Refuge is when you have to seek shelter in a different country.
Escaping a country can be hard and settling in can be hard because people might treat you differently.
Finding a new home is difficult and challenging because you might not have enough money.
Understanding a different language is challenging.
Getting use to different Cultures and surroundings is stressful.
Everyone dose have difficulty getting use to it but trust me you will be able to.

Refuge gives shelter, spells salvation,

The enemy is near, but we are safe.
You are allowed to fear, we are under strafe.

For you are strong, and do not need a gun.
The enemy is gone, and doubt is cleared.

In a cool valley under a blanket of stars full of darkness, a mass of fear filling ancient people.
They had created a stone labyrinth under the valley that was now being sealed off by a stone circle hiding the cold steeple.
Families huddled together in fear, scared of what they will hear.
Their hearts beat with the Gods and their souls come together in pods.
Their power would be gauged
Against the Gods rage.

A tale of migrants a story of strife
Their journeys long, their struggles rife
Leaving homes, leaving all they know
To seek a new life, to reach a new glow.
Their paths are fraught, their roads unpaved
Their journeys marked by joy and grave
Their hopes and fears, their every thought
As they seek a new life, a new found sought.
But though their road is long and hard
Their spirits unbroken, their hearts
unharm'd
For they know that in a new land
They'll find a brighter future, a new found
stand.

All I want to do is run away
I want to be free but I can't leave
I am stuck here in Syria waiting to be free
But all I see is war
I want to see the blue sky, green trees and my friends
again
But yet there's just the grey sky, the rain and the
distant sound of guns and bombs
I'm stuck here and there's nothing to do.

THE CARTOON MUSEUM

This week for Enrichment, the Digital Drawing club visited The Cartoon Museum. The museum has an immense collection of cartoons, caricatures, comics and animation. Some dating all the way back to the 18th century.

Ms Dever and Sir Carl were especially excited to see the *Wallace & Gromit: The Wrong Trousers* exhibit, celebrating their 30th birthday!

Our students had an exciting time practicing their cartoon making skills. This visit served as inspiration to the students, who will now create their own comic strip

We left with smiles and a pair of trousers courtesy of Feathers McGraw. Do visit the Cartoon Museum, the exhibition is running until 16th April 2024.

A huge thanks to Massimo for taking the time out of a busy schedule to do this for us and to Catia Lagrotteria for the introduction. Grazie mille!

Babur / Year 8 8km Swimming Challenge

Year 8's Babur is one of our best swimmers, as he proved at our House Gala, last winter and will be putting his talents to the ultimate test, by swimming 8km to raise money for Great Ormond Street Hospital. He will be covering the distance in instalments throughout October and having completed his first kilometre he has already raised over £500! Below is Babur's just giving page link. If you'd like to support Babur on his challenge and help raise money for a very worthy charity, please follow the link.

Year 8 Netball vs St James'

***Squad List:* Helena, Lucy, Esther, Lily, Bibi, Farida, Catherine, Angelica**

The Year 8 netball team made their way to St James' last Monday for an exciting netball match. We knew it was going to be a hard game but were confident as we have been making heaps of progress in netball recently, lots of practise and lots of determination.

Lily, our team captain took the first centre pass, and we were off to a flying start. We scored the first goal of the game, and it was scored by our fantastic GA, Lucy. The first quarter was extremely tight as it was goal for goal. St James' scoring, followed by a goal from us.

The second quarter saw St James' take a lead. Their defence was extremely strong and were giving Esther (GS) and Lucy (GA) a difficult game. They were making it difficult for us to get a successful ball into our attacking circle. Lily and Beatrice had to think outside the box when trying to get the ball into our attack. Both players were determined and did some great sneaky bounce passes trying to outwit the opposition. Unfortunately, St James' started to pull away, their GS was not missing any shots. Helena and Farida, our defence, made some great interceptions and were able to create some goals out of these turn overs.

Sadly, it was not our day as St James' continued to successfully score from every shot they took. We had a great a match but lost 14-9. Our player of the match went to Helena for her great interception and pressure she created in the circle.

Well done, Year 8!

Year 7 Netball vs North Bridge House

Squad: Lincoln, Nathaniel, Beatrice, Billie, Rosie, Talia, Sonia, Millie (Captain)

On the 26th of September the Year 7 netball team made their way to an exciting away match against North Bridge House. We had a great team out and we were confident we could win.

