error was punished. PPS kept their composure and went ahead mid-way through the half through **Tec**, who turned and finished well from the edge of the area. PPS started to dominate possession towards the end of the half and added two further goals before half time, both from penalties! **Spike** powered a well taken penalty into the bottom corner and **Tec** drilled an accurate effort in the bottom corner to record a first half hatrick!

Portland
Place
School

Sports report

In the second half TCC had a positive start, but PPS looked solid at the back. Thames started to have more possession but were limited to efforts from distance which goalkeeper **Rocky** dealt with well. It was a more competitive second half and the game became scrappy in the middle of the pitch. With 5 minutes of the match remaining PPS found a 5th goal through **Max D** – much to the delight of Max and his teammates, as it was his first 11 aside goal for PPS in a long time! The score remained the same as PPS u15's opened their season with a 5-1 victory.

This was a very positive start for our u15 boys football team. The score line was a little harsh on TCC, but PPS did play some great football for long periods of the game. Humphrey had an excellent all action display, Tec scored a fantastic hatrick but player of the match goes to **Josh** in his first game in a PPS shirt. Josh was brilliant in centre midfield and caused constant problems with his vision and creative passing. Well done boys!

Portland
Place
School

Sports report

U14s Football v TCC
PPS 3 v 0 TCC

Sports report

On Thursday 21st September PPS u14's took on Thames Christian College in a highly entertaining game of football. PPS started well defensively, making some good tackles in important areas. In the early stages PPS gained control in central midfield but it was clear TCC offered a threat from wide positions. PPS had the lion's share of possession but were struggling to get the weight of their final pass right. Midway through the first half the game was a little scrappy with both teams giving away possession frequently. However, it was PPS who broke the deadlock when **Spike** capitalised on a keeper error. 10 minutes later **Spike** added a second when he did well to keep the ball in play, beat a defender with an excellent dummy and drilled the ball into the bottom corner from a tight angle, an excellent finish. 2-0 to PPS at half time.

At half time the boys discussed the importance of remaining solid at the start of the second half as they knew TCC were still very much in the game despite the 2-0 lead. PPS started the second half well, showing good composure and patience on the ball. The boys played maturely, they didn't try to play in the wrong areas and worked well as a team defensively. TCC had some efforts from long range, but PPS goalkeeper **Harrison** was switched on to the danger and the efforts were well saved. Towards the end of the match PPS sealed the victory when **Nate** played an excellent pass to set **Spike** up one-on-one with the goalkeeper. He made no mistake and placed the ball into the bottom corner. 3-0 to PPS the final score.

This was a positive performance from the u14 boys. Defensively, they played particularly well and were rewarded with a clean sheet – something quite rare in school football. Humphrey, as always, had an excellent game, Nico showed great footwork and creativity in midfield, but player of the match goes to Spike who scored a brilliant hatrick and had a fantastic all-round performance.

Well done boys!

Battling U13's Unable to Beat North Bridge

It was not meant to be for the Portland Place U13 football team, who took an agonising loss to a strong North Bridge House team.

A fantastic start by the squad was marred by some silly mistakes, which saw their opponents take full advantage. With a wealth of talent being shown on both sides, it was PPS who took the first sting with a fantastic move from the middle by **Josh** and **Nico**, which saw **Oisin** run through on goal. Only his own foot could stop Oisin and stop him it did. A small miss control stopped the attack, and the opposition were able to get back in numbers and retrieve the ball. This was one of a number of lightening attacks that PPS put on their opponents; some slick passing from the midfield and the introduction of **Enzo**, saw a great ball hit through the middle but a last gasp tackle managed to stop Oisin from getting another great shot off.

With the attack in full flow, it was up to the defence to hold out and with some cracking tackles from **Jacob** and **Roman** it seemed that this game needed something special to open the locks and unfortunately this was created by North Bridge. After holding out and defending with their lives a bullet of a shot from the left winger saw a diving **Ted**, unable to hold onto the ball. 1-0 seemed very harsh on the Portland squad who continued to work hard

Sports report

with **Dario** pushing his defence up, putting pressure on the opposing team but it was a fantastic ball over the defence that saw the attacker slip past them and slot another goal in.

Half time came and positives were thrown about throughout the team talk. Nico pushing his team forward and **Noah** giving a boost of confidence as the team came back on. Noah, who was playing right back managed to motivate himself to play some fantastic balls down the line to **Zane** but was just as effective in defence holding firm when he was set upon.

The second half saw more of an attacking tactic from PPS who managed to get round the back of North Bridge on a number of occasions with Oisin, Josh and Nico all coming extremely close to bringing the game back.

It wasn't without trying that PPS were unable to score. The strikes were coming thick and fast for the goalkeeper, a volley, a free kick, a low shot, a powerful rising shot, nothing seemed to want to hit the back of the net. After mounting of pressure North Bridge were unable to hold out and a rifling shot by Nico hit top bins!!

It was a fantastic show of football by both teams and everything was left on the pitch but a 4-1 defeat broke PPS hearts.

NEXT WEEK'S CLUBS & FIXTURES
