KS3 production of  
William  
Shakespeare's

# Macbeth

Thursday saw the KS3 production of William Shakespeare's Macbeth. Despite being one of Shakespeare's more challenging texts, you would not have thought it, with the students capsulating each character to perfection.

The production took on a modern twist, set in the cut throat world of investment banking. With the actors suited and booted, they wowed the packed out audience with their superb portrayal of this Shakespeare classic.

A huge well done to **Henry, Jazz, Spike, Abi, Idrees, Arlo, Eva, Angelica, Yasmin, Zaya, Parissa, Helena, Angelica, Lara, Jacob & Roman**. The performances from these individuals were far beyond that of Key stage 3 students and the Drama department is extremely proud of them all for their hard work!

On Wednesday, the VeloPark squad met to take their second session on the track – the very same boards the 2012 Olympic Games were ridden on!

The session began with some basic drills, but our coach Andy soon had each individual rider on their own strategy for the session – from endurance laps for Damian and Christian (as you can see by Damian's reaction to being pushed to chase a Team GB rider!), to practicing form and getting used to riding a fixed-gear track bike in clipless shoes – which was something of a dive into the deep end for Joey, Nico and Nate who were doing their first session!

We were very impressed with the team's endurance and form: Koby and Victor spent time just working on their technique and lapping the circuit, and Zane worked hard on building up to taking on the red-line.

