ACTS OF KINDNESS

At Portland Place School we look out for each other and succeed by being kind - this way we create a cycle of positivity and generosity.

Here are a few ideas about how students can spread kindness outside of school as well. Whether it is cheering up a friend or sharing a snack, each act has the power to make a meaningful difference in someone's day or life.

Thank you for your ongoing support.

News

Dear Parents & Carers,

The **Student Council** are delighted to announce that they have organised a **Mufti Day** on **Wednesday 29th November** in aid of **Children in Need**. They voted overwhelmingly to support this cause which helps make a difference to the lives of children and young people in communities across the UK where it is needed most.

To support this brilliant initiative and **allow your child to wear non-uniform on the day**, please donate **£2.00 via Parent Pay www.parentpay.com**. As we are a cash free school, all donations need to be given this way – please do not bring cash on the day as it will not be possible to accept it. Any issues with accessing your ParentPay account, please do contact **vicki.bromley@portland-place.co.uk** who will assist you.

Thank you to the parents/carers, the School Council and the whole school community for continuing to make Portland Place School the wonderful place it is.

HOUSE 'HARVEST HAMPER' COLLECTION

Over the next few weeks the Student Leadership team are collecting items for a House Hamper competition.

It is the time of year where we spend time with our families eating food and celebrating each other. Unfortunately not everyone can celebrate in the same way, so the Student Leadership team are asking you to donate to those who are in need at this time.

Donations can include **non-perishable items of food (tins, tea, coffee, UHT milk, long-life juice, pasta sauce, jams and spreads) and non-food items such as nappies, shower gel, deodorant and shampoo.**

Items and hampers will be donated to local food banks.

Please drop your donations to Mr Lee in the Science office in GPS 2nd Floor so he can record your name, items and House to allocate your points!

Last day for donations is **Tuesday 12th December.**

Thank you in advance for your kind generosity!

Student Council Update

In our second Student Council meeting of the year, we looked into issues surrounding the lunch time queue, walk overs, school uniform and PE kit, along with charity initiatives for this time of the year.

Feedback from last week:

- Any students that register in PPS and need a locker, bring in your own padlock and go and see Gary who will allocate one for you.
- Packed lunches that are available if you have a club during lunch time, you will need to ask your member of staff running the club to preorder this for you.
- Female hygiene products are available from Gary or Gail if ever needed.
- Mufti-day for Children in Need will be on Wednesday 29th November, a £2 donation via Parent Pay for wearing your non-uniform clothes.
- House Harvest Hamper collection of non-perishable items to be donated to local foodbanks. Deadline for donations 12th December. Donations to be dropped to Mr Lee in the Science office in GPS 2nd Floor and he will allocate house points.

If you have any questions or suggestions, please speak to any of the Student Council members or Year 11 Senior Prefects. Remember, too, that there is a Suggestions Box in the main office where you can post your ideas.

Keep up the great work!

Portland Place Hybrid School

Dear All,

As you may be aware, the **Good Schools Guide** visited the **Portland Place Hybrid School** last month to see it in action.

Their review has now been published and shows how impressed they were overall.

A few highlights:

"We love it when schools think outside the box – and this one has done so magnificently."

"This school's Hybrid model is truly inspiring"

Thanks to everyone who helped and supported the visit, especially Ms Baig for bringing her characteristic energy and passion.

*Congratulations

Congratulations to Reggie in Year 10 whose design has been selected for the Portland Place School Christmas card this year! It is sure to be enjoyed on many mantle-pieces this festive season!

Tall Buildings of London: The O2 Arena

This week, our group of students climbed up and over at the O2! Years of training at activities week finally paid off as we climbed the arena, in a line, attached to a harness onto a giant wire. It was hard to resist bouncing on the arena as it felt like being on a trampoline and was such an impressive experience. We learned that the O2 Arena was built in the same axis as the Meridian in Greenwich, had 12 poles to support it like the 12 months of the year, was 52 metres high like the 52 weeks of the year and was 365 metres long like the 365 days of the year. Once at the top, we learned about the architecture of all the buildings around us but sadly also heard that had just missed 50 Cents and Ed Sheeran who had played at the arena the night before! It didn't matter as we can all say now that we have conquered the O2 Arena!

ROBOTICS ENRICHMENT

Robotics is in full swing! Now that the boys have built their clawbots, competitions are under way:

Competition 1: Defend the Castle

In this competition, teams each chose a home base (castle) around the room. At the end of 10 minutes, the team with the most blocks at their “castle”- won! As they were collecting blocks, they were also free to steal blocks from other castles and even demolish castles! With a stealthy castle placement and some precise robot manoeuvring, Maxwell came out on top!