We made an excellent start with our first goal being scored by Lincoln within the first minute of the game. North Bridge House took the second centre pass and our team captain, Millie was able to intercept the ball and turn it into our second goal. We took the lead and we held most of the possession. What a great start!

After the second quarter we were leading by several goals. Nathaniel and Lincoln were demonstrating great teamwork in the circle and were on fire, hardly missing any of their shots. Centre court players, Talia, Sonia and Beatrice were delivering great balls and turn overs.

The whole team played exceptionally well, and we secured a win, 9-4! Fantastic effort from the whole team. Nathaniel received player of the match for his amazing shooting!

U13/14 football vs North Bridge House Canonbury

On Monday afternoon, Portland's Year 8 and 9's faced North Bridge at Regent's Park. The squad of 13 players made a bright start, dominating possession and territory. Spike and Nico were getting plenty of ball in the middle and Humphrey was causing the defence no end of problems as he ran at the NBH back four. A couple of shots went wide, and Portland probably should have created some better chances. Their period of dominance ended as NBH began to find their shape. The PPS work rate began to drop off and North Bridge started stretching our defence. A couple of pacy players proved difficult for our back line to tackle, but it was Portland's own mistakes and failure to clear balls when the opportunity was there that allowed NBH to take the advantage. In a ten-minute period that saw Portland in momentary disarray, Canonbury put three past Dexter in goal. The first was a high shot that he couldn't reach, whilst the second came from an intercepted square pass. A minute later NBH were awarded a free kick on the edge of the area which they once again looped beyond our keeper's reach, just under the crossbar.

In the second half, PPS sought to steady the ship. Nate continued to make a great deal of tackles and interceptions, whilst Richard saw plenty of possession, linking with Spike and Humphrey. Oba looked pacy on the left and at the back, Harrison had a very solid game at centre back

Sports report

after making a change from his usual goalkeeping role. Portland kept NBH at bay and looked as though they might see out the half with a clean sheet, but North Bridge were awarded a penalty late on, which they converted. PPS were not deterred in trying to get on the score sheet, but the goal proved elusive. Humphrey had continued to attack throughout the second half and was unlucky not to have scored two or three, having hit the woodwork twice and seen another effort slip narrowly past the upright. In the dying seconds he found possession in the corner of NBH's penalty area and having played a short pass was taken out in a clumsy, badly timed challenge. Humphrey picked himself up and coolly slotted home from the spot to give PPS a much-deserved goal right on the final whistle.

After the game PPS reflected that some better decisions and more decisive play at key moments might have resulted in at least two of North Bridge's goals being avoided. Had luck run more in their favour they might also have scored a few of their own. There were many excellent performances from Portland's players and plenty to be positive about. The squad will continue to build on their skills and tactics and learn from their mistakes.

Well done to all who played.

U13's win a 9-goal thriller at Ibstock

After a tough and disappointing fixture against North Bridge, this was a fantastic comeback as the Portland Place U13's squad beat Ibstock 5-4.

A tense beginning to the match saw both teams go back and forth, passing with slick elegance and testing the keepers. It was a debut in goal for Neak and boy! What a debut it was! Straight from the start, the Ibstock strikers put Neak under pressure, but he came out on top, diving down to the low balls, using a strong hand to parry a shot away and talking with his defence throughout.

With Enzo and Nico controlling the middle of the park, it allowed Oisin and Roman to run down the wing and sling balls into the box for Josh to attack and attack he did! The young striker used his footballing knowledge to test the defence, turning, pushing, and passing past the defenders who really struggled to hold him off.

The defence seemed to be strong and seemed to be working together with Noah and Ted being bossed around by Jacob who played a fantastic game throughout. It wasn't all positive but that's the nature of football. The Ibstock team continued to put pressure on the defence and some great play by the attackers opened-up the defence and in a matter of minutes PPS were 2-0 down and it was an uphill battle for the boys.

Sports report

A fightback was on the cards and Nico continued to dominate in the centre of the park and help provide endless attacks being rained down on the Ibstock keeper. Although the keeper was able to hold out and some scramble defence blocked a number of shots, Josh broke the deadlock. A fantastic low driven corner from Enzo saw Josh use the heel of his boot to guide the ball past the helpless keeper.

This was the start of PPS taking the game by the horns. Breaking down the defence became easier for the PPS squad whose confidence began to rise and after a fantastic solo run, which saw Nico take on 5 of the Ibstock players, before slamming a shot into the back of the net, PPS went into the half on level terms.

