Black History Month

October 2023

Prizes to be won!

> The English Department invites pupils from KS3 and KS4 to enter a creative competition to celebrate Black History Month.

KS3

Students should design a book cover for a title written by their favourite Black author. It should include a blurb too! Submissions can be digital or hand-drawn.

KS4

Students should write a 500 word literary non-fiction essay about an influential figure from any time in Black history. This can be about anyone you admire, from artists to musicians, sportspeople, activists or other historical figures.

KS3 works will be displayed in the school and the KS4 winner will be published in the Weekly Buzz. Please submit your entry to your English teacher by **Monday 30th of October.** Please ensure that all ideas are your own.

Forte/Inspired Partnership: Pathways to Performance

In partnership with the Royal College of Music in London, Forte has launched the *Pathways to Performance* programme exclusively for Inspired students.

Pathways to Performance programme at a glance:

- The programme offers a package of virtual private lessons, exclusively for Inspired students, with otherwise inaccessible top music tutors certified by The Royal College of Music, the world's #1 ranked music conservatory. This will use Forte's exceptional online music tuition platform.
- Every private tutor has completed the Royal College of Music education programme, so they are not just excellent Royal College of Music musicians, but they have also been trained by the best in music teaching practice.
- The programme caters to students at high school level who desire to achieve advanced levels in their instrumental abilities and to those preparing for auditions or public performances.
- The programme features periodic online recitals that are coordinated with the Royal College of Music, presenting students with unique opportunities to showcase their talents before esteemed faculty members and instructors.

- Upon completion of the third set of lessons, students will have the chance to earn certificates issued by the Royal College of Music, further validating their hard work and achievements. These prestigious certificates are rarely received outside of full Royal College of Music enrolment.
- Students can take lessons in a diverse array of Western classical instruments, including voice.
- The programme can be used either as primary learning experience for students or as a supplement to their regular tuition, making it an adaptable programme suitable for diverse learners.
- The Pathways to Performance programme represents an exciting and unique opportunity for students to develop their musical skills in an innovative way.

Assembly on Cruelty Animal

Mr Alexander shared why this was a subject he was passionate about, he discussed personal experiences and talked about some the shocking facts and figures he uncovered whilst planning his assembly. Pupils explored the role of the RSPCA, were made aware of levels of animal testing, and spoke about the dangers of littering to wildlife.

Whilst not the easiest of subject matter, the year group were mature and contributed excellently to the discussion.

Congratulations to the winner of *The Great Biology Bake Off* – Mille for her Eat Your Heart Out Cake! Scarily realistic, this heart cake was baked with a delicious red velvet sponge, topped fondant icing and dripping with blood. Second place goes to Rhiya for her lungs cake, a delicious chocolate cake topped with buttercream icing. Third place goes to Inigo for his sperm cake! Light, fluffy and deliciously tangy, this lemon sponge cake was delicious! A special mention to our other competitors: Parissa, Maxwell and Ella for their brilliant bakes!