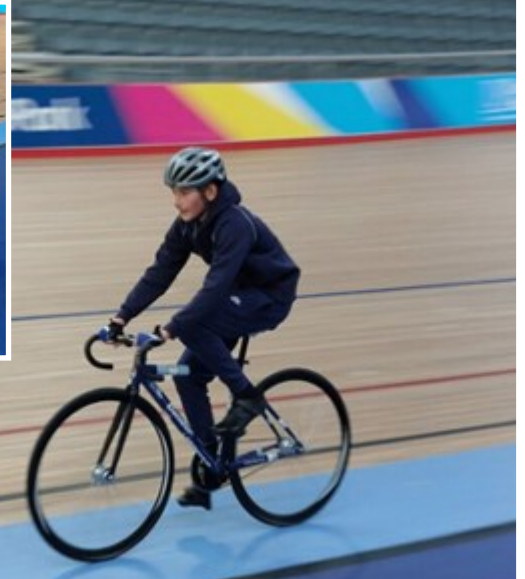

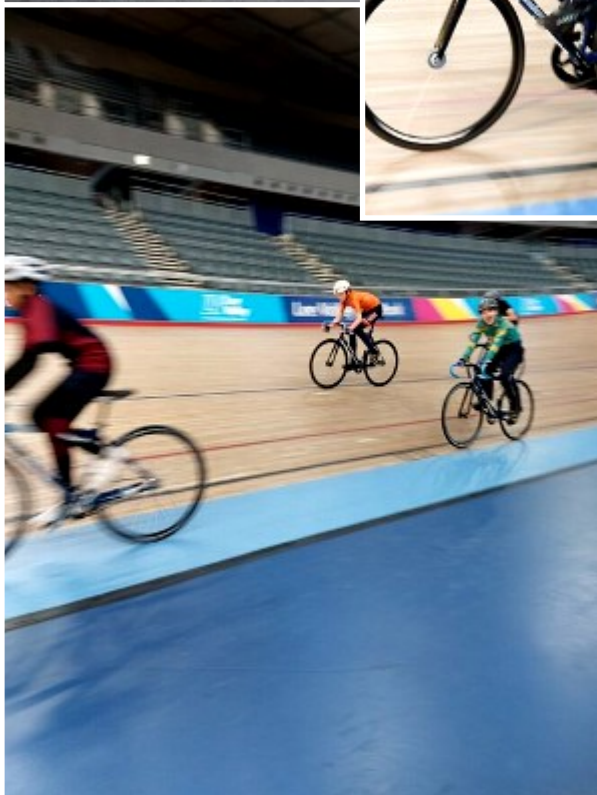

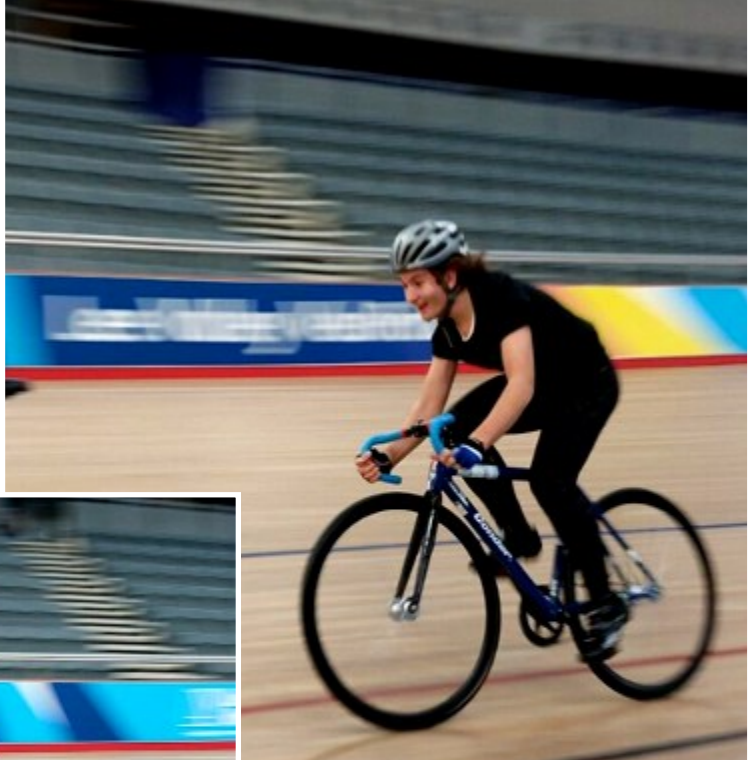

Ms Silcocks, Mr Brittain and I very much recognise and appreciate the skills shown by our riders – despite a couple of minor upsets from unclipping, everyone has taken to the trickiest discipline like ducks to water! Mr Tasić

## Tall Buildings of London: Tate Modern

On Wednesday, our group visited Tate Modern, level 10! We crossed the river walking on Millennium Bridge and from there we could spot some of the monuments we had visited in the previous week like St Paul, Tower Bridge and the Shard. We then entered Tate Modern main building and looked around the art in the giant turbine hall. We then went up Level 10 in the new building and looked around the architecture around the river. Another beautiful day, this time with Miss Patten accompanying the group!

## ISA National Swimming Finals Queen Elizabeth Olympic Park

The London Aquatic Centre has hosted the ISA National Swimming Finals for several years now, and it's a magnificent venue for the pupils to compete in. With the very best facilities and timing systems, the pupils performed to a tremendous standard, and this was the first time we have had Portland Place pupils representing the London North area in this contest.

Year 7's **Oisin** was selected in the 50m backstroke and freestyle, as well as the medley relay where he performed backstroke. His opening race was his individual 50m backstroke and he made a good start, moving well underwater and surfacing pretty much in the lead. The London North team was drawn in lane 8 for the entirety of the gala, which was less than ideal, but it didn't hold Oisin back as he kept his form and appeared to be level with the London West swimmer in lane 5, as they reached the halfway point. As the race drew to a close the West London swimmer began to drift ahead and pipped Oisin to the gold by roughly a second. Oisin won silver in a personal best time of 38.96 seconds – a tremendous effort and a great start to the gala for him. In his individual 50m freestyle he produced another personal best time of 33.91 seconds to place a highly creditable 5<sup>th</sup>. In his relay, Oisin swam the first leg and put his team right at the front over the first 50m. The squad then began to fall back and eventually finished 7<sup>th</sup>.

**Finn**, from Y11, qualified to represent London North in the Y11-13 age group, meaning he would be up against 6<sup>th</sup> formers. His first race was the 100m freestyle, where he placed 6<sup>th</sup> in a time of 1:15.80. This time was a little outside his best, and although he was keeping pace over the first 50m, he found the second half tough. Finn's preferred stroke is the butterfly, as many of us got to witness at the school's gala last February. He also swam in the freestyle relay, assisting his team to a 7<sup>th</sup> place finish.

Both swimmers should be tremendously proud of representing their region at these championships and to win a silver medal is a fantastic achievement!

## Year 9/10 House Football Report

On Monday 27<sup>th</sup> November the Year 9 & 10 boys competed in their much-anticipated house football competition! Despite the conditions, it was a thoroughly enjoyable morning with a number of highly competitive matches between the houses. There were mazy runs, creative passing, last ditch tackles and some great goals scored – all things you hope to see in tournament football! The results were as follows:

### Round 1

Cav 0, Dev 0

Wig 0, Lan 0

### Round 2

Lan 2 (Danny, Humphrey), Dev 0

Cav 0, Wig 1 (og)

### Round 3

Cav 0, Lan 0

Wig 1 (Ned), Dev 2 (Tec, Rafer)

### LANGHAM WIN HOUSE FOOTBALL!

### Final Results

1<sup>st</sup> – **Langham**

2<sup>nd</sup> – **Devonshire**

3<sup>rd</sup> – **Wigmore**

4<sup>th</sup> - **Cavendish**

Well done to all the footballers in one of the most competitive house football tournaments PPS has ever seen! **Danny** scored a very well taken goal and showed great technique on the ball. **Max C** was very solid in defence and kept all the other houses' strikers quiet. **Nate** made some important saves across the games. Player of the tournament goes to **Humphrey** who put in influential displays in each game and scored a brilliant opportunistic effort from the halfway line!

## U13/14 Football vs North Bridge House Hampstead

The Year 9's played their last match before Christmas on a chilly Monday afternoon at Regent's Park. Ably assisted by **Nico** and **Enzo** from Year 8, they faced North Bridge House Hampstead on a quite wet and muddy pitch.