The second half started with a flourish. PPS continued where the first half had ended and put huge pressure on their opponents. Roman, who continued on the left wing, was magnificent in pushing his opponent further and further back and it was this that led to the third goal. The Ibstock right back was struggling to get out of his own quarter and after stealing the ball back, Roman whipped in a pass and after an elegant touch, it was a Dennis Bergkamp style turn and

Sports report

volley. It was a classic goal from Josh to allow PPS to take the lead.

It was now all Portland Place. The midfielders started passing the ball more frequently and with Dario and Zane both adding extra energy to the team and it was Dario who got his first goal for PPS later in the half. The wings were the main source of attack for Portland; some silky passing in the middle saw Enzo have a strong run down the wing and after a double assist from Oisin and Josh, Dario was able to knee the ball into the net. The celebrations were wild, screams and shouts and Dario running towards the players with a huge smile on his face. It was an unforgettable moment.

Not to be out done by Dario, Josh got the final goal for PPS. Another great cross from the wings saw an easy tap in for Josh who ran off to celebrate, not just his first goal for Portland Place but for a great Hat Trick.

The whole team had a fantastic performance, but special mentions go out to Nico (controlling the midfield), Neak (making some vital saves), Ted (fantastic performance in defence). All in all, it was a great performance after the week before.

Under 15's Netball vs North Bridge House

Squad: Cora, Marta (Captain), Isabelle, Mia, Annabelle, Sasha, Leal, Kansas

The U15 netball team had an action-packed home game against North Bridge House last Wednesday. The game was high energy and had a nail-biting finish!

North Bridge House took the first centre pass, and our defence, Leal and Isabelle were able to successfully prevent them from scoring by making a fantastic interception. The game was fast paced, and all players were digging deep! Cora made some great assists and was able to outwit the tall oppositions defence. Marta's shooting was exceptional, she scored 9 of the 12 goals we accumulated. We finished the third quarter on a draw, and we knew we needed to fight a little harder to secure a win. Kansas injected our team with some much-needed energy. She was able to help the defence make some turn overs which would help us win the game.

The final minute was nail-biting and exciting. We were drawing 11-11 and desperately needed a goal to win the match. Sasha set up a centre pass and we all knew time was against us. Centre court players Sasha and Annabelle delivered a great ball into Marta. With seconds left on the clock Marta scored the winning goal. We won 12-11! Player of the match went to Marta and the oppositions player of the match went to GD who was marking Marta. Both played exceptionally well and gave each other a tough time.

Well done Year 10 and Year 11 students!

U16 Football Vs Ibstock Place

PPS 6 v 1 Ibstock

On Wednesday 4th October PPS u16's took on Ibstock Place School in an entertaining game of football. The boys got off to an excellent start with **Miles** finding the back of the net with a composed finish in the opening few minutes. PPS dominated possession in the early stages but were a little guilty of giving away sloppy passes and picking the wrong option at important moments. The back four of **Max**, **Charlie**, **Albert** and **Ethan** (who played out of position) all looked solid at the back, making a number of interceptions and tackles as soon as Ibstock got anywhere near the final third. PPS scored two goals in quick session midway through the first half through **Tec** and **Sonny** to open up a comfortable lead. PPS continued to push for more goals and were unlucky not to add more with **Tec** crashing a header against the cross bar and **Miles** and **Ethan** also coming close with long range efforts. The score remained 3-0 to PPS at half time.

Sports report

In the second half PPS once again got off to a great start with **Tec** scoring in the first couple of minutes after capitalising on a mix up between the keeper and centre back. **Miles** then added a second. **Sonny** drove down the right wing and cut the ball back to **Miles** who whipped the ball first time into the roof of the net! **Lucas** and **Albert** linked up well on the left to create further chances and before the end of the match PPS found one more goal when Maxim played a neat pass to **Ethan** who rifled the ball into the bottom corner with his weaker right foot! This goal was celebrated more than others as it was **Ethan's** first goal for Portland Place School! The only blight on an excellent performance was that Ibstock did manage to score with the final kick of the game to deny PPS a clean sheet!

This was a very positive performance from our u16 team. PPS moved the ball well as a team, there was some excellent individual quality on display and the boys adapted to a different formation very well. **Todd** showed good footwork and an excellent passing range in midfield. **Lucas** had a very positive game in left midfield. **Miles** was a constant threat with his pacy, direct running on and off the ball and scored a fantastic brace. Player of the match goes to **Ethan** who showed great composure and game awareness at centre back. He constantly communicated with his teammates and set the tone for a very positive performance. He also finally got his much deserved first goal for PPS! Well done boys!