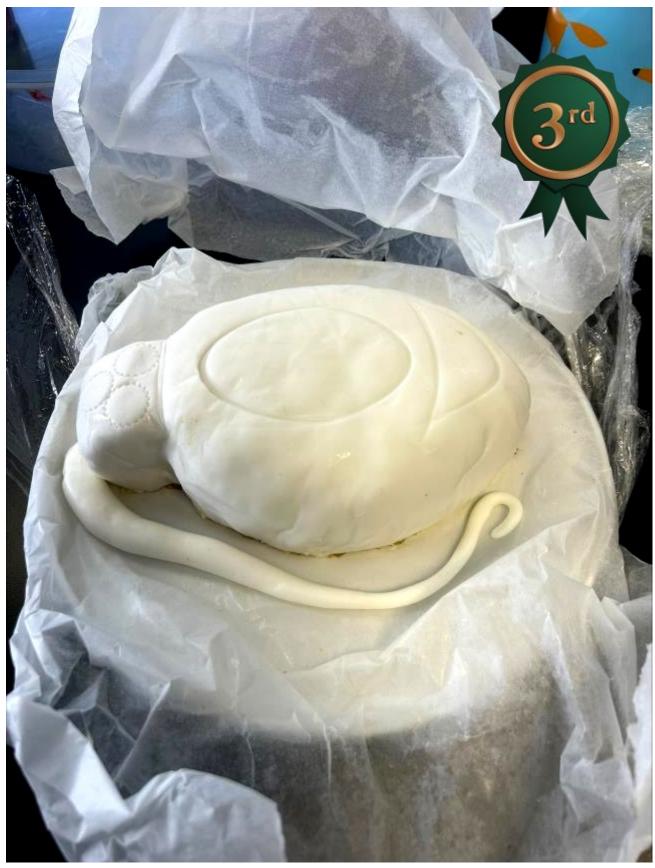

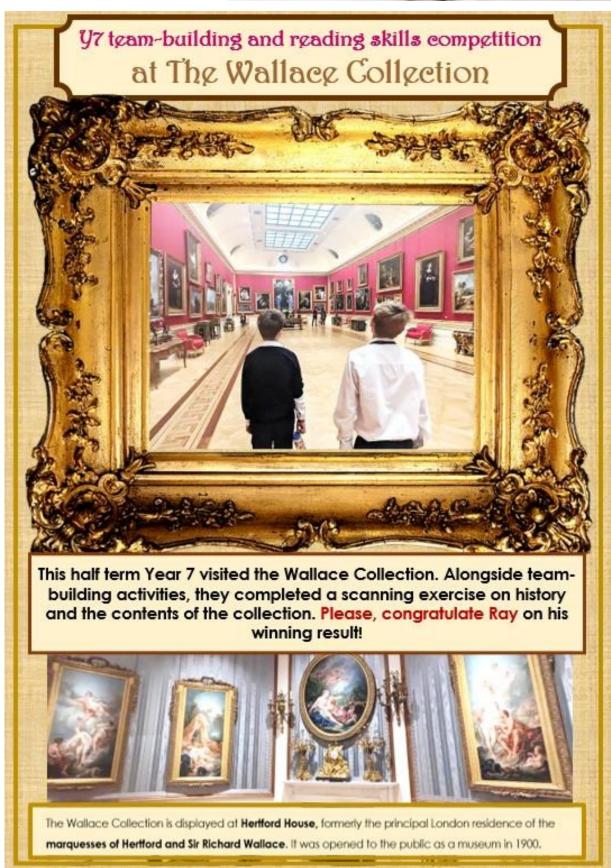

The Wallace Collection

Among the Collection's treasures are an outstanding array of eighteenth-century French art, many important seventeenth and nineteenth-century paintings, medieval and Renaissance works of art and one of the finest collections of princely arms and armour in Britain.

The collection of princely arms and armour is one of the jewels of the Wallace Collection.

Although some objects were meant for combat, many are beautiful examples of the armourer's art and were made for rulers and nobles across the world, from Shah Jahan, Mughal emperor, to Ferdinand I, Holy Roman Emperor.

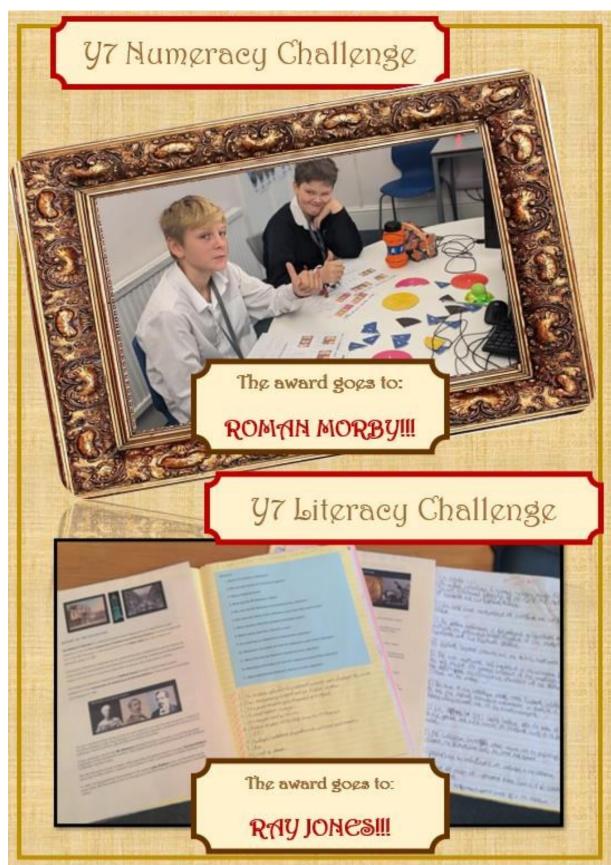

The Wallace Collection is home to an extraordinary group of European paintings, which covers a range of subjects, from landscapes to portraits.

It is remarkable for its quality and breadth, and includes masterpieces by artists such as Canaletto, Hals, Rembrandt, Rubens, Velázquez and Vigée Le Brun, to name a few.