Competition 2: Claw Coding

In this challenge, students used their programming skills to program their robots. They competed without the use of controllers. A block was set in the middle of their home bases and teams needed to measure the distance for their programs. Teams competed at the same time. The team who retrieved the bot three times were declared winners. It was a narrow victory for Towa and Neak!

Competition 3: Cup Stack Wars

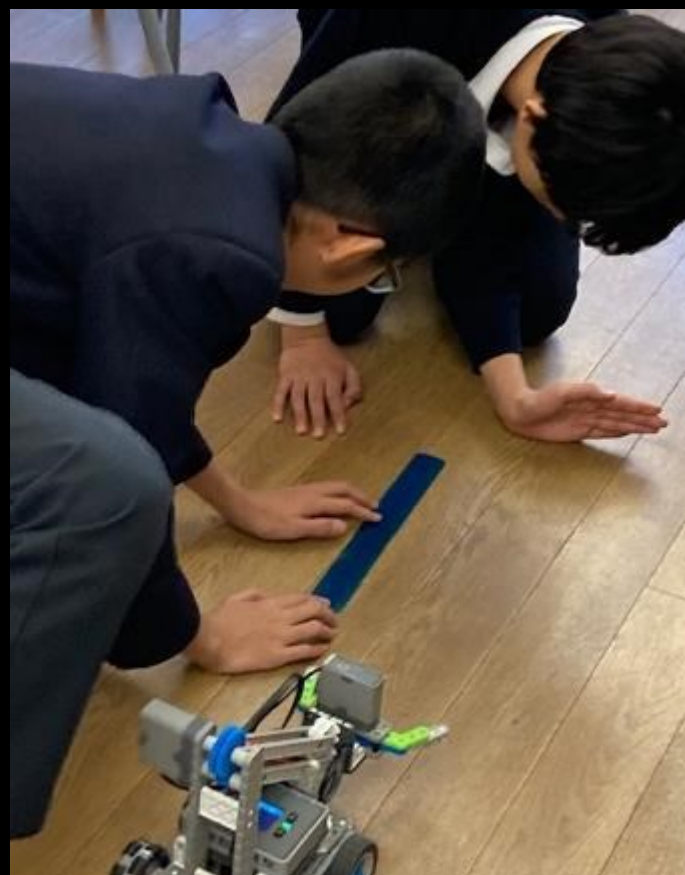

In a tournament style competition, teams were pitted head to head in a four team draw. The first draw was Towa & Neak vs. Maxwell. It was a hard fought battle, but Towa & Neak came out victorious by a fraction of a second. In the second draw, the well practiced Will beat Haofeng. Haofeng came third, and in the final, Will was the victor in a narrow win against Towa and Neak.

ISA London North Cross Country Championships

Last Thursday the annual London North qualifier for the independent schools' national cross-country finals was held at the aptly named Abbot's Hill school in Hemel Hempstead. The course is a demanding one with barely a flat spot to be found and some very long and challenging climbs.

Portland's runners were first involved in the Year 8&9 race which was roughly 3.5km long. **Spike** was our best finisher, coming home 7th and claiming a qualification spot to represent London North in the national finals in March. His brother **Dexter** ran a superb second half of the race, coming from around 24th to move past many runners to eventually finish 15th. Year 8's **Ted** showed real grit to place a creditable 43rd against mostly Year 9 runners. He will have the opportunity to come back next year and compete in the same age group.

In the senior race **Sonny** and **Tec** were faced with a 4.5km course. The ground was fairly dry and not as muddy as expected, making the pace on the downhill sections extremely fast. Sonny made a measured start but moved through the field on the first circuit to sit in 6th, where he remained for all three 1.5km laps. He too received his invite for the nationals and was very pleased with his 17:55 clocking. Tec stuck to his task very well, showing great staying-power and eventually coming home in 20th.

All our runners did great credit to themselves and the school, and it's great to have two runners qualified for the national finals. Congratulations to Sonny and Spike! With over three months before the race, they have plenty of time to get some training in!

Finn and Oisin Selected for ISA National Swimming Finals

The London North region did not host an area swimming gala this year and as in previous years elected to run an online qualification with swimmers invited to submit their best race times in order to gain selection. Year 7's **Oisin** has been selected for the 50m back-stroke and freestyle, whilst **Finn**, in Year 11, has been picked for the 100m freestyle relay.

Massive congratulations to both boys who will get the chance to compete at the Olympic pool in Stratford next Friday! Good luck!