NBH made the better start, passing the ball quickly and accurately and looking a lot sharper on and off the ball than Portland. PPS took a while to warm into the game and were guilty of withdrawing from some key tackles and fifty-fifties, which only served to embolden North Bridge. They opened their account after a speculative shot from the left flank confused **Dexter**, in goal. Looking as though it was going well wide, it bounced and curled past his late dive. They continued to press for much of the half and PPS produced some stout defending, with **Harrison** and **Nate** to thank for keeping them just a goal behind. As the half drew to a close, PPS began to enjoy more possession and started attacking the NBH goal for the first time. **Humphrey** made some strong runs, but his shots went wide or over the bar. **Spike** nearly

levelled the match after his shot hit the underside of the crossbar, but he was adjudged off-side.

In the second half Portland continued to defend robustly and tried to hit NBH on the break. Humphrey continued to cause difficulties for North Bridge's defence, and he was assisted by some fantastic runs down the left wing from **Finn**. It was Spike who eventually levelled the match, but a few minutes later NBH restored their lead after a high cross caught Dexter back-tracking towards his goal, unable to keep it out. Portland were devastated, but immediately began to press, winning several corners. Spike's header hit the outside of the upright and it was **Richard** who pulled back Portland's deficit with a strong finish from a short NBH clearance.

# Sports report

The game finished 2-2, though PPS were the happier team, having twice come from behind. A few PPS players were disappointed and felt they could have won. They had shown real spirit in this game and had really established themselves physically after a slow start. Communication was the best it has been all term and several players produced some of their best football in difficult conditions. **Taishi** defended superbly, dealing very well with some difficult moments. Richard had his best game in a PPS shirt. **Nate** also covered a huge amount of ground, tracking back to clear the ball on

numerous occasions. Well done to all who played.

**Man-of-the match: Humphrey.** We almost take for granted Humphrey's contribution to the team, but he thoroughly deserves recognition here. He was tireless in his attacking play, harassing the defenders, constantly finding a way to beat them and win the ball back when he was tackled. He showed great pace and physicality and give PPS a constant foothold in the NBH half.

## U15 Football vs Ibstock Place

Not all heroes wear capes, some wear a lime green jersey and dive at the feet of attackers. This was a near fairy tale ending to the footballing season for the U15s squad who were narrowly beaten by Ibstock 2-1 on Friday afternoon.

It was a thoroughly entertaining match with non-stop, end-to-end football from both teams but it was Ibstock who came out on top after some heroics from the Portland defence.

With the cold air freezing the toes and fingers of the players, there was some silky passing from **Jake, Tom** and **Humphrey** that continually broke open the Ibstock defence. All three taking their time on the ball and playing with considerable ease; pinging the ball from side to side until they saw the perfect opportunity to release **Tec** upfront. But it wasn't Tec to open up the gates.

The midfield were clearly on top in the first half and it was a fantastic through ball from Humphrey that saw **Ned** fly through before chipping the goalkeeper. It was a fantastic goal and the celebration was just as good.

The half finished with Ibstock in all-out attack. With **Max C** at the back being partnered by **Harrison**, Portland were holding out and with **Dexter** being extremely vocal in the goal, the opposition were

unable to break down the sturdy defence. With **Rafer** and **Sachin** both commanding the wings it was a fantastic team performance by the squad.

It seemed like Ibstock had a resurgence of energy in the 2nd half with them coming out like a house on fire. It was all defence for the second half from the PPS squad who struggled to create any pressure. **Oilly**, moving back into defence, seemed to add to the speed and power but they were unable to keep out the equaliser. A corner swung in from the right was met with a thunderous header that saw Dexter's right hand, unable to keep it out.

This added to the worries of the PPS squad who desperately tried to keep the score to 1-1. From Tec up front to Harrison at the back the squad worked tirelessly and continued to hold out and even create chances with both Tec and Humphrey coming close with a free kick.

But all the defending took its toll and with a couple of minutes to go the inevitable second goal came. Ibstock were unable to break past Harrison and Max but a Thierry Henry style flick and volley saw the ball fly into the net.

It was a heart breaking finish to the game but it was a fantastic performance by each player and shows the strides that they can make into the next season.

## Maida Vale Netball Tournament

Well done to the U13 team who represented PPS in the Netball tournament at Wood Lane on Monday afternoon. PPS played 3 games against St James, City of London and Maida Vale schools. The girls came away with one win and 2 losses but held their heads high and played well as a team. We saw goals from **Farida** and **Esther** who worked well in the shooting area. **Lucy** deservedly got player of the match in her games, showing perseverance and maturity on the court. **Leia**, **Bibi**, **Lara** and **Helena** all made some great interceptions throughout their games adding to some good performances. Well done to all those involved - Esther, Helena, Lucy, Fareeda, Leia, Lara and Bibi.