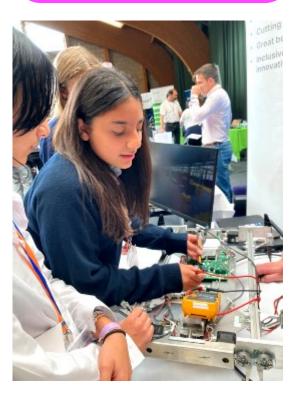

TEENTECH

FESTIVALS

Year Eight

On Wednesday Oct 11, the year 8 girls travelled with Miss McBain and Mr.Brittain to Basingstoke to take part in the Teen Tech Festival. At the festival, the girls took part in three events - innovation, insight, and challenge.

During the innovation hour, students developed an idea centred around technology in health care. The girls continued developing an app called "Home Health", which uses AI and links to the NHS app to support individuals get the medical care they need. During this session, they were able to break down their brilliant idea into smaller components to get a handle on what aspects they need to focus on. Watch for more information on the development of this app in later months.

During the insight hour, the girls talked to industry leaders like Haleon, Amazon, and Ocado- to talk about the use of tech and AI, as well as various career opportunities. Getting to use VR and talking with Ocado were the highlights in this session- as the girls asked brilliant questions and got some hands on opportunities.

During the challenge session we met with Alex Lewis of the Alex Lewis Trust - a man with an incredible story of perseverance and how technology helped him and how he helps others receive the treatment and technology they

need to regain their life. For more info on Alex, go to:

https://www.alex-lewis.co.uk/who-is-alex/alexs-story/

The girls also got to talk to professionals from Xtrac- the leading transmission building company for Formula 1 and NASCAR! They were given an assembly drawing and transmission pieces and tasked with putting them together!

One of the big highlights was that the girls won the "Super Safety" award for their innovative idea- "Home Health" and decided to enter it into the 2024 Teen Tech Awards!

ENRICHMENT

Over the past two enrichment sessions, students have been coding and engineering their robots to do a couple of different things! Last week was a contest to see who could modify their robots code to pick the most random pieces out of a pile. While Beckett and Yura came out on top, it could be said that Maxwell and Mariam were the real winners, as they grabbed the bag of sweets out of the middle.

After this, various treats were placed around the room and one member of the team acted as home base, while the other member of the team grabbed sweets and brought them "home" for the team to eat!

This week, was sadly the last week for this half-term enrichment- but undoubtedly the one the students looked forward to the most. BATTLE BOTS!! They were given time at the beginning of the session to engineer their bots to be the ultimate battlers!! In the end, it was Jet and Nicky who were crowned the "Ultimate Destroyers!!"

London 2012 Velodrome

This week's VeloPark
update comes from the
Velodrome where Great
Britain took the keirin,
pursuit and team pursuit
titles in the men's and
women's track cycling in
the Olympic summer of
2012 – and where, on
Wednesday, our
Enrichment group became
the first PPS students to
test the boards.

Track cycling brought a few additional challenges: fixed-gear bikes without brakes, clip-in pedals, and a track gradient up to 42 degrees to contend with – all challenges that frequently bring crashes as a result of the extremely steep learning curve. For context, this means that you only get one (tough) gear to pedal, no way of freewheeling, no brakes and a special technique to clip into and release from the bike – all at once!

Ms Silcocks and I therefore watched proceedings from the sidelines with a fair amount of trepidation. Needlessly, I should say, because the group quickly got to grips with the challenges and began lapping the track.

Christian does this all the time, so his patient expertise and coaching was a massive asset —