U14 Football vs Thames Christian College

With the abundant rainfall of late, the large hybrid pitch was the only playable surface at Regent's Park last Friday afternoon as Portland's Year 9's welcomed Thames Christian College for an entertaining and somewhat nail-biting match. Portland dominated possession for much of the game, though their attacks were continually thwarted by a particularly fast and strong defender who had some tremendous tussles with our striker, **Humphrey**. Despite some good early play, Portland conceded quite early on after a blocked shot rebounded to the attacker who struck a second time as Portland's defence failed to close him down, and the ball slipped past the diving **Dexter** in goal. PPS were awarded a penalty mid-way through the half, which their keeper saved, diving to his left.

PPS began to lose their way as the first half drew to a close. Although Humphrey continued to cause problems for the TCC defence, PPS were not retaining possession and had to rely on some sharp defending from **Harrison** and **Eddie**. **Henry** and **Mohammed** looked sharp and dealt with TCC's attacking play very well. At half time, Mr Steward made a few changes and the team's new shape started to pay dividend. **Tom** came into the midfield and provided a steadying influence, passing to feet and linking up nicely with **Spike**, who was starting to turn the screw on the tiring Thames XI.

Oba moved up front, with Humphrey brought back to an attacking midfield role. He chased down a few balls, harassing the Thames goalkeeper and defenders and was eventually rewarded with a loose ball in the area which he latched onto and fired confidently past the keeper. Oba was thrilled to score his first goal for the school and PPS were now determined to press for the winner. With time to spare, the game really opened-up and it was Thames who came closest to finding the winner with a goal-mouth scramble which was eventually cleared after PPS had come perilously close to conceding.

The match finished 1-1 and Portland had to be satisfied with a draw. It had begun to look like they might not find the equaliser, but the players showed an excellent response to the change in tactics in the second half and didn't allow themselves to panic. Well done to all that played.

Man of the match: Eddie

U12 Football vs Maida Vale

PPS 6 v 6 Maida Vale

On a wintery afternoon at Regents Park, PPS u12's took on Maida Vale School in an extremely entertaining game of football. PPS started well, with the majority of the game being played in Maida Vale's half. PPS's high pressing was forcing Maida Vale into mistakes. PPS took the lead through **Jacob** who hit a spectacular long-range effort into the back of the net. This seemed to spark Maida Vale into life, and they scored a quick equaliser when PPS were caught on the counter attack. Maida Vale grew in confidence and found another goal quickly. PPS started to lose focus and were guilty of some disappointing marking, this resulted in further goals from Vale and a disappointing end to the half for PPS. The score was 4-1 to Maida Vale at half time.

PPS knew they were not out of the game and that it was essential that they remained positive – but they must do their absolute best to try not to concede first! At the start of the second half it was clear PPS were up for the challenge. There was a new energy to PPS's play in both attack and defence and it wasn't long until PPS found the back of the net through **Joshua**, who showed great composure to round the keeper and find the target. Two minutes later he added a second with a similar finish to make it 4-3. The game evened out for a period but then **Joshua** scored another for his hatrick, from long range. It was 4-4 with 10 minutes to play! The final stages of the game were extremely entertaining; play was end-to-end and there were numerous shots on goal. Maida Vale took it to 5-4, PPS responded through **Roman**...Maida Vale took it to 6-5...PPS responded through **Joshua** (for his fourth goal!) to make it 6-6! In the final minute of the game PPS broke on the counter attack and **Roman** rifled a shot towards the top corner, it looked destined for the back of the net, but the Maida Vale keeper made the save of the game! 6-6 was the final score.

Sports report

WHAT A GAME! PPS had an average first half but showed great character and quality in the second half to get themselves back into the game. **Jacob** was brilliant in defence, **Millie** and **Beatrice** both had fantastic all-round games and **Roman** worked his socks off! Player of the match has to go to **Joshua** who scored 4 and had a massive impact on the game!

Well done PPS u12's!

Sports report

It was a tough day at the office for the Portland Place U13 team, who couldn't wipe away those weekend blues and fell short against a fantastic Maida Vale side. On a small pitch with 8v8, PPS were hoping to cause some issues to an opponent that they had fought against a few weeks beforehand but it didn't all go to plan for the team.

After making a promising start where the midfield of **Nico** and **Enzo** created a number of opportunities for the attacking players, some fantastic goalkeeping kept **Zane** and **Dario** from scoring and taking the lead. There was no letting up from either team who continuously attacked each other's goals with **Neak** pulling off some cat-like saves to keep the score at 0-0. Portland kept Maida Vale out until 15 minutes into the game but as soon as the doors were bashed open, Maida Vale continued to slip goals into the PPS net.