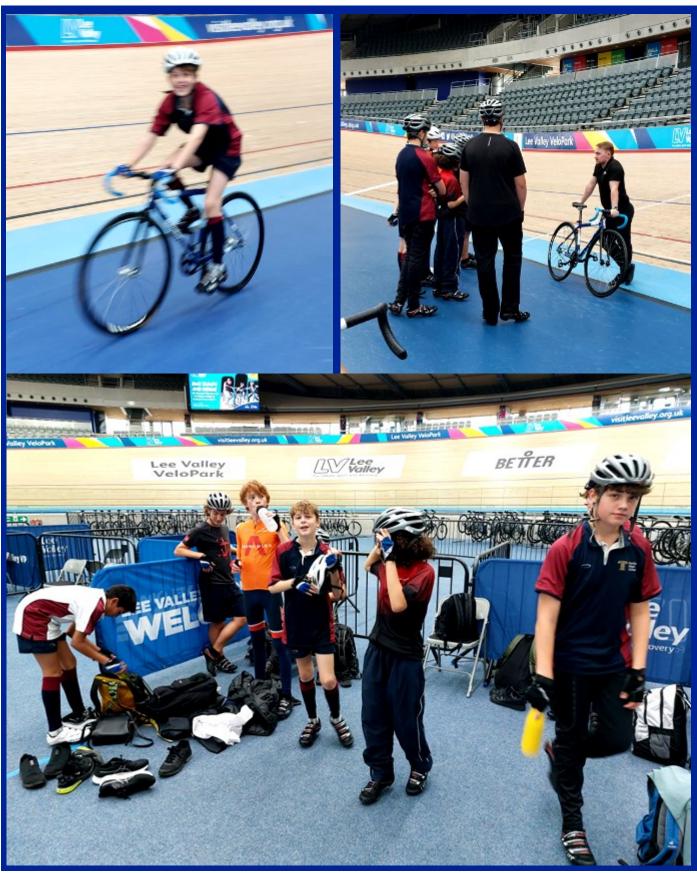

and soon, he had a core of keen Year 9s and 10s trying to catch him (to no avail; he's seriously fast). But amazingly, we saw pockets of drafting, overtaking, and endurance develop very organically and very swiftly, resulting in plenty of tired faces at the end!

A massive shout-out must go to **Victor** in Year 7, who is our youngest student – he did extremely well in saving a potential fall when clipped in and trying to stop at the fence, then spent a few laps patiently getting to grips with the weirdness of the bike, before speeding up hugely and pushing himself to achieve in his new VeloPark jersey.

Thanks for reading and more from the VeloPark soon!

Portland U15 Netball Vs Maida Vale

Final Score 22-14 to PPS

On Wednesday 11th October the U15 netball squad made their way to Hammersmith to play against Maida Vale. It was the last game before half term, and we were looking to continue our winning streak. PPS had first centre pass and Sasha made a positive start to PPS's performance. Marta and Cora were the dynamic duo and were hardly missing any shots. PPS finished the first quarter with a massive lead, 11-4. We went into the second quarter in a dominant mood, but Maida Vale were digging deep and trying to make every interception possible. It was not the quarter we expected as Maida Vale started to catch up. Leal and Isabelle were working extremely hard to not let any goals in, making interception after interception. We made several changes in the third quarter as we had a large squad with us and had some amazing players to select from. Several Year 9 students supported the game: Kansas, Rhiya and Bibi, all three played spectacularly well. Annabelle and Sasha were delivering great balls into Marta and Cora and on the 4th quarter we took a big lead again. The final score was 22-14 and it was a well-deserved win for the PPS U15 team. Player of the match went to Marta for her exceptional shooting and hardly missing a thing. A great game all round and its excellent to see this team make so much progress. Well done girls!

Westminster Cross Country Championships

The annual Westminster race allows pupils to qualify for the London Schools as well as the London Youth Games later in the year and Portland sent their best runners to face the other Westminster schools in attendance. The ground was dry and firm, which made for some good performances.

The junior race went off first, which was a mixed event made up of Year 7, 8 & 9 boys and girls. The race was won by a superb female athlete, but **Humphrey** was the male runner over the line, finishing in 11:26, just three seconds ahead of **Spike**. Next home was Year 7's **Roman** in 11:46, with **Ted** completing the course, which was roughly 3km, in 13:41 to place a decent 7th. **Beatrice**, our only girl runner in this race, placed 35th, in a time of 14:08.

In the senior race, Y11's **Ethan Kaye** hit the front early and soon had the field stretched out as he pulled ahead. In a slight organisational mistake, the senior runners ended up running a shorter distance than the juniors! Ethan took the tape in a winning time of 9:45, whilst **Tec** was just two places back in 3rd with a 10:35 clocking. **Rory** came home 5th in 11:02, and **Tess** places 10th in the girls' race with a finishing time of 15:27.

All our pupils performed excellently with nothing less than 100% given. The cross country season proper is yet to get going, but these individuals will hopefully put in some more strong runs later this year.

U13 Netball vs North Bridge House Hampstead

Team List - Lucy, Helena, Esther, Farida, Bibi, Millie and Rosie

On Thursday the 5th of October, our U13 girls had a netball match against North Bridge House Senior School.

PPS won the toss and were awarded the first centre pass. The game got off to a flying start with NBHS setting a quick pace resulting in an early goal. This did not deter PPS however, as they went on to make some great interceptions to get the ball down to our shooting third. **Helena** was decisive in Centre position and with the help of **Rosie**, **Bibi**, **Farida** and **Lucy** all-ready to receive the ball in their attacking and defensive positions and help feed the ball to their shooting goal. NBHS scored another goal, but PPS came back with a lovely goal from **Esther**, putting us back in the game. At the end of the first quarter, it was 2 -1.

The girls came back fighting and didn't make it so easy for NBHS. We saw some excellent defending from **Farida**, **Millie** and **Bibi** who worked tirelessly on court to get the ball back down to our shooting goal line. Despite NBHS scoring another flurry of goals, both **Lucy** and **Esther** worked hard to get us back in the game scoring 5 goals between them. The match ended in a 12-6 defeat but the comeback our girls made was incredible, so a huge well done to them all for all their efforts.

Bibi was awarded the player of the match, a very fitting reward for her excellent performance.

Year 9/10/11 House Netball Report

On Tuesday 3rd October year 9, 10 & 11 girls competed in their much-anticipated house netball competition. It was a thoroughly enjoyable morning with a number highly entertaining matches between the houses. The girls played some outstanding netball...There were excellent attacking moves, important interceptions, fast paced passing and lots of points, all things you hope to see in tournament netball! There was a great atmosphere throughout, and the games were played in good spirit with lots of support from the sidelines! The tournament results were as follows:

Round 1

Cavendish 0 vs 7 Langham

Devonshire 1 vs 6 Wigmore

Round 2

Cavendish 0 vs 7 Wigmore
Devonshire 1 vs 3 Langham

Round 3

Cavendish 0 vs 3 Devonshire Langham 3 v 6 Wigmore

There were a number of outstanding individual performances on display throughout the tournament. Year 9 pupils **Rhiya**, **Zaya** and **Bibi** all played some excellent attacking netball and were particularly impressive across their respective house matches. **Leal** showed great determination and effort for Wigmore, she made several interceptions and was influential at centre. Player of the tournament goes to **Marta** who was lethal under the hoop, scoring a quite unbelievable 14 pts!

WIGMORE WIN HOUSE NETBALL!

U13 Football vs Maida Vale

Portland Place U13's were unable to keep up their winning run, with a 6-3 defeat against a well-drilled Maida Vale team.

After the successful week before where the team were able to hold onto a victory over Ibstock, the students were hoping to push on against their opposition, but Maida Vale were having none of that. With **Nico** leading the team and his Vice Captain, **Enzo**, holding the defence it was a difficult start as the Maida Vale winger left **Roman** chasing as they slipped down the flank before sliding in a fantastic cross to slip the ball past **Jacob** in goal.

It wasn't the start that the PPS squad wanted. Chasing after the ball, and losing possession in vital areas, it seemed like it could be a long afternoon for the U13's. With two more goals hitting the roof of the net in quick succession, it was time for the captains to boost the confidence of their team and they definitely did this.

Portland started to play a bit more football. With Joshua up front and Zane running down the wing it became easier in the middle of the park for Nico to find the right ball. Oisin was playing his part in opening-up the gates too, using his blistering pace to run past the oncoming defenders and pulling the ball out wide to Dario. The game started to become more open, and PPS began to knock on the door of the Maida Vale goal. With Jacob and Enzo commanding the defence and Joshua starting to

click with his midfield, it was only a matter of time before Josh was able to score his fourth goal in 2 games with a fantastic shot on the edge of the 6 yard box.

With this, PPS started to play a quicker game, moving the ball round, and pinging the ball about. **Noah**, playing at the back, started working closer with **Zane** and this is where they started to cause problems. Breaking down the left-hand side, Zane managed to cross in before the deflection took it behind for a corner. The cross was swung in, going past the penalty spot, missed by all, Enzo on the edge of the box pulled the ball back onto his right foot before letting fly. The ball flew through the air and even with the keeper getting a hand to it; he was unable to keep the ball out of the goal.

The game started to turn, and Maida Vale were struggling to keep PPS from attacking the goal. Maida Vale defended and defended as if their lives depended on it, but PPS were unable to score any more goals.

The second half began 3-2 down but the students weren't going to give up. The fixture was tense, and PPS were unable to score any more goals until a fantastic play by Nico who sliced the defence in two with a majestic ball, for Oisin to run onto and strike past the goal-keeper. At 3-3 it seemed the game was on a knife edge with both teams attacking end to end. Portland's defence was holding out with some fantastic defending from Roman and Jacob but it was all to no avail as Maida Vale's replacements saw off a tired and weary Portland Place squad.

It wasn't without trying that the squad didn't win, even at 6-3 down there was a comradery and some positive comments throughout the team.

With half term on the horizon, it is time for the squad to rest up, with another load of fixtures after the break, PPS U13's are on the right course.