The second half began completely differently to the end of the first. A strong start from both Nico and Mr Steward, saw the home team come out all gun's blazing, attacking the

Sports report

Maida Vale goal at a rate of knots. It was only a matter of time until the net was rustling with a fantastic solo goal by Nico, who's silky footwork saw him turn defenders inside out before slipping the ball past the oncoming keeper. It seemed like the comeback was on and the U13's could feel it. It was a completely different game in the second half with Portland Place causing a lot more problems for their opposition. Zane, the lone striker, was forcing save after save and finally got his goal after a great ball from **Enzo** saw him clear on goal and he side footed the ball into the back of the net.

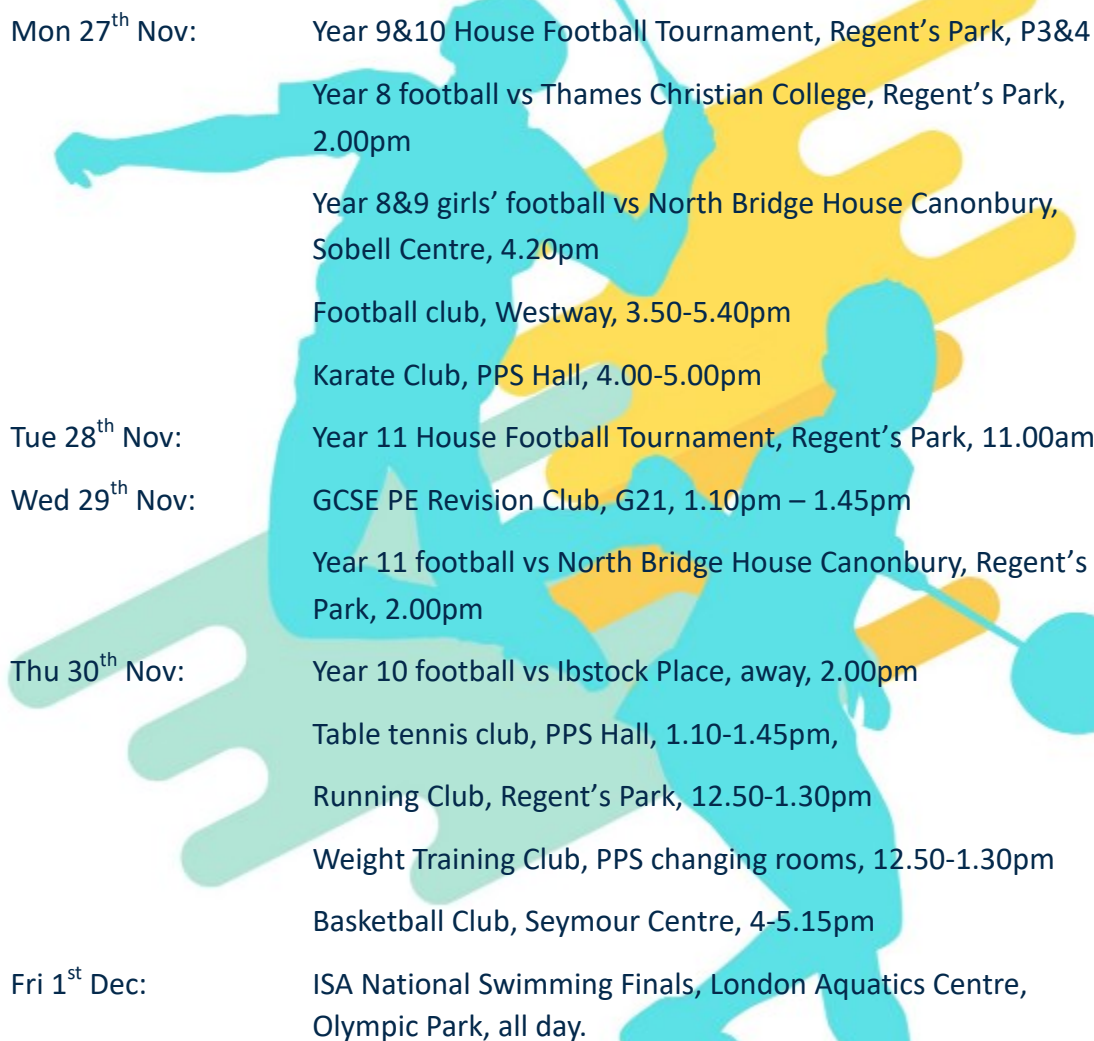

Portland Place were having their best period of the game and Nico was influential with this. The central midfielder started breaking at will and made the Maida Vale goalkeeper stay focused throughout the half, but he was unable to stop the Portland captain from slamming a hammer shot into the top corner.

Portland Place were unable to bring back the goal deficit, but the second half was a fantastic team performance that they can all be proud of.
